

LOCAL AND GENERAL

The Postmaster has a letter posted at Coonambs, N. S. W., addressed to Miss Helen McDougall, R. R. No. 2 Carleton County, which he will be glad to forward to its proper address.

Mr. John Wallace, of the Sentinel Office, has in his possession the heading of the Victoria Express, a paper published in Grand Falls in 1866, at which time a school teacher named O. J. was editor.

Appointments in Carleton County: J. Henry Hay and L. A. Noble, to be Justices of the Peace. L. A. Noble, to be Parish Court Commissioner for the Parish of Kent, in the place of David S. Jones, deceased.

Rev. Mr. Hand, of Grand Falls, has been tendered an invitation from the congregation of St. Ann's Episcopal church, Calais, Me., to succeed Rev. R. L. Sloggett, as rector. Rev. Mr. Hand will probably accept and start on his new duties May 1st.

John Sharpe went to Chatham yesterday for the Snowball, registered Clydesdale horse, Eneas Balgrogan. This horse is a noted prize winner at all the shows and at Halifax, last fall, was awarded first honors. He has been purchased by Woodstock parties.

Master Arthur Sprague, son of Dr. T. F. Sprague, is the first Boy Scout who has successfully passed the Scout Master's and Doctor's examinations for the Ambulance Badge and is now the possessor of the Ambulance Badge. In an emergency case, call on Arthur.

The fair at the A. M. E. church on Tuesday evening was a grand success. The booths were well patronized. Over \$50.00 being realized. The prize for selling most tickets was won by Mr. Hubert Nelson. The committee wishes to thank the merchants who donated so liberally, also the ladies for the fancy articles and cooking which they so cheerfully gave to help "The little church on the hill."

The Connell Bros. property has been put in the hands of A. D. Holyoke. This action was taken at a meeting held Monday and was considered to be the best step towards the settlement of the affairs and the re-opening of the plant. Mr. Holyoke has already interested local parties and hopes to form a company that will take over the business and conduct it along lines that will prove profitable to all concerned.

To-night the big stage of the Hayden Gibson Theatre will be transformed into a primitive Indian camp where stalwart braves and graceful maidens will glide with mocassined feet around camp fires and under pine trees and wigwams and they have all assembled at the call of HIAWATHA. Come out and see him. HEAR BIG INDIAN PLAY.

Mr. H. B. Durost, of the Agricultural Department, delivered a lecture Saturday before the members of the Agricultural society. His subject was the home making of fertilizer. The lecture proved very interesting and instructive to those present and the many suggestions made, on the importance of home made fertilizer, will no doubt be beneficial and profitable to those interested.

The following excellent attractions have been secured by the management of the Hayden Gibson theatre: Ethel May Shorey, the well known author-actress, and her own company, will be here for three nights commencing April 30th. Rockwell's Sunny South, always good, will be here one night, May 6th. The great musical comedy "The Red Rose," now playing to capacity houses in Montreal, here May 12th. May 18-19-20 The Urban Stock Company. May 25th Beverly of Graustark. Mutt and Jeff, in Panama, will provide the laughs May 29. This is a musical comedy now making a big hit. H. Price Webber is booked for June 2. This old favorite holds no introduction to theatre goers.

Despite the unfavorable weather of Saturday night, Easter Sunday dawned bright and sunny and gave all an opportunity to go to the services at the churches and wear their new spring garments and headgear. The attendance at all the churches was very large and bettling the importance of the day. There was a profusion of decorations in Easter lilies and cut flowers. The pastors preached on the resurrection. The music by all the choirs showed careful practice and rehearsal. At the Methodist church the music was a feature and the attendance taxed the capacity of the church. The new altar in St. Gertrude's was prettily decorated and at the evening service was especially attractive with hundreds of brilliant lights.
