CANADIANS CHARGED BY PRUSSIAN GUARDS ONLY EIGHTY-FIVE YARDS AWAY

Kaiser's Pets Defeated

Toronto, March 2.—The World has the following cable from its correspondent in Northern France:

For seven days the Canadians have been fighting against the Prussian guards and the Saxons in the first-line trenches. They have shown themselves splendid soldiers, and the losses, contrary to reports, have been surprisingly small.

Sixty-three were disabled, owing principally to frost bites. In their first engagement the men acted like old soldiers, being cool under heavy fire, while their discipline was good generally.

They fought for twenty-four hours, and then were relieved for that period by British troops. The Canadian battalion was separated from the enemy by only eighty-five yards, while others were 700 yards apart. Some of the trenches were knee

deep in water, and many of the men suffered from exposure. Other trenches are quite dry, and the dugouts are snug.

Until moved up to the front, the Canadians in the reserve trenches were under every variety of gunfire from 'Jack Johnsons' to 18-pounders. According to an officer who has just returned to the base, the men conducted themselves admirably. The infantry would have welcomed a bayonet charge to relieve the monotony of the work in the trenches, but this was impossible, owing to the wire entanglements and the muddy field separating the trenches.

On one occasion the Prussian Guards charged the Canadians, but were caught by the wire entanglements before the Canadian trenches, and a whole company was mowed down. From each company crack

shots were chosen as snipers, and they did effective work.

Two Toronto men shot eight men in a German patrol. Every man was cool, and in a few hours after getting into it, fought as though fighting was an everyday occurrence. At first the strain was terrible, but the men soon got used to it.

They were instructed to keep their heads low, which they did. The men suffered from the cross fire until British artillery silenced the German guns. The men were so close to the Germans that the enemy tried to throw hand grenades, but failed. "Our machine guns were great," said the officer.

BELIEVES ALL NOW IN FIGHT.

Ottawa, March 2.—The list of casualties among the Canadian contingent, announced during the night, bore grim testimony to the participation of our troops in the firing line and by now the whole division is thought to be engaged.

The fatal casualties up to date number 123. This includes those who died at Salisbury Plain as well as the men of the Princess Patricia's and the regular division who have been killed in action.

UPHOLDING TRADITIONS

Toronto, Ont., March 2.—The Mail and Empire prints the following special cable:

AFTER ANOTHER HAUL OF \$4,000,000

Mr. Gould is "Amused" at Opposition

(Houlton Pioneer)
"It amuses me." This was the statement of Arthur Gould, the railroad promoter who wishes the County to give him \$4,000,000 "for aid" for his railroad, when told of the action of Houlton citizens and others in the County against the railroad scheme.

Mr. Gould spent the evening in Houlton where he interviewed a few Houlton citizens.

Frank Atherton was appointed a member of the school board at the council meeting, Monday night. Hugh Savage was appointed a member of the Board of Health at the same meeting. Both vacancies were caused by the death of J. T. A. Dibblee.

Fred Mitchell McLean returned Monday night from Moncton where he installed the Benn Signal System on one of the I. C. R. trains. Mr. McLean speaks highly of the courtesies extended during his stay in the railway town.

Mr. and Mrs. Julius Neilson are receiving congratulations on the arrival of a son at their home on Victoria Street, March 4th.

Frank Thompson has been appointed collector of back taxes.

Reserve April 5th. Watch for announcement.

The local market remains about the same and quite an amount of stock is being hauled in. Buyers are paying 65 cents for Mountains and 90 cents for Counters.—Houlton Times.

GOING TO FRANCE WRITES GEORGE ATHERTON

New Suits to Fool the Kaiser—Money a Scarce Article.

George Atherton writing from Market Lavington, Eng., to his father, Mr. John Atherton, under date of Feb. 7th, says in part:

I am sending you a picture of Howard Jacques, Arthur Greer and myself. We have moved from the Plains and are billeted here in a private house.

We are going to France, and to the firing line Tuesday. Don't worry about me as I will turn up like 'a bad penny. Have not been sick a day yet. Harry Thornton has been in the Hospital, but he is improving.

