Co., has been called to the pastorate of the Baptist church at Pennfield and Beaver Harbor, two strong and influential churches, with large opportunities for work. Rev. Mr. Warden will be much missed by the people on the Green Road circuit who regret his removal from among them.

All hunters seem to have a "hunch" that they know just where they can find the coveted deer. Chief Kelly and C. M. Augherton had "theirs" located and sallied forth Wednesday afternoon armed to the teeth. "The ground is soft," quoted the genial insurance manager, and we can move about noiselessly than otherwise and tracking will be much easier. "Yes," said the Chief, "and the fog will allow us to approach nearer our quarry." The hunters returned and the only explanation made to inquisitive friends was that "there are various ways of wasting time, and deer hunting is one of them."

Rev. J. J. Ryan, who has been appointed parish priest of Woodstock, was, Sunday, by the parishioners of Stanley presented with an address and a purse of gold. The children also presented Father Ryan with an address and a bouquet of 20 carnations. At Tay Creek, Father Ryan was presented with a purse of gold and an address. Father Ryan also received a bouquet of chrysanthemums from the children. Mrs. Ryan, his mother, at Stanley, Sunday, was presented with an address and a purse of gold by St. Patrick's Aid Society. Father Ryan and his mother are to leave for Woodstock on December 1st or 2nd, and he will preach his farewell sermon at St. Anthony Church, Sunday, 25th inst.

Elmer Welling, the absconding B. & A. station agent at Ludlow station was apprehended at Woodstock, N.B., last week by detective Valley and who at first resisted extradition, was brought to Houlton on Friday evening by Chief Kelley of Woodstock and Officer Valley and placed in the county jail to await action by the grand jury now in session. It is said by the authorities that the father of Welling has made full payment of the money embezzled and that neither the railroad or express company will further push the case, but that Welling will probably plead guilty to the crime, if indicted by the grand jury.—Houlton Times.

The 55th Battalion are now in camp at Lipook. A letter received Tuesday says in part:—"We had an eventful and interesting trip. After landing at Davenport we were told that a steamer had been sunk by a submarine mistaking it for us."

We boarded the train at Davenport and the people along the route were very kind to us. At Exeter the Maycross gave us a lunch.

Our quarters are fairly good—we are in huts and sleep on raised platforms. It is thought we will move out of here to Aldershot or Shorncliffe, but of course we can't be sure about anything."
