

Pay Will Be The Same

Men selected under the Military Service Act will receive the same pay as those now on active service receive. Pay will start from the time a man reports for duty. Money from the Patriotic Fund and Separation Allowance will also be available for selected men.

Canadian soldiers are well paid. The fact that wages in Canada are generally higher than those paid in Europe is recognized in the system of remuneration for men on active service. Clothing and all equipment in addition to food is also supplied to the Canadian soldier, leaving him with no expense except personal incidentals.

The rate of pay for men in the Canadian Expeditionary Force, other than commissioned officers, is as follows:

Rank	Pay \$2.00	Field Allowance 30 cts.
Warrant Officers		
Regimental Sergeant-Major, if not a Warrant Officer	1.85	20 "
Quartermaster-Sergeants	1.80	20 "
Orderly Room Clerks	1.50	20 "
Orderly Room Sergeants	1.50	20 "
Pay Sergeants	1.50	20 "
Squad, Batt., or Co. Sergeant-Major	1.60	20 "
Squad, Batt., or Co. Q.M.S.	1.60	20 "
Sergeants	1.55	15 "
Lance-Sergeants	1.15	15 "
Corporals	1.10	10 "
Lance-Corporals	1.05	10 "
Bombardiers, or Second Corporals	1.05	10 "
Trumpeters, Buglers, and Drummers	1.00	10 "
Privates, Gunners, Drivers	1.00	10 "
Sappers, Batmen, etc.	1.00	10 "

As in the case of those already gone overseas, Separation Allowances will be available for those dependent for livelihood upon selected men. The Separation Allowance is \$20.00 per month for the rank and file, \$25.00 for sergeants and staff-sergeants and \$30.00 for warrant officers. The experience is that many men can afford to assign half their pay to dependents, in addition.

A considerable number of men who have enlisted in the Canadian forces have found themselves better off under the army rate of pay, which is granted in addition to board, lodging, clothing, equipment, transportation, etc., than they were while in civilian positions. Their wants are provided for, and they receive a steady addition to the bank account each month.

TWENTY YEARS AGO

From the Sentinel
Oct. 9th, 1897.

A party of hunters, comprising
Arthur Everett, Richard Alling-
ham, Jr., Fred Manuel and John
Currie, left Woodstock, Saturday,
and in the woods at the rear of
Grafton, shot a large moose.

Among teachers holding 1st
class licenses who were up for ex-
aminations in classics and chem-
istry, to admit them to the 2nd
year, at the University, Frederic-
ton, were Geo C Crawford, Wood-
stock, and T V Hunter, Grafton.

At the close of the Sunday ev-
ening service, in the Methodist
Church, Dr Chapman regretted to
have to announce that Mrs Hol-
yoke had tendered her resigna-
tion as organist, a position which

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and
beautiful—Get a 25 cent bottle
of Danderine.

If you care for heavy hair that glis-
tens with beauty and is radiant with
life, has an incomparable softness and
is fluffy and lustrous, try Danderine.
Just one application doubles the
beauty of your hair, besides it imme-
diately dissolves every particle of
dandruff. You can not have nice
heavy, healthy hair if you have
dandruff. This destructive scurf robs
the hair of its lustre, its strength and
its very life, and if not overcome it
produces a feverishness and itching of
the scalp; the hair roots famish,
loosen and die; then the hair falls out
fast. Surely get a 25-cent bottle of
Known's Danderine from any drug
store and just try it.

torily held. Dr Chapman was
highly eulogistic in his remarks
concerning the successful service
of the retiring organist and with
the sentiments expressed the en-
tire congregation, without a
doubt, was in hearty accord.
