## SCALDED! DOCTOR SAID ZAM-BUK

The little son of Mrs. Albert Sawyer, of Midland, pulled a vessel of boiling water over him. Mrs. Sawyer writes:

"When the accident occurred, I called in a doctor, who gave me some ointment, but it did not seem to give the child any relief, and his sufferings were terrible. I then commenced applying Zam-Buk, which gave him ease almost as soon as applied, but to make sure I was doing the right thing, I called in a second doctor. I told him I was applying Zam-Buk, and he said: 'The very best ointment you could use; just continue the Zam-Buk treatment.' I persevered, the soreness was soon drawn out; new skin began to form, and finally the scalds, which had been very deep, were completely healed."

Mothers! You should never be without Zam-Buk; it is so good for the accidents which are of daily occurrence amongst children. There is nothing stops the bleeding of a cut, ends the pain of a burn or scald so quickly, or heals skin diseases so surely as Zam-Buk. Besides being the best remedy for home accidents, Zam-Buk is equally good for eczema, ringworm, boils, blood-poisoning, piles, abscesses and sores of all kinds.
