EXHIBITION PLANS DISCUSSED AT SPLENDID MEETING

Benefit to County is Unquestioned—What Carleton County Can Achieve in Agriculture Endeavour—Trotting Park and Elaborate Buildings in New Plans—Strong Committee Appointed to Canvas Citizens—Important Meeting to be Held December 1st—Representative Farmers Among Speakers.

The agitation to hold agricultural exhibition in Woodstock was launched under most favorable circumstances at the meeting held in the council chamber Friday evening. A most representative gathering was present and there was a feeling of confidence manifest throughout the evening that exhibitors would once more be carried on with every prospect of success. After the speakers had made their remarks everyone present was thoroughly convinced that the agricultural interests of the county would be benefitted by reorganization and get-down-to-business methods by citizens and the farmers of the county.

E. W. Mair was chairman of the meeting, and Geo. B. True, secretary. Mr. Mair briefly explained the object of the meeting and advocated infusion of new blood into the Agricultural Society with the object of holding exhibitions here each year.

In a statement of the present condition of the Agriculture Society Mr. A. D. Holyoke, the secretary, said the society owned twenty acres of land with lumber sufficient to fence it. He said many citizens felt that an exhibition association pure and simple could be organized in connection with the agricultural society taking over land sufficient for trotting park, etc. The greater expense would be in connection with the trotting park and the government would not make any grant for this purpose. They did promise, however, to give \$1250 to the agricultural society—which would be perhaps sufficient support to erect buildings for cattle sheds but the amount would not be enough for all purposes. The society has plenty of land. The land is paid for except \$200. The land cost \$4,500. There is \$1200 worth of lumber and about \$2000 available assets.

James Gallagher—"The lumber and land is there and the town has nothing. If we have an exhibition association how could we get land from the agricultural society? The business men must join the society as in other towns. All successful fairs are managed and directed by the business men of the towns in which they are held, and if we are to have an exhibition the business men of Woodstock must get busy."

Mr. Foster—"Has the agricultural society anything to show that they own the land or anything else?"

Mr. Holyoke—"We have a bond for a deed from Mr. Smith for part of the land and a deed for the other part. The track as estimated by the engineers will cost \$3,500. The grand stand and judge's stand will cost \$4000."

The Chairman—"If the track will cost \$3500 some steps will have to be taken to finance. The point to be discussed is if it is advisable to have two associations combined, or run them entirely separate."

Mr. Phillips would like to see something done. Exhibitions are being held all over the country and none here. "We are standing still and I would like to see a start made," said Mr. Phillips. We should try and raise funds and go as far as we can. A big financial scheme looks good on paper and no doubt some suggestions are good but a better thing to do is to make a start, get down to business and ready for an exhibition next fall.

Mr. Sharp—"Better call the annual meeting of the Agricultural Society, elect officers and then we will have a starting point. There will be no trouble to have an exhibition if we get down to business."

Mr. Carvell—"We better face the successful exhibition without horse trotting in connection. How are you going to get money to run both? If we have ten or fifteen thousand dollars invested some one

EARLY MAILING OF CHRISTMAS PARCELS

Those for the Boys at the Front Not Later Than Nov. 15th—Earlier Mailed the Better—Letters Should also be Mailed as Early as Possible.

OTTAWA, Nov. 6.—The early mailing of Christmas parcels for the front is counselled by the Post Office Department in an official memorandum to-day. It says:—

In view of numerous enquiries as to the last date on which parcels can be posted to ensure delivery to overseas soldiers before Christmas, it is thought well to state, having regard to the irregularity in the Atlantic service, and the possibility of congestion, that the earlier parcels for overseas soldiers are mailed the better, if it is desired that they should be delivered before Christmas; this being particularly true as regard parcels for soldiers on the continent which should be mailed as early as possible so that the greatest latitude will be afforded in order to ensure delivery before Christmas. In every case the mailing of these parcels should take place before the middle of the present month. It is possible that letters might be mailed as late as the last week in November and be delivered to the overseas troops before Christmas, but letters should be mailed as early as possible in order to provide for all contingencies.

will buy our bonds. I think all the merchants will give liberally. If it is possible to get all the money it would be better to have it all under the Agricultural Society. If a concerted effort is made I believe eight or ten thousand dollars can be raised and then we can do business. I think if we go about it in a right way the county will appropriate \$2,500 and the town a like amount. I have faith in the county and believe they will do it."

