STARTLING CHARGES OF WAR PROFITEERING

Sensational Arraignment of the Operations of Sir Sam Hughes' Bosom Friend, Colonel J. Wesley Allison, Throws the Government Forces Into a Panic and Debate Is Hastily Called Off—An Italian Flute and Piccolo Player in a Montreal Orchestra, Who Was in the Deal With Allison and Yoakum, Got Away With \$50,000 as His Share of the Swag—Tory Members Stunned by Damning Exposure

Ottawa, March 28—What was to have been the closing day of the debate on the Laurier resolution demanding an investigation into the operations of General Sir Sam Hughes' "baby" the shell committee, proved the greatest sensation so far sprung and the most damning evidence of profit, high finance, secret commissions, intrigue, and other phases of "Get-Rich-Quick Wallingford" methods yet disclosed. In the face of the documentary evidence submitted by Mr. Kyte, of Richmond tonight, even the government forces are wavering in their determination to sit tight on the lid.

Disregarding instructions of the government for a division early this morning, several Conservative members refused to stay in the house and with a bare majority the government was obliged to adjourn abruptly.

The trail of munitions profiteering as disclosed by Mr. Kyte and as backed by circumstantial detail of partnership agreements as to division of profit led straight to Honorary Colonel J. Wesley Allison, the man whom General Sam Hughes declared was "The soul of honor" his "guide, counsellor and advisor" who "refused to take any commission or recompense for his services so far" and who "has saved Canada upwards of \$50,000,000."

Mr. Kyte showed that Colonel Allison in combination with a well known United States contractor of high finance methods, named Benjamin Yoakum, had arranged for profits amounting at least \$1,600,000 on fuse orders secured from the shell committee for other war orders. The fuse contracts aggregating some \$22,000,000 were let last June to two mushroom companies in the United States organized just before the contracts were let with a subscribed capital of only \$4,000 and without plant, machinery or building. The contract price of the fuses was \$4.50 and \$4 each although these same fuses are today being made in Canada for \$3.50 each with a prospect of a further big cut in price. To these two mushroom companies advances were made by the shell committee totalling over \$3,000,000 and for over seven months after the contracts were let not a single fuse had been delivered although the men at the front were dying for the lack of shells.

"It was a blood-stained graft. And the contracts entered into were ratified on behalf of his Britannic Majesty by Major General Sir Sam Hughes minister of militia and defence for Canada," said Mr. Kyte.

Part of the story came out apparently through the falling out of one of Allison's earlier partners, to wit, a man named Eugene Lignati formerly leader of the orchestra at the Ritz-Carlton hotel in Montreal. For some unexplained reason he had been taken into the combination but later became dissatisfied with the division of the commissions to the middlemen.

March 29—The Prime Minister has called the Minister of Militia regarding the allegations made in Parliament last night by Mr. Kyte, M. P. Explanations are wanted concerning the fuse contract. The Minister of Militia will be urged to secure the attendance at Ottawa of Col. J. Wesley Allison.

General Sir Alexander Durrant, chairman of the late shell committee is being communicated with.

There is no relaxation of the situation. The government has not yet called its promised caucus. It is understood that the Prime Minister is getting the necessary information with which to meet his followers when they are called for conference behind closed doors.

A large following of the government, it is said, declare they will be satisfied with nothing less than the dismissal of General Hughes. There seems to be no sentiment in the Conservative ranks in favor of investigation. The dismissal of the Minister of Militia is regarded as a better expedient.

It is feared that investigation

DUGAL GIVES NOTICE OF MOTION IN STEWART CASE

Government Now Must Face The Matter Squarely—Important Matters in Legislature

Fredericton, March 28—After waiting for three weeks for the government to take action with respect to the report of Royal Commissioner W. B. Chandler, in so far as it affected members of the legislature, the opposition this afternoon proceeded to give notice of a formal resolution which Mr. Dugal will move on Friday next and declares that A. J. H. Stewart, M. P. P., is not a fit and proper person to have a seat in the house of assembly.

When Mr. Dugal began to give his notice of motion there was an alert interest manifested at once in the house. The preamble was quite long, reciting the most of the findings of Commissioner Chandler upon the several charges investigated by him, and it was not until the last few lines were read that the members had an idea of what Mr. Dugal wanted. The resolution of which notice was given read as follows: "Therefore resolved, that the said A. J. H. Stewart, M. P. P., referred to by Commissioner W. B. Chandler, is not a fit and proper person to have a seat in this house of assembly."

WILLIARD THE WINNER OF CHAMPIONSHIP BOUT

Jess Willard, champion heavy-weight of the world, easily outpointed Moran by a narrow margin, went to Moran by a narrow margin, and that he had to caution the boxers only once. Moran landed dangerously low on Willard at one time in the eighth round, which went to Moran by a narrow margin, and the eighth and ninth, which were even.

