MILITARY NOTES

OF LOCAL INTEREST

The Duke of Connaught inspected the 55th at Valcartier last week. In the review of mounted officers were Lieutenant-Colonel J. R. Kirkpatrick, Major H. S. Jones, second in command; Major Donald, third in command; Major S. S. Wetmore, adjutant. "A" company was in command of Major J. J. Bull; "B" of Major W. J. Osborne; "C", Major F. M. Rome, and "D", Major E. C. Weyman. The very least that can be said in regard to the 55th in this review is that its work was not surpassed by any regiment in the parade, and any New Brunswicker present would have had reason to feel proud of the showing made by the representative regiment from his province.

Pte. Charles Wright, of the 55th, spent the week end here. He reports the Woodstock boys all well and in the best of spirits.

Lieut. D. H. Balmain of the 55th is in Ottawa taking a musketry course.
