

To Cure ECZEMA

It is necessary that the remedy used shall not only have unusual healing power, but shall also contain germicidal properties. Every one knows that where there is disease, there are germs, and it is the persistence of these germs that prevents an eczema patch from healing. Zamb-Buk is such a strong germicide that germs cannot live where it is applied.

The germs having been destroyed, the healing, soothing, herbal essences in Zamb-Buk soon have their effect. Gradually, new, healthy tissue replaces the old and diseased, and eczema is ended.

If you suffer from eczema, ulcers, abscesses, poisoned wound, ringworm, pimples, boils or any other disease of the skin, don't delay, but secure a box of Zamb-Buk at once, and prove for yourself its power.

ous. If we put in too much assessment it may hurt voluntary subscriptions. I will vote for \$4000 and in June if more is needed I will vote for it.

Coun Morgan—We are all agreed that it is our duty to vote a sufficient sum. My parish as a whole would be satisfied with a vote of \$5000.

Coun Carvell—I want to assure you I am in favor of Patriotic Fund. I understood \$4000 would be unanimous. We are all here there are no vacant chairs and we should put up to people who have gone. With consent of my second I would like to withdraw my motion. I would like to see this made unanimous.

Coun Kearney—I thought \$4000 would be unanimous and at the same time that it was not enough. I consent to withdraw of Mr. Carvell's motion.

Coun Jas Gallagher—What is the use of so much discussing of the matter of this contribution. In order to make this unanimous with the consent of my second I will agree to another reduction and make it \$6000.

Coun Phillip—I am not opposed to voting for \$5000.

Coun Moxon—I seconded \$10,000 and \$8000, and now I am willing to go to \$6000, but I will not agree to \$4000.

Coun Perry—According to the figures given us by the patriotic committee an appropriation of \$3000 would bring it up to amount committee required. I am in favor of \$4000.

Coun Estey—We got the opinion of many councillors and decided in order to make it unanimous we would recommend \$4000. I will however vote for \$5000.

Coun Kinney—Carleton County has made no mistake in electing men at the board today, but I am really surprised that with all the loyalty, we have heard so often expressed, that there is a desire to cut this amount down. What does a few thousand dollars amount to this County? Do you ever stop to think of the boys who have gone to the front? I

have one there and two getting ready to go and would send ten if I had them. Now, as honorable men, who see your boys go to the front, many of them never to return, and whose bones will lie bleaching on the battle fields, can you refuse to help them. It is very fine for us to sit back here in our easy chairs and say \$4000 is enough, but let me say it is shameful. We can and should give at least \$10,000 to help carry on this war.

Coun Melville moved an amendment, seconded by Coun Alex Bell, that the amount be \$4000.

Coun W J Gallagher moved as an amendment to the amendment, that the amount be \$7000. This was lost. The members voting on Coun Melville's amendment, \$4000, stood:

For—Anderson, Estey, Phillips, Flemming, Alex Bell, Lamont, Melville, Smith, Perry, Humphill, Shaw, Against—Carvell, Moxon, Clark, A G Bell, Kearney, Gallagher, Kinney, Jas Gallagher, Burt, Stevens, Tompkins, Morgan, Gibson.

The original motion of \$6000 was carried by same vote reversed.

THURSDAY 2 p.m.
Coun Melville moved that \$6000 be voted for Patriotic Fund be paid monthly or as required.

Seconded by Coun Melville. Coun Carvell, chairman of Scott Act committee, submitted the Scott Act report—

Woodstock, N.B., Jan 20th, 1916. We, your Committee appointed to examine the Scott Act accounts, beg to submit the following report:

We have examined the accounts and vouchers and find them correct as reported with the exception of one item in the account of the Police Magistrate amounting to Ten Dollars—this increases the surplus from \$136.59 to \$146.59.

We recommend that the S. A. Inspector be continued at the same salary for the ensuing year.

(Signed)
H. P. CARVELL,
W. E. FLEMING,
F. L. TOMPKINS.

Coun Melville—What became of the \$100, that was charged up in Secty-Treas report?

Coun Carvell—The amount appears in the report.

Coun Carvell moved report be adopted and the Inspector's salary fixed as last year.

Seconded by Coun Perry. Coun Stevens—The Scott Act deficit then is \$253.41.

Coun Morgan reported that the bill of Dr. Griffin should not come before this board at all. This is the view of Dr. Curtis, chairman of Board of Health. Report adopted.

The Warden read the Board of Health report:

Hartland, N. B., January 17th, 1916.

To the Warden and Councillors of Carleton Co.—

Gentlemen—

I beg to submit a part of report of the Board of Health Number Ten for the year 1915.

