CANTENBURY BOY HOPES TO BE FIRST OVER THE RHINE

Wildest Dreams to be in Show

One of the McGill graduates in Medicine of 1914, G. A. Lundén, who has from New Brunswick, is at the front as medical officer of the Indian Royal Horse Artillery, and judging from a letter just received from him by his father and sent on to a friend at McGill, he hopes to be among the first of the boys to cross the Rhine. Dr. Lundén, who is now Capt. Lundén, was with the Canadian Cavalry in 1915 and was transferred to the Indian Horse Artillery this year. His father had written advising him to try and get a transfer into a general hospital, to which he replied as follows: "About your suggestion to go into a hospital now, I hope you won't think ill of me, but there are very few in France, who would not give a lot to be with a horse artillery brigade during the latter part of this war, or even now. There are only four other Medical officers in France with my job, and when this war is near its finish the horse artillery and cavalry will be the first to cross the Rhine. It is more than my wildest dreams to be in such a show, and would you, if you were my age, and in my place, feel like going into a hospital just when we are helping to make history? When the artillery really works as artillery, history will be made every hour, and what satisfaction afterwards when reading the history of the Great War, to read about things that have been done by my old Brigade—how the "Chester troops" galloping into such a village, and with open sights mowed

down the Huns, and how "G" battery crossed the Rhine—I think it too great a thing to miss, and I prefer to remain with the I. R. H. A., as their big day is coming, and they are the best in the Empire."

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.
