

It Must be MORSE'S Standard TEAS if you want the Very Best.

WHAT HAS HAPPENED

A Concise Outline of the Trend of Events That Have Transpired in the War Zone

CANADIAN CASUALTIES

Private Cosh, formerly of the Hydro-Electric service in Toronto, is ill of fever in France.

Private Grey, a reservist of the Royal Scots from Smith's Falls, Ont., is in a French hospital with an infected hand.

Private R. L. Sidey, formerly of 144 John Street, Toronto, died of heart failure at Salisbury. Private Hartley Chase, formerly of Fredericton, N. B., is dead of meningitis at the same camp.

Private Thos. D. Rose, son of Mrs. Emma Rose, Bradford, died of pneumonia at the Canadian General Hospital, Netheravon.

THE BOOT SCANDAL.

Some of the boots supplied the first Canadian Expeditionary Force have proved to be the veriest shoddy. And yet the Government paid the firm which manufactured this footwear \$3.85 per pair. That sum, paid to a manufacturer for a large order, is equivalent to about \$5.40 for a like article sold retail after wholesale and retail profits have been added on. Such a price ought to be sufficient to secure a really first-class article, but it is now reported the Government is going to pay more on fresh orders than it paid on the last. Some patriots, whose patriotism is confined to contrasting for supplies, must be growing fat out of this war.

CANADIAN NOTES.

The fourth infantry brigade of Canadians is being removed from Salisbury Plain to barracks, in order to get away from meningitis infection.

Lieut. Angelus MacAlester, of the Royal Engineers, one of Vancouver's best known golfers, lost his arm while fighting in France.

Nurses with the Canadian expeditionary forces have been allowed an extra \$150 for the purchase of uniforms, etc.

Fifty-two members of the Canadian Scottish Regiment at Salisbury have secured British commissions. A. P. Palmer, of Toronto, a private, has been promoted to a lieutenant in Kitchener's new army.

Serjt. Louis De Hart, of the 48th Highlanders, Toronto, who left for Salisbury with the first Canadian contingent, has received a commission in Kitchener's army.

In a speech at Fort William last week Minister of Militia Hughes said no more armories will be built until the war is over. He might have added that no other public buildings will be erected either.

Private Norman Pawson, of Port Arthur, has been killed in action in France. He was a C.N.R. fireman, and left for the front in August to join his old regiment, the Northumberland Fusiliers.

Private Bailey, on guard at the Government elevator, Port Arthur,

THICK, GLOSSY HAIR

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25-cent bottle of Dandruff.

If you care for heavy hair that glitters with beauty and is radiant with life, use an incomparable softener and is fluffy and lustrous, try Dandruff. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fash, fall out, and die; then the hair falls out, and you are left with a 25-cent bottle of Dandruff from any drug store and just try it.

were recently asked to be relieved of their promise not to attempt to escape, and in consequence have been confined in a Dutch fortress. They will now be free to escape, if they can.

A British naval tug was sunk by collision in the channel during a hurricane, and the crew of twelve drowned.

PRIESTS AND THE WAR.

There are, according to an eminent French authority, 65,000 priests in all the armies engaged, 20,000 of them fighting as regular soldiers in the French ranks. France is the only country in the world which compels its clergy to fight in the ranks, and in that country it is said that not a single priest failed to answer to the call for mobilization.

On Sunday morning four German battle cruisers, accompanied by lighter cruisers and small craft, appeared in the North Sea, apparently on the way for a raid on the English coast. About the same time a British squadron of five battle cruisers, together with smaller craft, appeared near the same spot, the British battle cruisers being commanded by Sir David Beatty, the officer who won, near Heligoland, the first important naval victory of the war. As soon as the hostile squadrons came in sight of each other the Germans turned and ran for home. Unfortunately for them the British vessels had the speed of at least some of the enemy, and a running fight was begun which continued for four hours, and in the course of the engagement the battle cruiser Blucher, slowest of the German vessels, was sunk, some 700 out of her crew of over 800 going down with her. Two of the other German cruisers were damaged. All of the enemy's ships but one, a very fast craft, would probably have been destroyed if the British pursuers had not been pelted to give up the chase owing to fear of running into a mine field.

The British in this case, as in the battle of the Falkland Islands, had the advantage both in speed and gun power. Some of the British ships carrying 13.5 guns, while the heaviest German guns were 12 inch. Indeed, the Lion, which led the chase in this case, is believed to have served as flag ship in the battle of the Falkland. The losses of the Lion in this last engagement, although she led in the chase, were only eleven wounded.

The Blucher is the fifth German armored cruiser to be sent to the bottom since the beginning of the war, and this leaves Germany with only four out of the nine armored cruisers with which the war began.

The Blucher is the fifth German armored cruiser to be sent to the bottom since the beginning of the war, and this leaves Germany with only four out of the nine armored cruisers with which the war began.

