Semi-ready Tailoring Styles for this Season.

Here are a few of the new models in the Genuine Semi-ready Tailored Suits and Overcoats for the Fall and Winter Season of 1917.

The Fashion Portfolio shows about 40 styles, and over 500 different weaves are shown, chiefly in British weaves, but some are the finest product of the Made-in-Canada looms.

The prices vary from \$18 to \$45—the cost of the wool making the cost shown in the price label in the pocket. The label marks the genuine Semi-ready Tailoring as made by the Semi-ready Company in their specialized wholesale tailoring shops.
