

TWENTY YEARS AGO

From the Sentinel
March 23rd 1895.

A match game of hockey, the sport which has become so popular of late, was played Wednesday evening by the ladies. Play was called pretty nearly on time, 7.30. At that time but few spectators were present, but later the attendance of onlookers was increased, and those who came to see a good game were amply rewarded. The contest was the first match game for the club, but certainly the play was such as would do no discredit to veterans of the glacial game. Much skill and no little muscle were exercised in putting and warding the "puck," which seemed quite as elusive as politicians promises. Many of the clever points

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fanish, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

in the match elicited hearty applause showing that the play was keenly followed by the admiring spectators. The "Scramblers" were captained by Miss Blanch Dibble, who had under her command, Misses Georgie Augheron, Cora Smith, Nan Bull, Nellie Beardsley, Lena Griffith, and Mrs. W. E. Skillen. Miss Pauline Winslow commanded the "Rushers," Misses Allie Bull, Hilda Bourne, Izzy Arnold, Nellie Wilbur, Kathleen Bourne and Mrs. R. E. Holyoke.

Mr. George Mitchell, foreman of the Dispatch, as referee, held the balance true between the fair rivals. Gallantly but fearlessly did he perform his critical duty, his decisions being received with ungrumbling acquiescence.

The first half of the match, Miss Winslow faithfully guarded the goal for the "Rushers" and, for the "Scramblers", Mrs. Skillen held the fort. In the second part, Mrs. Skillen was opposed by Mrs. Holyoke. The first half Miss Blanch Dibble made two goals for the "Scramblers," but Miss Nellie Wilbur gained two for the "Rushers," making a tie when time was called. Singularly enough the second half of the contest resulted in a tie, Miss Blanch Dibble again making two goals, the tie being made by Miss Kathleen Bourne, who deftly sent the elusive puck twice between the posts. The game lasted an hour and a half and was an interesting contest well worthy of a larger patronage of spectators. Hearty cheers were given the clubs at the conclusion of the game, and the referee was similarly honored.

Congratulations to C. L. Smith over the 16th anniversary of his wedding day, which occurred on Monday.

On Friday evening of last week, George Connell, while walking near Queen street station, slipped and fell on the ice, causing a fracture of the hip bone.

DEBEC ITEMS.

Monday night was one very much enjoyed by the folk of McKenzie Corner and others for miles around. The young people of that place gave a very interesting concert, consisting of dialogues, recitations, songs and tableaux, which was well rendered indeed. Parody on Sweet Marie called forth the second time, rendered by Wilnot Carron in his theatrical style; Why did he not come at me with the other end, was another good one; in fact it is hard to separate one piece from another, as all were good and well rendered. Proceeds to go towards a school library receipts \$18.50; that's encouraging. Burt come again.

Mrs. Amos Rideout of Peel, is visiting her son, who teaches school in this place.

C. W. Dickinson has been appointed Parish Court Commissioner in the place of Ivory Kilburn, deceased.

CANTERBURY ITEMS.

ion S. of T., a fraternal visit on the evening of the 16th inst. There was a good literary programme well rendered; refreshments were served and a pleasant time enjoyed.
On the morning of the 17th inst., fire was discovered in the building owned by A. J. Maroon, and occupied by P. Girdwood. All efforts to save the building proved fruitless; the furniture was nearly all got out, but in a damaged condition. Mr. Girdwood also lost a valuable cow and some hay. Edward Higgins had a phaeton burned, which was stored in the barn. Cause of fire unknown. Loss between \$800 and \$900; insured for \$600.

Deering FERTILIZER DRILLS

We are making a specialty of Fertilizer Disc Drills this season. The Deering Drills have proved to be the most durable, most easily adjusted Drills on the market, and are conceded to pull from 25 to 33 per cent lighter, and have a much larger Grain and Fertilizer capacity. All Deering Drills are equipped with double run force feed; one side is adapted to the distribution of large seed and the other side for smaller grain. There are numerous other distinct advantages the Deering Drills contain when compared with any other, and to fully appreciate this improved machine it will be necessary to call at our nearest Agency, where our representative will be pleased to demonstrate it to you. We are also in the best position to furnish you with any First-class Implement, Buggy, Harness, Heavy Wagon, or Cream Separator used on a farm.
