

A Million Corns

Went Last Month

Last month, a million corns were ended in this easy, simple way. And every month a million more go like them.

To each corn was applied a little Blue-jay plaster. In every case the corn pain ended there.

Then the wax in the plaster—the B & B wax—gently freed the corn. In 48 hours nearly every corn came out, without any pain or soreness. A few stubborn corns required another plaster.

That's the story of some seventy million corns ended by this invention. It will be the story of your corns in 48 hours if you treat them in this scientific way. Your friends will testify to that.

If you don't do this, in all probability, those corns will stay for years.

OB. MARY

HARRY LUTZ.

There passed away in the prime of life, at his home of Mr. and Mrs. Robert Lutz, Maple Dale, on Tuesday afternoon, June 29th, their second oldest son, Harry Olden Lutz, aged

only 22 years.

Deceased had only been sick a couple of days with pneumonia of the lungs, but in spite of good medical attendance, death done its work and robbed the home of a good son and brother.

The whole community lies in deep sorrow of the passing away of this useful young man and life.

Deceased was a 'home boy,' always stayed at home and worked the farm, and his hard work and toil stands out and follows him. Harry was a very kind hearted fellow, who stood ever ready to do a good turn for everybody who stood in need of help.

He leaves to mourn their great loss, his parents, Mr. and Mrs. Robert Lutz, one brother Elmer Lutz, Houlton, Maine, and one sister, Mrs. Thomas Golding of Speerville, Carleton Co. The greatest sympathy is extended to the bereaved family in this sad time of affliction.

The funeral took place the following Thursday and was very largely attended. The interment took place in the Baptist churchyard, McKenzie Corner, Revs. Messrs. Miller and Worden officiated. The pall bearers were: Fred Forrest, Rob Forrest, Clayton Ackerson, John Glasville, Edward and Tom McDade.

CAPTAIN CHARLES JUDGE

It was with very deep regret that the citizens of St. Andrews heard of the death of Captain Charles Michael Judge, which occurred at his residence here on Monday night at 10 o'clock. He had been in poor health for nearly six months, and during the latter part of the winter and early spring had been with his brother in Woodstock. He returned to St. Andrews in May, apparently somewhat improved; but the inclement weather of June seemed to have a trying effect upon him, and he was confined to his house for several days, and finally succumbed. He was a great favorite with all, being possessed of a most obliging disposition; and he had a wonderful fund of anecdotes and reminiscences which were a constant source of enjoyment to his hearers. It is not

KIDNEY DISEASE WAS KILLING HIM

Until He Used "Fruit-a-lives"
The Great Kidney Remedy

HAGERSVILLE, ONT., Aug. 26th, 1913.

"About two years ago, I found my health in a very bad state. My kidneys were not doing their work and I was all run down in condition. Having seen 'Fruit-a-lives' advertised, I decided to try them. Their action was mild, and the result all that could be expected.

My kidneys resumed their normal action after I had taken upwards of a dozen boxes and I regained my old-time vitality. Today, I am as well as ever."

too much to say that no one in the Town will be more missed than "Charlie," by which name he was always familiarly called. The place that knew him once shall know him no more forever. Man goeth to his long home, and the mourners go about the streets. He is survived by two brothers: Hugh, of Woodstock, and Joseph, of Perth, Carleton Co.; besides a number of relatives in St. Andrews and elsewhere, to all of whom the sympathy of the community will be extended in their bereavement. The funeral took place yesterday at 10 a.m., the services being conducted by Rev. Dr. Meahan in the Church of St. Andrew. Interment was in St. Andrew's Cemetery—St. Andrews Beacon.

McLaughlin-Buick

1916 Six Cylinder Models

The name stands for the best in strength, finish, power and general efficiency in the Motor Car World.

Model D60, 35 Horse Power, 110 inch Wheel Base, \$1085
" D45, 45 " " 115 1/2 " " 1385
" D55, 55 " " 130 " " 2150

If we cut down the wheel base, substitute cloth or imitation leather for genuine hand buffed leather, and equipped them with Four Cylinders instead of six, we could then cut the price down several hundred dollars. But we could not, and we would not if we could, because it then would not be the McLAUGHLIN-BUICK SIX CYLINDER OF 1916

ever attained by anyone in New Brunswick is that of Miss Mary Belmain, daughter of Mr. Geo. Belmain, Collector of Customs, of Woodstock. Miss Belmain has just completed her High School course after a record that can never be surpassed by a student in New Brunswick schools.

During her public school course she won sixteen first certificates and continued her brilliant work through the High School. She led her class in the first two years of her High School course and last week at the High School closing exercises was presented with two medals, having led her class in mathematics and English. These were not the only prizes received by Miss Belmain in her final year at High School, as she also secured the prize for Latin, donated by Rev. Frank Baird, of Woodstock.

This record is one of which the young lady may well feel proud of, and she has been the recipient of many congratulations on her excellent work. Miss Belmain is a niece of Mrs. Wesley VanWart, of Fredericton, and Dr. Ryerson Long, also of that city.