With the exception of Diphtheria, there has been very few cases of contagious diseases during the year. During the late summer and fall, a few cases of diphtheria developed in the southern end of the district culminating in a small epidemic at Ben ton in December. As the disease happened to infect very poor people with large families, and as the treatment of diphtheria is costly, it used up almost the entire appropriation. We will need an appropriation of

Special Notice.

BETTER THAN SPANKING.

Spanking does not cure children of bad habits. There is a constitutional cause for this trouble. Mrs. M. Summers, Box 884 Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her to-day if your children trouble you in this way. Don't blame the child, the chance are it can't help it. This treatment also cures adults and aged people troubled with time difficulties by day or night.

\$300.00 for the year 1916.

From several causes, not altogether under my own control, I was unable to get all the bills paid and vouchers returned for this report. I will make a detailed financial statement for the June meeting.

Respectfully submitted,

I. B. CURTIS, M.D., Chairman.

On motion report was received and recommendations carried out.

Coun Carvell moved that usual grant of \$1000 be made Carleton County Hospital. Sec Coun Perry.

Coun Smith moved \$40, he paid P. G. Sims for election expenses and charged to Parish of Brighton. Carried.

Coun Morgan—\$13.00 be assessed and charged to Brighton and paid to R. W. Cameron. Carried.

Coun Melville—\$500 be assessed Parish of Peel and paid Wm A Campbell for road expenses. Carried.

Coun Perry—\$3.00 be assessed and charged to Parish of Simonds for election expenses.

Coun Phillips—\$12.00 to A. Stone and charged to Parish Northampton for election purposes.

Coun Morgan—\$12.00 to Geo Tealie road damages.

Coun Anderson—\$2.00 assessed and charged Parish Wilmot and paid to Parish Clerk. Carried.

Coun Estey—\$5.00 be assessed Parish of Wicklow and paid to Parish Clerk.

Coun A G Bell—\$5.00 be assessed and charged Parish of Wakefield and paid Parish Clerk.

Coun Hemphill—\$16.00 be assessed and paid to Parish Clerk and charged to Parish of Aberdeen.

Coun Flemming—\$2.00 be assessed Richmond and charged Parish Clerk No. 1.

Coun Clarke—\$35.00 be assessed and charged Upper Woodstock road district. Carried.

Coun Moxon—\$85.00 be assessed and charged Parish of Woodstock for poor.

Coun Kearney—\$125.00 be assessed and charged to Parish of Kent, road damages.

Coun Carvell—\$50.00 be assessed Wilmot for poor purposes. Carried.

Coun Kinney—\$1000 Wakefield for poor purposes—Carried.

Coun Alex Bell—\$400. Richmond for poor purposes. Carried.

Coun Tompkins—\$200. assessed Parish of Peel and paid for poor purposes to overseer of poor.

Coun Phillips—\$600. be assessed Northampton for poor purposes. Carried.

Coun Gallagher—\$1300. parish Kent for poor purposes and paid to overseer poor order of councillors.

Coun Smith—\$200. assessed Brighton for poor purposes. Carried.

Coun Estey—\$700 assessed Wicklow for poor purposes.

Coun Hemphill \$50. assessed and charged Aberdeen for poor purposes.

Coun Shaw—\$25.00 for poor purposes Parish of Simonds.

Coun Carvell moved Deputy Sheriff be paid same as councillors for his services.

The list of officers for different parishes were confirmed.

Coun Perry moved that matter of printing detailed accounts in the Dispatch be taken up. Carried.

Coun Jas Gallagher moved that Dispatch be given detailed accounts to print at same price as paid Sentinel and Press. Carried.

Coun Bell moved that Revisors fees for whole County be same as last year and that collectors fees be same as last year. Carried.

Coun Melville moved, seconded by Coun Stevens, that By-law No 22 be amended by adding the following:

"8. For each and every violation of the provisions of this law a penalty not exceeding \$20, shall be exacted against all violations thereof on summary conviction. Carried.

Coun Lamont—There is a feeling that the Scott Act Inspector should have a little more salary. I would move he be paid \$100 additional as a bonus for 1916.

Seconded by Coun Morgan. Secty-Treas—The salary has already been fixed.

Coun Carvell—Surprised to hear this motion. The committee spent considerable time with Inspector and this never was mentioned. If he thought he was entitled to an increase he might have asked us. I will oppose it—it is not fair to the committee.

The pay is good enough.

Inspector McLean was heard. Because I did not make a demand to committee was because of ignorance. You gave me this office without solicitation. When I accepted \$400. it looked small, but as a new man I thought I had to learn. I think now I am worth it. Any man that does this work will know it can't be done for the salary paid. When I could show the work I thought you would take notice of it. The council can pay whatever they regard as right.—There is one thing—there was always a charge of \$1.00 a case paid for doctor for attending court. It was not sometimes to \$10. but I

did not want to do this. I simply ask for more pay because I think I am worth more. This takes twelve months of the year of my time.

