COUN. FEWER WANTS FUEL SITUATION RELIEVED

Voices Sentiment of Public at
Council Meeting—Meets With
Opposition—Funds for "Gall
Cure" for Horses of Battery—
Dept. Not Furnishing Enough
Money.

The regular meeting of the Town Council was held Monday evening. Coun. Fisher occupied the chair in the absence of Mayor Burt. The police magistrate was read and reported. A letter from Percy Thompson, of the Good Roads Movement, was also read.

On motion of Coun. Leighton, seconded by Coun. Fisher, Geo. Manuel was appointed a constable and member of the police force.

In answer to Coun. Stevens as to what this meant, Coun. Leighton said it meant just what the motion stated, but he added that no salary was connected with the appointment.

The town agreed to pay one half the expense of building a piece of sidewalk in front of the Fleming building—the amount to be \$10.

Daniel McKendrick was heard in reference to injuries received by his horse owing to a hoie in the street. The matter was referred to the street committee.

Coun. Fleming reported that the manure at the stables of the 65th Battery was being sold. He had sent the town team after it, as instructed, and could not get it. He asked Major Evans about the matter and that officer told him they had the manure to sell to get articles for the horses. He asked this officer if the department did not supply medicines for the horses, and he replied that some are supplied but not enough.

Town Clerk Hartley said any agreement made with the representative of the Army Service Corps and Major Evans had nothing whatever to do with it. It is a matter for the military authorities to deal with.

A letter from Edgar Neill was read in which he complained of water from the stand pipe overflowing his cellar and destroying certain goods. Supt. Fields said the water must have soaked through the ground as it didn't run into the yard. Referred to the water committee.

Coun. Fewer—Many citizens have talked with me concerning the wood situation in town and expressed themselves that the conditions were so serious that the town council should take the matter up and make some effort to get a supply of wood and sell at a reasonable price to consumers.

Coun. Leighton—We better enforce the bye-law in reference to measurement of wood. If the town measures the wood the man who buys knows what he gets. Any time the town went into the wood business it did not prove satisfactory.

Coun. Stevens—It is not only the price of wood it is the scarcity. I can't see where measuring by the town will help matters.

Coun. Smith—It has been said that Mr. Hayden would get out a large quantity of wood—if this is so it will not be necessary for the town to go into it.

Coun. Fewer—Mr. Hayden is not going into the wood business for his health. The town can get wood and sell it at cost. People are paying from \$12 to \$18 a cord for wood at present time.

Coun. Smith—Better leave it alone—it won't work satisfactorily.

Coun. Leighton—I can't see any benefit from the town going into the wood business.

Couns. Fewer, Fleming and Stevens were appointed a committee to look into the matter and report Friday evening. Adjourned.

THE VETERAN'S BALL A BIG SUCCESS

Quaint and Clever Costumes.
Representatives From Every
Climate—Partial List of Merry-
Makers.

Many pleasing comments are heard about the streets of the Masquerade Ball held Hallowe'en under the auspices of the Veteran's Association.

The quaint costumes and make-up of the merry-makers were both amusing and clever.

The martial glitter direct from the battlefields of Europe was much in evidence. The "Dull Fighters" were there and were the admiration of some "Red Cross Nurses" who looked charming in costumes that spoke eloquently for the noble work now going on in the order of mercy.

"Grecian Girls," "Mexican Girls" and "Danish Girls" hobnobbed with the clowns and coons.

The demure "Puritan Girl" was not alarmed at the threatening "Bandit" nor shocked at representatives from the Harem. The Irish Coleeks feared not the British Officer nor did the Spanish Dancer ask for points from any of the "Professors."

"Old Erin" and the "Quaker Girl" looked askance at the "Black Cat" who seemed to long for "Cream of Wheat." "The Carleton Sentinel" was the centre around which "Liberty" hovered and "Chorus Girls" were attracted. The Circus Rider was imbued with the air, color and life of the sawdust ring. "The Constable" paid rapt attention to the romantic abandon of heart and love interest of the "Chorus Girls."

"Pirate" thrilled young and old alike and was admired by the "Seventh Century Girls."

"Little Red Riding Hood" feared "Jesse James" but had strong protection in "George Washington."

"The Snake Charmer" was popular with the "Cow Girls" and the "Gentlemen."

There were many strange feats of sleight of hand by several mysterious personages whose names are not divulged.

The following is a partial list of those in costume:

Misses Sutherland—Liberty.

Mrs. Phillips—Red Cross Nurse.

Helen Braddon—Red Cross Nurse.

Cora Stitham—Chorus Girl.

Jennie Hall—Chorus Girl.

Jessie McCra—Egyptian Dancer.

Glenna Britton—Early Doll.

Edith Dalling—Donno.

Bessie Kennedy—Puritan Girl.

Mrs. J. Griffin—Carleton Sentinel.

Marguerite McLaughlin—Spanish Dancer.

Jean Riordan—Grecian Girl.

Jessie McDougall—Irish Coleen.

Nellie Burden—Snake Charmer.

Lillian Britton—Hawaiian Girl.