The Chairman—"It would seem that the total amount required will be \$23,000 with \$13,500 in sight. If the town and county will make grants it will be a very simple matter."

Mr. Gallagher—"It would be in order to have a meeting of the Agricultural Society and then make a definite proposition. The society meets the first Saturday in December and it will be necessary to have every member paid up."

Mr. Sharp—"We formerly had a flourishing society and it did not go under on account of lack of enthusiasm but was blocked by those who wanted a trotting park. If certain people want a trotting park let them build it and finance it themselves. If we can have both together—well and good, but the agricultural society should not be taxed for a race track."

Mr. Carvell thought one could not be made a success without the other. The history of successful exhibitions in other towns is always associated with a trotting park. It is purely a business transaction and the people of the town should show faith in the matter, by putting up the money. Both farmers and townspeople should work together.

Mr. Jarvis—"We need both and they should work together, with the trotting park partially separate."

Mr. True said one question to those who so generously responded to the appeal of the British R. C. Society, \$25.00 being raised for that purpose.

This Society has forwarded Lady Tilley, the sum of \$50.00 for an endowment of a bed in the Princess Patricia's Special Can. Hospital at Ramsgate, in memory of Clarence and Havens and John Judkins, who have made the great sacrifice.

Mrs. Ridley, Pres. Alice Tilley, Sec'y.

PERSONAL MENTION

Miss Marjorie Rankin, returned on Friday from New York.

Mr. J. M. Queen of St. John has been in town this week.

Mr. J. C. Hartley spent a day or two in St. John last week.

Mr. C. J. Jones spent a few days in Fredericton last week.

Mrs. Fred McLean of St. John is the guest of Mrs. W. S. Skilken.

Miss Faye Mercer of Brownville, spent Sunday here with her parents.

evening December 1st to hear the report of the special committee.

TOWN FATHERS IN REGULAR SESSION

Moore Stable Rented at \$30 per Month—Sixty-Fifth Battery Will Go To Armory—Provincial Hospital Presents Bill \$583.25—Persons in Competition With Town Labor Must Pay License—Chief of Police Will Carry Out Instructions.

The town council at the regular meeting Monday evening transacted routine business.

The Board was informed that the Moore stable has been rented by the town at \$30. per month for the horses of the 65th Battery.

Mayor Sutton read a letter from the Militia Department under date of Oct. 30th, in which it was stated that the Strong and Nodden building would no longer be required for the 65th Battery as there was ample accommodation in the armory.

A communication was read from the Railway Commission calling attention to the railway crossing at Bull street of which Messrs. Dunbar complained as dangerous. It was the sentiment of the council that the railway should put a bell at this crossing which would be ample protection.

A bill of \$583.25 from the Provincial Hospital was presented with a request for payment. It was referred to the Finance Committee.

The matter of licenses for persons coming to town to work in manufacturing plants was discussed and it was felt that these concerns, only working part of the time, with many concessions, granted by the town should be compelled to pay a license for the help obtained from outside points—or the parties employed be made pay. It was unfair to the people of the town and the industries were of very little benefit.

Coun. Nodden referring to the question said in part: "This town at the present time needs all the assistance it can get. The country people all have gold nuggets and people coming in to work should pay taxes. We are taxed to keep up a factory that is really no benefit to us and if it brings in competition with our own taxpayers someone should be made pay—every man should pay taxes. God knows in this present state of affairs every man wants to be protected, and if outsiders are brought in they must pay a tax."

The Potato Products Company promised to have a representative meet the license committee tonight—they promised before—and they have not done so.

Coun. Leighton—"It's up to the collector to lay information and make them pay. There is a by-law covering the matter and there is no need of any meeting or proposition from anyone."