The conqueror of Jack Johnson claimed to have broken all the bones in the back of his right hand during a slashing rally in the third. The chief feature of Moran's battle was his gameness. Although he could make no impression on Willard with his hardest swings, he fought steadily and courageously under a fusillade of left jabs and hooks which battered his face and almost closed his right eye toward the end of the bout.

Several times Moran was dazed by the champion's smashes, but Willard, fighting with his usual lack of aggressiveness, did not appear to try particularly for a knockout. Referee Charley White said, after the bout, that it was one of the cleanest at which he had ever officiated, and that he had to caution the boxers only once. Moran landed dangerously low on Willard at one time in the eighth round, which went to Moran by a narrow margin, and the eighth and ninth, which were even.

The promoter Tex Rickard announced that the gate receipts amounted to \$151,254. Of this amount the State received seven and a half per cent. of the gross receipts, which amounted to \$11,344.05. Willard's share was \$47,500, and Moran's, \$23,750.

Combined with the percentage taken by the State and the \$7,500 paid for the rental of the Garden, the expenses totalled \$90,094.05. To this must be added other expenses, which probably will bring the total up to about \$100,000, so that Tex Rickard and his partner in the enterprise, Sam McCracken, will clear close to \$50,000 profit on the bout.

VALLEY RAILWAY LOSS ABOUT \$5,000

Latest Estimate of Damage in Recent Wreck

(Fredericton Gleaner, Tuesday.) The monetary loss of the wreck on the St. John Valley Railway on Saturday is estimated at between \$5,000 and \$6,000.

Superintendent S. B. Bass said the first estimates of the loss had been greatly exaggerated and both the engine and snowplow can be repaired. The essential parts of the engine are not badly damaged and the same is true of the snowplow, which can be placed on the trucks again with a fairly reasonable expenditure. The engine will be brought to Gibson some time this week and may be repaired at the I.C.R. shops there.

The wreckage at Bull's Creek, on the St. John Valley Railway, will be cleared away by this evening. The regular train left last evening and made the run through to Centerville without mishap, while the trains today are all running on schedule.

MARRIED

At Hartin Settlement, March 24th, by the Rev. J. E. Flewelling, rector of Canterbury, George Scott of Canterbury Station, to Miss Annabel, adopted daughter of Mr. and Mrs. Joseph I. Hartin, of Hartin Settlement.

A very pretty wedding took place at the home of George Oils, Meductic on Thursday, March 23rd, when Mr. Charles M. Armstrong, M. D., of Robinson, Me., was united in marriage to Cora P. Brothers of Meductic.

The ceremony which was performed by Rev. F. L. Orchard of Woodstock, assisted by Rev. James Fyfe of Robinson, Me., took place beneath an arch decorated with the flags of the Allies. About fifty guests, friends and relatives, were present. After the ceremony the happy couple left amid the good wishes of their friends for a trip to different parts of the province. On their return they will reside in Robinson.

Miss Sadie Brown left this morning for Lewiston, Me., where she intends entering a hospital to train for a nurse. Prior to leaving the Press office, Miss Brown was presented by the Management, with a very nice nurse's wrist watch.

CO. "D" TAKES GAME FROM CHAMPIONS OF ARROSTOCK COUNTY

Smyrna Mills Quintet—Solders Cut Loose and Romp away from Opponents

Co. D. basket ball team won another game on its own floor tonight when a team from Smyrna Mills, Me., was trounced to the tune of 49 to 9 in a one-sided game. It was easy picking for the soldiers who got the jump and had their opponents well in hand throughout the meeting.

The first half was fairly evenly fought although Co. D. registered an advantage.

The Americans fought stubbornly during this period, however, and made the military lads work for every point chalked up.

Co. D. cut loose in the second half and baskets followed in quick succession until the final whistle was sounded.

The work of Jones was the feature of the Smyrna aggregation.

Locke as usual was the shining light for Co. D. and Roger's all round work was deserving of praise.

The line-ups were:
"D" Co. Smyrna Mills.
Nicholson L. F. Grant
Green R. G. Tarbell
Locke Centre Jones
Lewis L. G. Clarke
Rogers R. G. Noyes.

Referee—F. C. Squires.
Umpire—Howard McPadden.
Timekeeper—Dr. Martell.
Scorer—A. P. Stewart.

Taking advantage of certain little privileges, given him by the jail officials, Joseph Mello, who is serving a term of one year for stealing, made his escape from the jail yard Monday and has not been recaptured. Thomas Cairns, who is in the same institution waiting trial for an unmentionable crime, had fashioned a saw from a table knife and was industriously working on one of the bars, in an effort to get away, when he was caught by the jailer. He had also removed some of the concrete near the sink trying to make a hole through the wall.

The orchestra of The Birth of a Nation played a delightful program of sacred music at the Carlisle Sunday evening.

Mrs. A. L. Burpee will hold her annual spring millinery opening on Tuesday and Wednesday, April 4th and 5th. Everything new and up-to-date. (lines.)

Minard's Liniment Zumberman's friend.