Lakeville and Williamstown Patriotic and Belgian Relief Society

The Society of Lakeville and Williamstown Patriotic and Belgian Relief, was organized October 26th, and has been doing good work. Meetings were held once a week in the Orange Hall which was kindly offered by the Orangemen. The fuel was donated by Carvell Bros.

The Society has at present thirty eight members. Afternoon tea is served each week. The meetings begin at 2 p. m., and close at 8 p. m.

On October 30th, a successful Bean Supper was held which added \$75.37 with donations from Mrs. W. H. Barker, \$1.50; Mrs. H. Watters, \$50.; Jas. Lifford, 35c.; Wm. Emery, \$1.00; Joseph Steinberg, 50c.; Mrs. A. B. Carvell, \$1.00, making a total of \$80.72. \$35.00 of this amount was sent to Mayor Frink of St. John to buy food supplies for the Belgians; the balance kept in the Society to buy material to work with.

The Society has knit 138 pair of socks and double mitts, also 20 caks. A case for the Belgians containing 10 pairs of socks, 5 pair bloomers, 6 dresses, 8 shirts, 19 skirts and one boys suit is ready.

We have at the front three of our boys: Wm. Armstrong, J. Leonard Sears and Stanley Sears, whom the Society remembered with a Xmas

regularity of the bowls is an absolute necessity for good health. Unless the waste matter from the food which collects there is got rid of at least once a day, it decays and poisons the whole body, causing biliousness, indigestion and sick headaches. Salts and other harsh mineral purgatives irritate the delicate lining of the bowels. Dr. Morse's Indian Root Pills—entirely vegetable—regulate the bowels effectively without weakening, sickening or griping. Use

gift of 1 pair each of mitts, socks and a cake of soap.

Beside the work done in the Society we have sent 2 cases of bedding, clothing and shoes.

MRS. J. HAVELOCK WILSON, Pres.

1915 Rules of the Road

(Aroostook Times).

1. Upon discovering an approaching team, the automobilist must stop offside and cover his machine with a blanket painted to correspond with the scenery.

2. The speed limit on country roads this year will be a secret and the penalty for violation will be \$10 for every mile an offender is caught going in excess of it.

3. In case an automobile makes a team run away the penalty will be \$50 for the first mile and \$100 for the second, \$200 for the third, etc., that the team runs; in addition to the usual damages.

4. On approaching a corner where the automobilist cannot command a view of the road ahead, he must stop not less than 100 yards from the turn, toot his horn, ring a bell, fire a revolver, halloo and send up three bombs at intervals of five minutes.

5. Automobiles must again be seasonably painted; that is, so that they will merge with the pastoral ensemble and not be startling.

6. Automobiles running on the country roads at night must send up a rocket every mile and wait ten minutes for the road to clear. They may then proceed carefully, blowing their horns and shooting Roman candles.

7. All members of the society will give up Sunday to chasing automobiles, shooting and shouting at them and otherwise discouraging country touring on that day.

8. In case a horse will not pass an automobile, the automobilist will take the machine apart as rapidly as possible and conceal the parts in the grass.

9. In case an automobile approaches a house when the roads are dusty it will slow down to 1 mile an hour and the chauffeur will sprinkle the dust in front of the house with a hand sprinkler.

THE COMMITTEE.
(Signed) BY A CLAM.

SOUL, ACID STOMACHS, GASES OR INDIGESTION

Each "Pape's Diapiesin" digests 3000 grains food, ending all stomach misery in five minutes.

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eruptions of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapiesin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach-remedy in the whole world and besides it is harmless. Put an end to stomach trouble forever by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder. It's the quickest, surest and most harmless stomach doctor in the world.

TWENTY YEARS AGO

From the Sentinel
February 9th 1895.

Mr. and Mrs. W. H. Phillips and Miss Mabel Tapley left on Saturday night for a brief visit to Boston.

Mr. Charles Carme, secretary of the Carleton Co. Agricultural Society, went to Fredericton on Tuesday, on business of the society.

Our Markets—Hay, \$5 to \$6; Oats, 32c.; potatoes, 70c. to 85c.; eggs, 14c. to 18c.; beef, 5c.; pork, 5 1/2c.; butter 16 to 18c.; poultry, none.

Mock Parliament tonight (Friday) will discuss the question of the admission of Newfoundland into the Dominion, on a resolution to that effect moved by Mr. Ketchum. The debate doubtless will be spirited, as it certainly should be a profitable one.

At the regular meeting of the L. C. C. the following officers were elected:—"Kip" Glew, P. C. McRae, V. P. C. Donnelly, S. M. Lenehan, T. T. Buck, S. A. C. Johnson, W. D. B. Jacques, L. Gus Milmore, G. O. T. E. Milmore, B. Lynch, E. C.

A company of gentlemen in town have purchased the patent right to manufacture and sell a dishwasher. The association will be called the Woodstock Novelty Co. the stock is \$10,000 at \$20 per share. The following form the company and have taken 15 shares at \$100 per share. David Tapley, A. B. Connell, J. C. Milmore, Dr. Sprague, W. M. Connell, C. G. Connell, Frank Shea, George Frapp, Mered Brewer, A.