We have got lots of clothes, but we hear the Kaiser has issued orders to take no prisoners but hang or shoot all Canadians, consequently we are going to get new English uniforms and badges so they cannot tell us. We have a hard time to get money, as they only give us 10 shillings (\$2.50) every two weeks, and after paying for washing and tobacco bill we don't have much left.

The medicine you sent me (for vermin) I have never received. As the bugle is sounding to fall in, will close for this time.

Hoping this finds you and all the family well, will say, Good-bye, GEORGE F. ATHERTON.

ditions of British arms. For days they have been under fire, most of them in reserve trenches, where they are constantly shelled without opportunity of replying. Everywhere they have been complimented on their coolness.

After the novelty and tense excitement of the first experience, the boys say it is dull in the trenches. In some places, the trenches are knee deep in mud and water, as a result of which a number of men have been returned to the base ill. The casualties have not been heavy and there have been no bayonet charges so far as I can ascertain.

BRITAIN AND FRANCE ANNOUNCE THAT ALL SUPPLIES FOR GERMANY MUST STOP

Allies Determined to Crush German Militarism—Premier Asquith Told Parliament That Hope for Early Peace is An Idle Dream

LONDON, MARCH 1.—PREMIER ASQUITH, ANNOUNCED IN THE HOUSE OF COMMONS THIS EVENING THAT THE BRITISH GOVERNMENT HAD DECIDED TO PREVENT COMMODITIES OF ANY KIND FROM REACHING GERMANY OR LEAVING THAT COUNTRY.

PREMIER ASQUITH ALSO TOLD PARLIAMENT THAT HOPE FOR AN EARLY PEACE IS AN IDLE DREAM. GERMANY, HE SAID, IS AS DETERMINED AS EVER, AND THE ALLIES ARE AGREED THAT THERE SHALL BE NO END TO THE WAR UNTIL GERMAN MILITARISM IS FOREVER CRUSHED.

FRANCE WILL JOIN GREAT BRITAIN IN ENFORCING THE BLOCKADE OF GERMANY. IN THIS CONNECTION HE WARNED NEUTRAL COUNTRIES THAT THE ALLIES WOULD NOT BE DIVERTED FROM THEIR PURPOSES BY ANY PROTESTS THAT THE EMBARGO WAS UPSETTING THE WORLD'S COMMERCE.

THESE NEW MEASURES WILL BE ENFORCED BY BRITISH AND FRENCH GOVERNMENTS WITHOUT RISK TO NEUTRALS, HE SAID, AND IN STRICT ACCORDANCE WITH THE DICTATES OF HUMANITY.

MEN WHO ARE GOING TO FIGHT FOR THE EMPIRE

40th Battalion and Mounted Rifles Up to Strength—Recruits for Field Artillery—Men Training at the Armoury Under Command of Lieut. Graves.

Major J. J. Bull, recruiting officer for Carleton, Victoria and Madawaska Counties, has been instructed from Divisional Headquarters at Halifax that a sufficient number of men had been enlisted for the 40th Battalion and the Canadian Mounted Rifles. It is understood that another overseas battery of artillery will be mobilized and some of the men enlisted in the 40th, will be given an opportunity to join the battery if

they desire to do so, especially those having experience with horses. Thirty nine have enlisted for the Third Contingent in addition to some who were sent to St. John for the Mounted Rifles.

Major Bull has several applications for the 40th Battalion since he received notice to cease recruiting and these will probably be taken on for the new battery. The men here are drilling every day at the armoury

A peculiar accident happened at the Carlisle Hotel, Tuesday afternoon, by which Mr. Thomas Wallace of Halifax, was quite badly hurt. Several iron posts are in the office and while a guest was leaning against one of these it suddenly gave way and in falling struck Mr. Wallace who was sitting in a chair close by, cutting his head severely. He lost quite a quantity of blood and was dazed for some moments. The post, which is about ten feet in length and very heavy, fell with a crash injuring Mr. Wallace as stated.
