Red Cross Work

At a meeting of the Grafton Red Cross Society held Dec. 13, 1917, Miss Alice Bull presented the Society with the sum of \$20.00, said sum being amount realized on a beautiful yoke which Miss Bull made and sold.

In the absence of the president, the vice president, Miss Annie Strong, on behalf of the society, tendered Miss Bull a vote of thanks, and also spoke very feelingly of the kindness and loyalty of spirit which prompted Miss Bull to such an undertaking: she said we members all realized the amount of work it must have been to go from house to house alone and sell all those tickets and she felt sure we appreciated very much her kindness in so doing.

Mrs. George Robinson, Grafton, was the happy winner.

The Society also acknowledge with thanks the sum of \$1.00 donated by Mrs. Wm Steeves, Woodstock.

Mrs. W. P. Hale, Sec'y Treas.

RECEIPTS.

(Intended for last issue)
A very enjoyable concert was held in the Belleville school house on Dec. 5, consisting of recitations and dialogues, rendered by the scholars, under the charge of their teacher, Miss Mildred I. Williams. Before and after the programme the audience was entertained by excellent selections of music on the new Edison Recreation, rendered by Mr. J. McDougall of Woodstock, which was very much appreciated by all. A very pretty centre piece was donated by Mrs. LeRoy London and sold by lottery. Miss Jessie McLellan was the lucky winner. Also tickets were sold on a mystery box given by Mrs. Herbert McBride. Ralph McBride received the box. Boxes of home made candy were sold by Mr. J. McDougall, the well known auctioneer.

MR. MARRIOTT
78 Lees Ave., Ottawa, Ont.,
August 24th, 1916.

"I think it my duty to tell you what 'Fruit-a-lives' has done for me. Three years ago, I began to feel run-down and tired, and suffered very much from Liver and Kidney Trouble. Having read of 'Fruit-a-lives', I thought I would try them. The result was surprising. During the 24 years past, I have taken them regularly and would not change for anything. I have not had an hour's sickness since I commenced using 'Fruit-a-lives', and I know now what I haven't known for good many years—that is, the blessing of a healthy body and clear thinking brain."

All Pathe' Records are double-sided—a different selection on each side. Their long, broad sound-wave, and reproduction by means of the Permanent Sapphire Ball—instead of a digging, scratching needle—produce a tone that is indescribably full, rich and natural—and, further, make the Records themselves practically indestructible. No wonder it is said that "Pathe' Records are Supreme."