Florence Britton—Cow Girl.

WRITS HAVE BEEN ISSUED FOR THE GENERAL ELECTIONS

Nominations Will Be Made on
Nov. 19 and Polling Day in
Canada Will Be Dec. 17th.

Ottawa, Oct. 31.—Wrists were issued tonight calling for a General Election on Monday, December 17th.

The Nomination Day is fixed for Monday, November 19th. This applies to all constituencies, except Yukon Territory. In the Yukon, Nomination Day will be December 31st and Polling Day four weeks later, Monday, January 28th. All writs are returnable on February 27th, 1918. Parliament is summoned to meet on the day following.

The election will be without a parallel in the history of the Dominion. The granting of the franchise to soldiers and sailors and their female relatives at home has entailed the creation of entirely new machinery. Military and naval polls will have to be held in France, Belgium, the United Kingdom, the West Indies, Canada, and on the high seas of Europe and North America.

In every polling sub-division of the Dominion an enumerator will immediately have to set to work revising the electoral lists. The name of enfranchised female relatives of soldiers will have to be added. The names of aliens disfranchised by the War Time Elections Act will have to be deleted. Roughly, 20,000 enumerators will be required.

Gunner Lawrence Wilkinson, who joined the 65th Battery here and left with the first draft, is reported wounded in the leg and arm. In France he was on the signalling staff. He is a son of Rev. W. J. Wilkinson, Springhill, and is well known in Woodstock.

TWO HUNDRED AND NINETY TWO MEN EXAMINED

Staff of Examiners Should be Increased or Work Longer Hours
Dissatisfaction Exists.

In this district, last week the medical examining board was kept very busy. This applies especially to Woodstock where many had to return to their homes as the doctors were unable to examine them. Some parties have been here two or three times and naturally a great deal of dissatisfaction exists. It is a hardship for those who came from a long distance and it is hoped the medical staff will be increased, or hold examinations oftener.

The results last week were:

ELECTION CARD

TO THE ELECTORS OF THE
ELECTORAL DISTRICT OF VIC-
TORIA AND CARLETON:

Ladies and Gentlemen:

The writs for the General Elections to be held on the seventeenth day of December next having been issued, and, being the New Brunswick representative in the new Union Government, in appealing to you for your support I feel it incumbent upon me in as brief a manner as possible to state to you my position, and the reasons for the formation of the Government three weeks ago.

The real question before the electors of Canada today is whether or not this Dominion will do its full duty, not only to itself, the Empire at large, and the civilization of the world, but to the soldiers who have already gone forward, many of whom have made the supreme sacrifice. Tens of thousands of others have been maimed and wounded, and two hundred thousand are still in Europe fighting for you and me and everything which is of value in life.

When the Military Service Act was introduced in Parliament by the present Premier in the month of May last, a sharp cleavage arose, not only in Parliament, but throughout Canada at large, and, in voting upon this all important measure, unfortunately twenty-five of my colleagues and myself found ourselves at variance with our Leader as to the advisability of supporting selective conscription, which I freely admit was something new in the political life of Canada, and something which had not existed in the British Empire for more than one hundred years, until the war had been in progress for about a year, when it was introduced and enforced in Great Britain; and, even then, we did not dream we would have to be called upon to enforce such a measure in Canada; but the world is experiencing a condition such as it never knew before. All preconceived ideas of political economy, ideas of Government and the liberty of the subject must change, if necessary, under the altered conditions as they arise, to make this world a fit place in which people may dwell in peace and security.

For four long months my colleagues and myself attempted to find some common ground with our Leader on this great issue, on which we could appeal to the country, but unfortunately we failed; and, believing as I do, that the first duty of every citizen is to do his utmost, and see that his country does its utmost, to the successful prosecution of this war, after many long and weary negotiations, I decided to accept the position in the Union Government which I now occupy.

This Government has been formed by a union of both Conservatives and Liberals for the express purpose of carrying on the affairs of the country, if elected, until the close of the war and a reasonable time thereafter in which to demobilize the army and place the country again upon a peace footing. When that has been accomplished our agreement ceases, and every member of the Government, whether Liberal or Conservative, is at perfect liberty to pursue any course which in his conscience he may deem right and proper.

We have allowed all matters of local and political interest to Canada to remain in abeyance until peace has been declared, and to devote our whole attention to the energetic prosecution of the war. Holding these views, and upon this platform, I confidently appeal to you for your support; and, if elected, promise you that not only will I give my whole energy to the great object for which this Government was constituted, but also, so far as my opinion may prevail with my colleagues, the affairs of this country will be run upon a business basis such as never existed heretofore. Patronage committees and patronage lists will be abolished, and the appointments to offices and other necessary functions of Government will be divided between both political parties in as equitable a manner as is possible. In other words, I intend to practice in office what, for the past six years, I have been preaching in opposition. I will probably not be able to accomplish all that I would like to do, but, in so far as in me lies, I will do my best to attain the goal before me.

Upon this platform, and with these objects in view, I confidently ask for your support on the seventeenth day of December next.

Sincerely yours,
F. B. CARVELL.