A POSITIVE CURE FOR RHEUMATISM

Hundreds of People Have Found "Fruit-a-tives" Their Only Help

READ THIS LETTER

Superintendent of Sunday School in Toronto Tells How He Cured Himself of Chronic Rheumatism After Suffering for Years.

55 DOVERCOURT ROAD, Oct. 1st, 1913.

"For a long time, I have thought of writing you regarding what I term a most remarkable cure effected by your remedy 'Fruit-a-tives'. I suffered from Rheumatism, especially in my hands. I have spent a lot of money without any good results. I have taken 'Fruit-a-tives' for 18 months now, and am pleased to tell you that I am cured. All the enlargement has not left my hands and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in 18 months."

R. A. WAUGH

Rheumatism is no longer the dreaded disease it once was. Rheumatism is no longer one of the "incurable diseases". "Fruit-a-tives" has proved its marvellous powers over Rheumatism, Sciatica, Lumbago—in fact, over all such diseases which arise from some derangement of stomach, bowels, kidneys or skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

Henderson, J. W. Plummer, D. A. Grant, J. T. A. Dibble, M. P. P. and D. Munro. Headquarters at Woodstock.

GLASSVILLE ITEMS.

On the evening of Friday, the 24th there was a large and fashionable ball in the Caledonian Hall, at which the Venues and Adonises of Aberdeen embraced the opportunity (as well as each other) of showing off their graceful, elegant and manly proportions in the beautiful gyrations of the dance. Admirable music was furnished by Professor Reid Dyer of Bristol (may his bow abide in strength), whose fine violinistic and 'organic' art put life and metal into the youngsters' and oldsters' heels. Everything went off tiptop. Even old Mrs. Grundy smiled complacently on the festive scene.

BRIOTOL ITEMS.

Court Sterling, I. O. F., No 642, elected and installed the following officers at their last meeting:—G. A. Britton, Chief Ranger; Elijah F. Shaw, V. C. R.; D. W. Kyle, R. S.; A. J. McLean, F. Secy; Erlon W. Bell, Treas.; D. V. Boyer, Chaplain; Harry Giberson, S. W.; S. Kinney, J. W.; Alfred Holmes, S. B.; Jas. Barter, J. B.; Dr. M. C. Atkinson, Physician; J. W. Curtis, Court Deputy.

The publisher of the best Farmer's paper in the Maritime Provinces in writing to us states:

"I would say that I do not know of a medicine that has stood the test of time like MINARD'S LINIMENT. It has been an unfailing remedy in our household ever since I can remember, and has outlived dozens of would-be competitors and imitators."

Wealthy Belgians in the Dredline

LONDON, Jan. 27—"The impressions I take away from Liege are of wonder that a people can suffer so much in silence and of admiration for the bravery which enables them to do it."

This statement was made today, by Dr. P. H. Williams, of New York, who, at the suggestion of the Rockefeller Foundation, volunteered his services to direct the operations

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 23 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Miss Beatrice A. Feloquin, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYERS, Box 74, Massena, N. Y.

Young Girls, Heed This Advice. Girls who are troubled with painful irregular periods, headache, backache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

In this, as in other matters, the Germans do not interfere. In this connection I would like to say that so far as I know not one morsel of the food so generously supplied to Belgium is being taken by the Germans. It is only fair to say the Germans have given us every assistance, not only in the distribution of relief supplies, but in clearing the canals of broken bridges so that our barges can reach towns and villages whose people otherwise would starve.

Disfiguring Eczema Due to Bad blood

Can Only Be Cured Through the Rich Blood Dr. Williams' Pink Pills Actually Make

You cannot cure eczema or other disfiguring pimples by the use of ointments, washes or salves applied outwardly. The trouble is due to impure blood, and can only be cured through the blood. Dr. Williams' Pink Pills cure eczema and other skin diseases. They act directly on the blood—make it rich, red and pure, and enable the system to expel the impurities that have broken out through the skin, disfiguring the face and other parts of the body and causing great distress to the sufferer. Mrs. M. C. A. Feloquin, Box 116, Sterling, Conn., says:—"I can most truly commend Dr. Williams' Pink Pills for eczema, as they restored me after doctors and other medical treatments had failed. My face was covered with sores, which itched and bled. After consulting a doctor and we decided to give him a trial of Dr. Williams' Pink Pills. It was not long before we had the right medicine. The course of a month or so had disappeared and his skin was smooth and healthy as any other. These great blood-building pills procured through any medicine by mail at 50 cents a box or \$2.50 a six-month supply from Dr. Williams' Co., Brockville, Ont."

The Komical Kompany of Sonville is preparing a picnic. It will be ready for the public on early date, which will be later. It will furnish fun and entertainment for everyone.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhoea, full of worms, a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. "Figs" is a natural laxative, and is the only one that can be given to children of all ages and for grown-ups.