Chief Kelly—"We went there and the manager asked us to take no action until they met Council tonight. The license is \$1.00 a month per man and the by-law will be enforced if I am instructed to do so."

The ladies of the Red Cross Society, Jacksonville, wish to thank those who so generously responded to the appeal of the British R. C. Society, \$25.00 being raised for that purpose.

This Society has forwarded Lady Tilley, the sum of \$50.00 for an endowment of a bed in the Princess Patricia's Special Can. Hospital at Ramsgate, in memory of Clarence and Havens and John Judkins, who have made the great sacrifice.

Mrs. Ridley, Pres. Alice Tilley, Sec'y.

evening December 1st to hear the report of the special committee.

MAJOR E. R. VINCE ARRIVES HOME

Receives a Warm Greeting—Recovering From Broken Ankle—Possessor of Military Cross.

Major E. R. Vince who left here with the first contingent, arrived home Monday. He was in command of the Canadian Engineers and is recovering from a broken ankle sustained by a fall from his horse. He was met at the station, on his arrival, by the reception committee the 65th Battery and a number of citizens.

Major Vince looks well considering his arduous duties for the past two years. He is the possessor of the Military Cross.

Election Result in United States Seems to be In Doubt

New York, Nov. 8.—"President Wilson is absolutely re-elected," said Democratic Chairman McCormick late this afternoon. "The Republicans can't beat him by any combination of states that may ensue. We can lose Minnesota and California and still re-elect the president, but we feel confident that we will carry both these states."

Applications from those desiring to qualify as infantry lieutenants are being received daily, and it is thought that within a month the 100 mark, which is necessary before a school for infantry will be authorized here, will be received.

An officer said this morning that this is the chance for men who have been putting up the excuse that they cannot afford to go overseas on a private's pay. Those who qualify will get a chance to proceed overseas as lieutenants and will be placed in about a month after. All that is necessary in order to attend the school is to be recommended by the O. C. of a militia unit, and have the application forwarded to the headquarters of the New Brunswick command—Times.

Mr. A. R. Gould, of Presque Isle, Me., and his associates, have laid before Chief Justice McKeown, claims aggregating \$400,000 against the St. John & Quebec Railway, which they partially constructed. Chief Justice McKeown is arbitrator and the sittings are held at St. John. Mr. M. G. Teed, K.C., of St. John, and Mr. A. J. Gregory, K.C., of Fredericton, are counsel for Mr. Gould and Mr. F. R. Taylor, K.C., is acting for the crowd.

Dr. H. G. Pugsley has returned from Aldershot Camp, where he was attached as Veterinary.

Another of the series of dances was held at Dent's Palm Parlor, on Tuesday evening.

F. B. Carvell, M.P., spent the early part of the week in Fredericton and St. John.

Mrs. Wm. Weeks, Fredericton Jct., is visiting her daughter, Mrs. W. J. Weeks.

Dr. and Mrs. H. M. Martell and son, William, were guests this week of Mr. and Mrs. D. T. Day, Bath.

Mr. and Mrs. George Balsam spent Sunday with friends at Fredericton.

Mrs. Wendell Hall, Houlton, Me., spent the week end in town, guest of Mrs. W. J. Cogger.

Miss Ida M. Wright left for her home in Meductic on Tuesday, after spending two weeks with her cousin, Mrs. W. J. Cogger.

Rev. S. Howard attended the funeral of the late Rev. Howard Sprague, D.D., at Hampton, last week.

Mrs. Maudie Henderson, who is visiting her aunt in Hartland, spent Sunday here, the guest of Mrs. Walter Cogger.

Rev. W. B. Wiggins has been confined to his bed and room for the past two weeks with a severe attack of grippe. He is slowly recovering.

Arthur Kelly of the Royal Bank staff, has been transferred to the Moncton branch. Mr. Kelly left for Moncton on Tuesday. Mr. Willard Morrison came from St. John to take his place in the Bank here.

Miss Grace Everett, a graduate of Woodstock High School, 1915, is attending Houlton Business College and is one of the leaders in her studies in this well known institution.
