Four and often five spoonfuls of ordinary tea do not go any further than three of Red Rose Tea. Less Red Rose is required because it consists chiefly of rich, strong, full-flavored Assam teas.

Use Red Rose Tea and save that extra spoonful.

HIS SATANIC MAJESTY WRITES TO THE KAISER

Brilliant Satire of a Western Man Attracts Much Attention—Satan in Letter to Kaiser Heartily Approves of His Work on Behalf of Kultur—All Other Evil Doers Must Take a Back Seat.

Louis Syberkrop of Creston has acquired much fame in recent weeks as author of a satire of Kaiser Wilhelm. Requests have come to him from Secretary Tamm, Secretary Daniels and Roosevelt, and people in every state of the union and in Canada have asked for copies of Mr. Syberkrop's article. It is:

Ottumwa, Iowa,
The Infernal Region.

June 28, 1917.

To Wilhelm von Hohenzollern, King

of Prussia, Emperor of all Germany and Envy Extraordinary of Almighty God.
My Dear Wilhelm:

I can call you that familiar name for I have always been very close to you, much closer than you could ever know.

From the time that you were yet an undeveloped being in your mother's womb I have shaped your destiny for my own purpose.

In the days of Rome I created a roughneck known in history as Nero. He was a vulgar character and suited my purposes at that particular time. In these modern days a classic demon and efficient super-criminal was needed and as I know the Hohenzollern blood I picked you as my special instrument to place on earth an annex of hell. I gave you abnormal ambition, likewise an over-supply of egotism that you might not discover your own failings; I twisted your mind to that of a madman with certain normal tendencies to carry you to a most dangerous character placed in power; I gave you the power of a hypnotist and certain magnetic force that you might sway your people. I am responsible for the deformed arm that hangs helpless on your left, for your crippled condition empties your life and destroys all noble impulses that might otherwise cause me anxiety but strong sword arm is driven by your ambition that squashes all sentiment and pity; I placed in your soul a deep hatred for all things English, for all nations on earth I hate England most; wherever England plants her flag she brings order out of chaos and the hated Cross follows the Union Jack; under her rule wild tribes become tillers of the soil and in due time practical citizens; she is the great civilizer of the globe and I HATE HER. I planted in your soul a cruel hatred for your mother because SHE was English and left my good friend Bismarck to fan the flame I had kindled. Recent history proves how well our work was done. It broke your royal mother's heart, but I gained my purpose.

The inherited disease of the Hohenzollerns killed your father, just as it will kill you, and you became the ruler of Germany and a tool of mine sooner than I expected.

To assist you and farther hasten my work I sent you three evil spirits: Nietzsche, Treitschke and later Bernhardi, whose teachings inflamed the youths of Germany, who in good time would be willing and loyal subjects and eager to spill their blood and pull your chestnuts, yours and mine; the spell has been perfect—you cast your ambitious eyes towards the Mediterranean, Egypt, India and the Dardanelles and you began your great railway to Bagdad, but the

ambitious archduke and his more ambitious wife stood in your way. It was then that I sowed the seed in your heart that blossomed into the assassination of the duke and his wife and all he said when it saw how cleverly you saddled the crime on to Serbia. I saw you set sails for the fjords of Norway and I knew you would prove an alibi. How cleverly done, so much like your noble grandfather who also secured an assassin to remove old King Frederick of Denmark and later robbed that country of two provinces.

You have been an opportunity to become a naval power. Murder is a dirty work but it takes a Hohenzollern to make away and get by. Your opportunity was at hand; you set the world on fire and bells of hell were ringing; your rape on Belgium caused much joy. It was the beginning, the foundation of a perfect hell on earth, the destruction of noble cathedrals; and other infinite works of art were hailed with joy in the infernal regions. You made war on friends and foes alike and the murder of civilians showed my teachings had borne fruit. Your treachery towards neutral nations hastened a universal upheaval, the thing I most desired. Your undersea warfare is a master stroke, from the smallest mackerel pot to the great Lusitania you show no favorites; as a war lord you stand supreme, for you have no mercy; you have no consideration for the baby clinging to its mother's breast as

they both go down into the deep together, only to be torn apart and leisurely devoured by sharks among the corals.

