

ANDOVER AND PERTH
RED CROSS WORK

Andover, July 22—At the Red Cross meeting on Wednesday, July 21, the usual work was carried on. Mrs. James Tibbitts and Mrs. Carrie Armstrong served delicious ice cream and cake, clearing \$6.90 for Red Cross purposes.

The croquet collar, which had been donated by Mrs. S. P. Waitt, was drawn by little Louise Baird, Mr. Thomas Wolverton, of Four Falls, being the winner. Thirteen dollars and fifty cents were realized from the sale of tickets and a vote of thanks was tendered Mrs. Waitt for her donation.

The president, Mrs. McPhail, read a letter from Mrs. Alfred Morrissey of St. John, thanking the branch for fifty-four pairs of socks sent at her request for the 6th Mounted Rifles. Also a letter from "General Red Cross Headquarters," thanking us for our work in the past and begging us to continue putting forth every effort as the things were so much needed.

It was moved by Mrs. Harry Tibbitts that every woman in Victoria county should be asked to contribute a pair of socks for "Victoria County Sock Day," to be handed in to Mrs. Tibbitts at the Court House, Andover, on or before August 25. Any woman not able to purchase her own yarn can receive the same by applying to the Court House, Andover; McPhail's store, Perth, or Bedell's store, Andover.

The society wishes to thank Mrs. R. W. Earle for her generous donation of \$10 for the purchase of yarn; also the following for work done at home and handed in during the past week: Mrs. Crawford, 1 pr socks; Mrs. McLeod, 1 pr socks; Mrs. S. P. Waite, 2 pr socks; Miss Myrtle Waite, 1 pr socks; Mrs. Frank Stevens, 3 belts; Mrs. Tom Moulton Indian Reservation, 1 pr socks; Mrs. Giberson, large bundle of old linen and cotton; Andover Women's Institute, Mrs. Wm. Everett, 1 pr socks; Mrs. Dan Fields, 1 pair socks.

WHY NOT MAKE
GRAFTERS GIVE
SOME GUNS?A Chance for the 'Percentage
Patriots' to Turn Some of Their
Profits to the National Good

Does Hon. J. A. Loughheed, the acting Minister of Militia, invite Canadians to pass round the hat for the purchase of machine guns in order that a thrifty government may be able to restore the proceeds of war taxation for the payment of commissions to the patriot purchasers of war supplies, asks the Toronto Telegram, a Conservative paper.

Individual liberality should not be taxed to buy machine guns or other implements of war for a rich country. The affluence of Canada permits the national government to devote a portion of the war revenue to such uses as the payment of commissions to patriots who receive a beggarly \$10,000 plus expenses for the sacrifice and self-immolation involved in the purchase of \$90,000 worth of binocu-

lars for this suffering country.

Every dollar that comes in voluntary contributions from the pockets of individual Canadians should carry comfort to the soldiers at the front, or to the parents, wives and children the soldiers leave behind them. This government is not so frugal in its expenditures that it can fairly ask Canadians to take the money out of their own pockets and out of the soldiers' comforts to buy machine guns for the nation.

A Long War Ahead

(Rudyard Kipling)

Up to the present, as far as we can find out, Germany has suffered some three million casualties. She can suffer another three million, and, for aught we know, another three million after that. We have no reason to believe that she will break up suddenly and dramatically, as a few people still expect. Why should she? She took two generations to prepare herself in every detail and through every fibre of her national

being for this war. She is playing for the highest stakes in the world—the dominion of the world. It seems to me that she must either win or bleed to death almost where her lines run today. Therefore we and our allies must continue to pass our children through fire to Moloch until Moloch perish. This as I can see, is where we stand, and where Germany stands.

This is to certify that fourteen years ago I got the cords of my left

wrist nearly severed, and was for about nine months that I had no use of my hand, and tried other Liniments, also doctors, and was receiving no benefit. By a persuasion from a friend I got MINARD'S LINIMENT and used one bottle which completely cured me, and have been using MINARD'S LINIMENT in my family ever since and find it the same as when I first used it, and would never be without it.

WHY LIFE INSURANCE?
BECAUSE

1. It is an absolutely air-tight channel for your savings.
2. Every feature of the investment is guaranteed.
3. By no other means can you create so large an estate in so short a time and with so small an expenditure.
4. A life insurance policy, when it becomes a claim, is immediately convertible into cash, requiring no expenses of administration. There are numerous other reasons. Ask the North American Life man.