Coun Morgan—I feel now like voting more money than was first suggested after listening to Mr McLean. Coun W J Gallagher—I think it only right that we give the Inspector the increase. He has done good work.

Coun Melville—I think the Inspector is entitled to it.

Motion to give additional \$100, was carried.

Coun Morgan—The public accounts committee would recommend a change in manner of submitting bills.

Moved Coun Morgan—That in future all persons having bills before the County shall have them typewritten in order that time may be saved.—Carried.

Coun Stevens for Fin. Com., submitted the following estimates:

ESTIMATES FOR 1916.

Interest on Debentures and at Bank

To pay Debentures

Upkeep of Public Buildings

Salaries

Public Health

Hospital Grant

Pay of Councillors

H. D. STEVENS,

Fin Com. E C MORGAN,

J. W. GALLAGHER

Jan. 20th, 1916.

On motion report was carried, including one half indebtedness of each parish.

Coun Morgan moved, seconded by Coun Melville, that Secty-Treas be authorized to overdraw amount of \$5000 at the bank. Carried.

Coun Perry moved Scott Act Inspector be authorized to draw \$200. needed to carry on work. Carried.

Coun Melville—A young man in jail for a year for a theft says he will enlist if liberated. I would move that we ask Minister of Justice to relieve him that he may enlist.

Coun Carvell—The man is a foreigner and I don't think is eligible.

Coun Smith moved following resolution:

Whereas some years ago sleds were built at a width of 4 ft. 4 ins. and in consequence the roads were a good width,

And whereas at that time there were few, if any, heavy horses,

And whereas the tendency in the last few years has been to narrow the winter roads down to 3 ft. 6 ins by using sleds of that width and at the same time using heavier horses,

Now, therefore, be it resolved that this Council memorialize the Local Government to pass Legislation fixing a standard width for double team winter roads in the Province so that sleds would have to be built of a standard width of 4 ft. 4 ins, in order to prevent the difficulties which now prevail by reason of the roads being broken too narrow to accommodate the double teams and the heavy horses.

Coun Alex Bell—Just at this time it will be considerable expense to make this change—might be better to wait.

Coun Tompkins—I am afraid this will make trouble for single puns.

Coun Jas Gallagher—I think both ought to be considered—men with big teams and men with small ones.

Coun Phillips—It is quite a proposition and I doubt very much that government will grant request.

Coun Lamont—I don't think the change will impose any great hardships on any one.

The resolution carried.

Coun Flemming—In reference to grant on Houlton road Mr. Smith, M.L.A., advised that this council pass a resolution that the government may have something to work on I would move the following resolution:

Whereas the improvement of Highways is ever a vital question in this country;

And Whereas, at the last June session of this Council a resolution was unanimously adopted, calling for improved methods of road construction and maintenance; and whereas we now learn that it is the intention of the Provincial Legislature to amend the present Highway Act, with a view to the establishment of permanent roads in this Province.

Therefore Resolved, That this Council

WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y. — "For two years I was feeling ill and took all kinds of tonics. I was getting worse every day. I had chills, my head would ache, I was always tired. I could not walk straight because of the pain in my back and I had pains in my stomach. I went to a doctor and he said I must go under an operation, but I did not go. I read in the paper about Lydia E. Pinkham's Vegetable Compound and told my husband about it. I said 'I know nothing will help me but I will try this.' I found myself improving from the very first bottle, and in two weeks time I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have the operation." — Mrs. JOHN A. KOENIG, 502 Flushing Avenue, Astoria, N. Y.

Every one dreads the surgeon's knife and the operating table. Sometimes nothing else will do; but many times doctors say they are necessary when they are not. Letter after letter comes to the Pinkham Laboratory, telling how operations were advised and were not performed; or if performed, did no good, but Lydia E. Pinkham's Vegetable Compound was used and good health followed.

If you want advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

oil recommend the Provincial Legislature to appoint a competent engineer, or staff of engineers, to classify the various districts in the Province, in order to determine the best system of road building, having regard (a) to the best material available, (b) the lessening or reducing the grades and curves where practical to do so and the width of highway required,

And Further Resolved,—that all contracts let or labor performed on the highways shall conform to the rules and regulations in the system approved by the Provincial engineers

And Further Resolved,—That the present system of statute labor is not in the best interests of road making so far as Carleton County is concerned, and recommend in regard to the maintenance of our highways a system of section work be adopted.

We further recommend that a rock crusher be purchased by the Provincial Government to be placed in this County, and hereby pledge ourselves to assist in the purchase of such machine to the extent of a sum not to exceed six hundred dollars (\$600.00)

Coun Jas Gallagher—The resolution is a good one. A rock crusher is a good asset—I will second resolution. Carried.

Coun Gibson—Moved \$359. be assessed Parish of Northampton for road damages. Carried.