I have strided over the battlefields of Belgium and France. I have seen your hand of destruction everywhere; it's all your hand, super-natural that I made you. I have seen the fields of Poland; now a wilderness fit for prowling beasts only; no happy children in Poland now; they all succumbed to frost and starvation. I drifted down into Galicia where formerly Jews and Gentiles lived happily together; I felt a curious pride in my pupil for it was all above my expectation. I was in Belgium when you drove the peaceful population before you like cattle into slavery; you separated man and wife and forced them to hard labor in the trenches. I have seen the most fiendish race committed to young women and those who were forced into maternity were cursing the father of their offspring, and I began to doubt if my own inferno was really up to date.

You have taken millions of dollars from innocent victims and called it indemnity; you have lived fat on the land you usurped and sent the real owners away to starvation. You have strayed away from all legalized methods of warfare and introduced a code of your own. You have killed and robbed the people of friendly nations and destroyed their property. You are a liar, a hypocrite and a bluffer of the highest magnitude. You are a partner of mine and yet you pose as a friend of God. Ah, Wilhelm, you are a wonder. You wantonly destroy all things in your path and leave nothing for coming generations.

I was ashamed when I saw you form a partnership with the impossible Turk, the chronic killer of Christians, and you a devout worshipper in the Lutheran church. I confess, Wilhelm, you are a puzzle at times. A Mohammedan army, commanded by German officers, assisting one another in massacring Christians is a new line of warfare. When a Prussian officer can witness a nude woman being disembowelled by a swarthy Turk, committing a double murder with one cut of his sabre, and calmly stand by and see a house full of innocent Armenians locked up, the house saturated with oil and fired, then my teachings did not stop with you, but have been extended to the whole German nation. I confess my Satanic evil grew sick and there and then I knew the pupil had become the master. I am a back number and, my dear Wilhelm, I abdicate in your favor. The great key of hell will be turned over to you. The gavel that has struck the doom of damned souls since time began is yours. I am satisfied with what I have done; that my adoration in your favor is in the very best interests of hell—in the future I am at your majesty's service. Affectionately and sincerely,
LUCIFER H. SATAN.

"No," replied Mr. Growcher. "You can't hope to displease everybody."

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 759 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KISSLING, 931 East 24th St., Erie, Pa.

The new Pathe' catalogue illustrating these Period Styles, is now ready. Write to us for free copy.

The New Pathe' Period Designs

The Crowning Glory of a Superb Achievement.
Wonderful Music housed in Beautiful Furniture.

THE new Pathe' Cabinets are art-objects of beauty,—worthy temples of the music that pours from them. The very loveliness of their artistic appearance is a delight to one's aesthetic sense and enhances the pleasure of their possession.

In the development of sound-producing instruments, nothing has been more "out-of-tune"—more discordant—more jarring than the plain—often ugly—boxes in which many makers housed their instruments.

It is therefore fitting that the Pathephone, which has attained such signal superiority in musical and mechanical directions, should also lead the way in the beauty of its appearance.

Their creation is the result of that same thoroughness which, during twenty-five years of restless striving after improvement upon improvement, has characterized Pathe' methods.

Men who have made the art of decoration a life-long study were commissioned to design a series of Pathephone Cabinets that would be worthy of the great name of Pathe'.

Exquisite examples of furniture periods most famous in history were selected as the models for the Pathe' Period Cabinets. The result is a collection of instruments unique and beautiful.

The following designs are now ready. See and hear them at your local Pathe' Agent.
"QUEEN ANNE," "LOUIS XVI," "SHERATON," "ADAMS," "WILLIAM & MARY."
