TOWN COUNCIL MET FRIDAY NIGHT

Engineer Harbours' Supplementary Report was Read—Whole Water Question Over Until August—Imperial Packing Company will Put on Insurance if Town will Come to Terms—Assessors' Order Paid when Work is Completed

The Town Council met Friday evening with Mayor Sutton presiding. The Town Clerk said that according to the bye-law 8 o'clock was the hour of meeting and not 7.30.

The police magistrate's report was referred to the Fin. Com.

Coun. Leighton read a supplementary report on water matters from F. A. Barbour.

Couns. Leighton and Smith favored boring wells at a cost not to exceed \$600.

Coun. Noddin wanted the money spent to protect the intake.

Coun. Young said medical men are not unanimous that the present supply is bad.

Mayor Sutton was in favor of seeking a new water supply, but did not think it necessary to hurry.

The matter was laid over until the next regular meeting by the casting vote of the Mayor. Couns. Young, Fleming and Noddin voting for postponement. Couns. Leighton, Smith and Fewer against any further delay.

The Imperial Packing Company will put \$5000 insurance on plant if the town will refund the amount of tax-payers paid.

Coun. Leighton made a number of motions all of which were lost. A committee was finally appointed to arrange a settlement in the best in-

terests of the town. Mayor Sutton and the Finance Com. will act.

The following amounts were ordered paid the assessors: Wm. Balmain \$200.00, P. Bradley and Geo. Jackson \$25.00 each. The amounts to be paid as soon as a copy of the assessment is filed with the Clerk, as provided by the bye-laws.

There was a discussion over closing the library without consulting the council. \$25.00 was voted to buy a uniform for the new police officer. It was voted that Engineer Barbour's report be published in the local papers.

Coun. Flemming wanted Coun. Leighton to apologize for some remark reflecting on the council's attitude on the water question. Coun. Leighton said he was not guilty of the charge made and had no apology to make, and the incident closed.

KAISER SAYS WAR WILL END IN OCTOBER

London, July 14—The German emperor, according to the Times, in a speech to a deputation of bankers who had insisted on an interview, in order to point out to the emperor the financial difficulties of the situation and the grave risk attending the pursuance of the campaign through another winter, stated that the war would end in October.

The bankers are alleged to have declared that even if the war was brought to an end immediately and an indemnity obtained Germany's position would be difficult, but that if the war was prolonged the German empire would become utterly bankrupt. It was in reply to these representations, according to the Times, that the emperor is understood to have declared that the war would end in October.
