

## I OWE MY HEALTH To Lydia E. Pinkham's Veg- etable Compound.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies."

—Mrs. Rosa Strovel, Moore Avenue, Washington Park, Illinois.

We wish every woman who suffers from female troubles, nervousness, backache or the blues could see the letters written by women made well by Lydia E. Pinkham's Vegetable Compound.

If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.

## SAVE THE CHILDREN

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera infantum and diarrhoea carry off thousands of little ones every summer, in most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets cure these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## TWO LONG YEARS HE SUFFERED

"Fruit-a-tives" Made Him Feel As If Walking On Air

ORILLIA, ONT., Nov. 28th, 1914.

"For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. One day I saw your sign which read 'Fruit-a-tives make you feel like walking on air.' This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now I feel fine. I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends."

Fat Me.

In this country when a man of average height takes on girl until his weight runs up to 300 pounds or so his friends have grave doubts about his condition and advise him to diet in order to bring back a slim elegance of figure. In Japan the contrary is true. If a man can carry 300 pounds of flesh with any agility he is of the material from which heroes are manufactured, and if he can work up to the 400 or 475 pound notch and become a wrestler he is in the running for the championship. Wrestling is to the Japanese what boxing is to us and more. The populace goes crazy over it, and the magnates of the big game handle great sums in the way of gate receipts.—Wide World Magazine.

Willing to Be an Ex-Convict.

An attorney and a judge were discussing the apparent lack of ambition on the part of some of the young men of today.

"Why, I know a man," declared the justice, "whose greatest ambition in life is to be an ex-convict."

"You do?" said the lawyer in surprise.

"Yes. He's a life term in the penitentiary."

A Famous Cemetery.

Greenwood cemetery, in Brooklyn, noted the world over for its beauty and the magnificence of its monuments, shafts and mausoleums, contains more than 320,000 bodies. It has an area of 474 acres and about fifteen miles of walks.

## FRESH HEATED AIR

Follow the arrows and see how fresh heated air, used only once, circulates freely around the bread and bakes it from all sides at once. Proper oven ventilation prevents "sogginess."

This scientific oven should place the NEW PERFECTION OIL COOK STOVE in your kitchen. The New Perfection takes up little room and doesn't overheat the kitchen. The Long Blue Chimney makes the flame "stay put" with no smoke.

With Royalite Coal Oil the New Perfection will cook your meal for from 5 to 10 cents.
