I know her lot of sorrows and help.
If you, my sister, are unhappy because of health, and feel that for household duties, social pleasures, or any employment, write and tell me just how you suffer, and ask for my free ten days trial of a home treatment suited to your case, with references to Canadian ladies who gladly tell how they have regained health, strength, and happiness by its use. I want to tell you that this successful method of home treatment for yourself, my reader, for your daughter, your sister, or your mother. I want to tell you how to cure yourselves at home at trifling cost, and without aid from anyone. Men cannot understand women's sufferings; what we women know from experience. We know better than any doctor, and thousands have proved there is hope even for the hopeless in my method of home treatment. If you suffer from pain in the head, back, or in the feeling of weight and dragging down sensations, falling or displacement of internal organs, bladder irritation with frequent urination, obstinate constipation or piles, pain in the side regularly or irregularly, nervousness, desire to cry, fear of something evil about to happen, creeping feeling up the spine, palpitation, hot flashes, weariness, yellow complexion, with dark circles under the eyes, pain in the left breast or a general feeling that life is not worth living, I invite you to send today for my complete ten days treatment entirely free and postpaid, to prove to yourself that these ailments can be easily and surely conquered at your own home, without the expense of hospital treatment, or the dangers of an operation. Women everywhere are escaping the surgeon's knife by knowing of my simple method of home treatment, and when you are cured, my sister, I shall only ask you to pass the good word along to every other sufferer. My home treatment is for all—your mother, your daughters. I will explain a simple home treatment which specially and effectively cures green sickness (chlorosis), irregularities, headaches, and lassitude in young women, and restores them to plumpness and health. Tell me if you are worried about your daughter. Remember it costs you nothing to give my method a ten days trial. If you are cured, it costs only a few cents a week to keep it. If not, I will refund your money. It is heart's worth asking for. Then accept a genuine offer, and let the free treatment be sent to you—needs, and I will send it in plain wrapper. I reserve the right to cancel out of this offer, mark the nurse that tell your feelings, and return to me. Write and ask for my free treatment today, to you may not see the offer again.
