### BENTON

On the 10th of November a very pleasant evening was spent at the home of Mr. and Mrs. Thomas Purvis in honor of their 56th anniversary. There was a large attendance of friends and an enjoyable evening was spent with music and dancing. Some lovely presents were received. After a sumptuous lunch was served, and the singing of the National Anthem, the company departed, wishing the aged couple many happy returns of the day.

Our popular young agent and bride are nicely settled at the station. All are pleased to have Mr. and Mrs. McQuaid in our village.

Mrs. Boyd has gone to Brownville for the winter months. Our school, on the evening of Nov. 15th, gave a splendid entertainment and had a good attendance considering the number of people who have left the place. The program was indeed fine; the children and young people surpassed any former entertainment. Our merchants and people were more than willing to lend all the assistance necessary. The two teachers, Miss Baird and Miss Rice were untiring in their efforts to do their part. The sum of \$56, was realized.

### 10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Purged Tongue, Bad Taste, Indigestion, Salivous Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

### BATH.

A very serious fire occurred here Nov. 19th, when the building until very recently occupied by Bank of Nova Scotia and owned by Messrs Bohan & Co., was totally destroyed by fire. Much sympathy is felt for the young man who was just moving into house, but recently from Grand Falls; his furniture and household effects were a total loss with no insurance, and much of his effects remained still unpacked. The Bath firemen soon on the scene held the fire to this house, but Dr. Cummins residence, next, was several times in great danger.

THICK, GLASSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots flail, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Danderine from any drug store and just try it.

BIG CELEBRATION OVER WILSON'S VICTORY

Former Carleton County Man Writes from South -- Cotton Brings Big Prices, but Eatables Out of Reach of Poor

Nov. 18th, 1916.

Dear Sentinel,

It has been some time since I troubled your columns, so I thought perhaps you would not throw this in the basket.

We keep posted here daily about your terrible war cloud that hangs so heavy over Europe and Canada as well.

Mr. Tompkins' second wife, who survives him, was Miss Annie Cox of Linville, daughter of the late Murray Cox. One son by this marriage, Archie, lives in Boston. Mr. Tompkins was always a man of strong religious tendencies but he did not make a public profession of Christ till about twenty-five years ago, under the labors of Rev. J. J. Barnes, by whom he was baptized and taken into the fellowship of the Baptist church of Upper Kent, of which church he was clerk till the time of his death. Mr. Tompkins was a man of a cheerful and sunny disposition, one who could adapt himself to the companionship of old or young. During his long illness the friends who visited him, always found him full of hope and courage. Mr. Tompkins was a devoted husband and an indulgent father, and a kind obliging neighbor. He will be greatly missed in the home, church and community. May the God of all grace comfort the ones who mourn. The funeral services were conducted by Rev. Mr. Fenwick, assisted by Rev. Mr. Demings and were largely attended. Burial was in the Wharton Cemetery at Upper Kent.—Com.

We wish to express our gratitude to our kind relatives, friends and neighbors, who were so untiring in their assistance to us, during our recent bereavement in the loss of our dear husband and father, and for the beautiful floral tributes, some of which, came too late for the funeral.

BRITISH GOVERNMENT HAS GIVEN YOU RUBBER AT LOW PRICE, SO YOU CAN WEAR RUBBERS AND OVERSHOES TO PROTECT YOUR EXPENSIVE SHOES.

Before the war a cow cost sixty dollars; now a cow's hide costs as much. This means expensive shoes—the same quality as before with a price fast approaching double that formerly paid.

"What's to be done?" asks the man or woman in moderate circumstances.

"Buy Rubbers and Save your Shoes" is the answer the British Government gives.

The British Government has put the price of rubber down so that you may benefit. Think of this and stop the rise in the price of other staple articles. Then, be satisfied and wear rubbers—rubbers save you from British Government rubber—and save your shoe leather from winter's snow and fall rains.

Mrs. E. Deming, Mrs. C. F. Rogers and little son, left on Tuesday to visit Mr. and Mrs. George Simpson, at Presque Isle.

## PTE. S. J. PIKE ONLY IN ENGLAND THREE WEEKS

Now in 26th Battalion—Not Cold but Plenty of Rain and Mud—Met Harry McLaughlan Who Has been at Front Fourteen Months

France, Oct. 30th, 1916.

Dear Father:—

I suppose you will be surprised to hear that I am in France and will be in the trenches before you get this letter. I was only in England three weeks and volunteered and came in the first draft out of this battalion. I am in the 26th Batt. and we are the only ones from home that came in the draft. Billie Densmore or Luke DeWitt are not with us.

I like it better here than I did in England and am well. I have not been sick since last winter. I guess sleeping under canvas certain that a few years ago, sold for three dollars per ton now bring thirty dollars per ton. The lint is still sleeping in tents; but of hundreds of dollars. How is that for course it rains most of the time high. But with this advance all and is awful muddy.

I am having quite a time learning to count French money. We got paid yesterday and they gave us twenty-five francs, which is five dollars and Canadian money. A franc is equal to twenty cents. I will send a piece of money some time for a souvenir.

I saw Harry McLaughlan here yesterday. He came over here in the original 26th battalion and has been on the firing line for fourteen months and has not got a scratch yet. He is certainly lucky.

I would like to get some word from home. I have not had a word since I came over here. Well, there is one satisfaction, I got to France ahead of the fellows in the 104th, if they did get overseas first.

If you send me anything Christmas I will tell you what to send that will do me most good, and that is a pair of sheepskins that comes clear up to my knees. Be sure and get the Palmer Special Sheepskins and the ones with a sole on them for there is no snow over here. Be sure and get the kind that won't rip. The reason that I want the ones that come up to my knee is because I won't have to wear any puttees and they will keep my legs and feet warm. Send size 9. You can send them parcel post and they will reach me by Christmas.

Well I guess I will close for this time but will write soon again.

Good-bye.

STEVE PIKE.