Coun Perry presented a petition from Ziba Grey and G W Shaw: To the County Council of the Municipality of Carleton:

The Petition of Ziba Grey and George Whitfield Shaw, both of the Parish of Northampton in the County of Carleton, farmers,

Humbly Sheweth:

1. That in or about the month of June A. D. 1913, Thomas McLaughlin then supervisor of highways for the Parish of Northampton, laid out a highway road running from the Grey Road (so called), southerly to the old road running from the Hourhan Settlement in the Parish of Northampton aforesaid across the property of your petitioners (about 72 rods on the land of Ziba Grey and 54 rods on the land of George Whitfield Shaw)

2. The said Thomas McLaughlin in the laying out of the said highway caused a jury to be sworn and all the proceedings taken as provided by the Highway Act. The jury were sworn and assessed the damages payable to your petitioners for the lands taken for the said highway. The sum of \$400.00 was assessed as the damages payable to the said Ziba Grey and the sum of \$225.00 as the damages payable to the said George Whitfield Shaw.

3. We are informed by the said Thomas McLaughlin that within three months after the laying out of the said road he made a return thereof to the County Secretary of the County of Carleton, according to the provisions of the Highway Act, and your petitioners believe that if

they were permitted to do so they could establish this as a fact.

4. So far as your petitioners are aware no action in respect of the said road so laid out has been taken by your Council, nor were the said damages so assessed or any part of them paid to your petitioners.

5. On the 23rd of October A. D. 1915, John Hovey, supervisor for the said parish, caused a jury to be sworn and had the damages again assessed with reference to the same road laid out in the same place across the lands of your petitioners, and the said jury thereupon assessed the damages payable to your petitioners at the sum of \$194.00 for your petitioner Ziba Grey and \$156.00 damages for your petitioner George Whitfield Shaw.

6. Your petitioners are informed and believe that before the last mentioned jury completed their assessment of damages they were informed that if they assessed the damages at more than the sum of \$350.00 the councillors of the parish of Northampton would not recommend to the County Council the payment thereof, so that the road could be opened up.

7. Your petitioners complain also of certain irregularities in connection with the proceedings instituted by the said supervisor Hovey in the laying out of the road the second time, a detailed statement of which, your petitioners are advised, would not be necessary to be made at the present time.

Your Petitioners pray that if the proposed highway to be accepted by your Council, the land damages as fixed by the jury by whom they were assessed in 1913, be paid to your petitioners, and that the last assessment of damages be disregarded, and as in duty bound will ever pray.

Dated this 20th day of January, A. D. 1916.

ZIBA GRAY

G. WHITFIELD SHAW,

Coun Phillips—I am acquainted with whole transaction. I wasn't willing to pay damages as first made. The second award was different from first. We voted today the finding of the last jury.

Coun Gibson—I never heard of a first award. I don't know whether first finding was filed or not.

Mr Shaw was heard—I am one of the men interested in this matter. Mr Phillips thought first damage was too much to pay. The commissioner says he filed this paper with Mr. Hartley (or his son.) I can prove by Mr McLaughlin that this was filed. We are hard working men and feel that council should use right. It will cost me \$75.00 to fence it. We have no cattle way. Mr Phillips says we did not get damages enough. They went through a good clean field. I have to drive my cattle through this road every day. They took an acre and a third out of one of my best fields.

Mr Grey—What Mr Shaw said about the condition also applies to my case. Mr Hovey—I am supervisor and am willing to answer any questions put to me. I am familiar with conditions. The road is necessary. The

CATARRHAL DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy.

Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All druggists, 75c.

\$25.00 For A Letter

Can You Write One?

Thirteen Prizes to Awarded in a Letter Writing Competition.

Some years ago the Dr Williams Medicine Co. of Brockville, Ont., offered a series of prizes to residents of the Maritime Provinces, for the best letters describing cures wrought by the use of Dr Williams Pink Pills for Pale People. Hundreds of letters were submitted in this competition, and yet there must have been thousands of other users of the pills who did not avail themselves of the opportunity to win a prize. To all these another letter writing competition is offered.

Hundreds of cures through the use of Dr Williams Pink Pills have never been reported. These will furnish the material for the letter to be written in this contest. There is no demand upon the imagination; every letter must deal with facts and facts only.

THE PRIZES:

The Dr Williams' Medicine Co. of Brockville, Ont., will award a prize of \$25.00 for the best letter received on or before the 1st day of March, 1916, from residents of the Maritime Provinces, on the subject "Why I recommend Dr Williams' Pink Pills." A prize of \$10 will be awarded for the second best letter received; a prize of \$5.00 for the third best letter, and ten prizes of \$2.00 each for the next best ten letters.

THE CONDITIONS:

The cure or benefit from the use of Dr Williams' Pink Pills described in the letter may be in the writer's own case, or one that has come under his or her personal observation.
