**WAS CONDEMNED BY
JUDGE CHANDLER**

Robichaud One of the Government
Candidates in Gloucester a
Convicted Boodler

The government has been compelled to accept Mr. Martin J. Robichaud as one of its candidates in Gloucester.

Robichaud was a member of the last House and was condemned by Commissioner Chandler for bloodletting in connection with road accounts.

Here is with the Commissioner said concerning him in his report:

"Martin J. Robichaud offered no explanation whatever for his course in connection with this matter, BUT IT IS OF COURSE OBVIOUS THAT IF 'MANY OF THE PROVINCIAL REPRESENTATIVES AGED IN THE SAME WAY AS MR. ROBICHAUD, THE WHOLE REVENUES OF THE PROVINCE WOULD HARDLY BE SUFFICIENT TO MEET THE EXPENDITURE THAT WOULD BE INCURRED.'"

Robichaud should have been forced to retire from the Legislature at the time

**AN INVESTMENT**

A second-hand Studebaker can be sold after a year, two years, or after many years of service at a price which is very high in relation to its first cost.

Why?—because Studebaker has won the confidence of the public on the character and quality of its cars. It is a standard of value, like a piece of gold, and if you wish to sell it, your car becomes an investment, which has a definite marketable value.

The buyer knows that the name Studebaker for over 64 years has stood for honesty and fairness. He knows that Studebaker heat-treated steels, Studebaker standards of accuracy, and Studebaker efficiency of manufacturing methods make Studebaker cars the highest quality cars on the market for the money.

Let us give you a demonstration.

**Weak, Anaemic, Nervous Run-down**

WHEN your system is undermined by worry or overwork—when your vitality is lowered—when you feel "anyhow"—when your nerves are "on edge"—when the least exertion tires you—you are in a run-down condition.

Your system is like a plant that is drooping for the want of water. And just as water revives a drooping plant—so Wincarnis gives new life and new vitality to a "run-down" constitution. Because Wincarnis possesses a four-fold power. It is a tonic, a restorative, a blood-builder and a nerve food—all in one. Therefore Wincarnis promotes new strength, new blood, new nerve force and new vitality.

The benefit begins from the first small dose. You can feel it doing you good. You can feel your whole system being recharged with new vitality and new life.

That is why over 10,000 doctors recommend Wincarnis.

Wincarnis quickly brings back your old-time vigor—gives a sparkle to your eyes—and coaxes the roses back to your cheeks. You look well—feel well—eat well—sleep well—and can revel in the new health and new life Wincarnis creates. But, remember, that only Wincarnis can give you this new and vigorous health. Imitations only waste your money and disappoint you.

WANTED!

MEN AND WOMEN TO ATTEND SHORT COURSES IN AGRICULTURE

FREE COURSES IN AGRICULTURE will be given at different points in New Brunswick during the months of February and March, 1917, as follows:—

Agricultural School, SUSSEX,

February 5th to 9th, inclusive.
CHEESE AND BUTTER MAKERS' COURSE,
February 12th to 24th, inclusive.

Agricultural School, WOODSTOCK,

March 12th to 16th, inclusive.
CHATHAM, March 19th to 23rd, inclusive.

The aim will be to make each course as practical as possible and also meet local conditions.

This, it is hoped, will go far to insure a full attendance.

As the courses will be short, those who purpose attending are urged to make a strong effort at the beginning and remain throughout a course.

But if you cannot arrange to be in a tendency during all of a course, don't let this prevent you from being present as much as possible.

The only expenses you will incur are for board and your railway fare at reduced rate. Purchase a single First-class ticket and secure a Standard Certificate from the Ticket Agent.

Railway fares amounting to \$2.00 or over will be refunded by the Department of Agriculture.

As each course will be adapted to meet the conditions of the section of the province in which it is held, separate programmes for the different courses are being prepared.

Write J. W. MITCHELL, Department of Agriculture, Fredericton, N. B., for application form, further information and a programme of the course you purpose attending.

Ladies are cordially invited to attend lectures and take any portion of a course in which they are interested.

New Brunswick Department of Agriculture
HON. J. A. URRAY, MINISTER.

his colleague and fellow boodler, A. J. H. Stewart, had to go, but he had sufficient pull with the Government to retain his seat. Now he is considered good enough to become a candidate for the "reformed" Murray government. Is it any wonder that the Government is finding it difficult to secure honest, capable men as candidates?

FACTS FOR THE ELECTORS

The Government which went out of power in 1908 expended \$965,000 during the last year in office. The present Government, which went into power solemnly pledged to economy, succeeded in getting away with \$1,568,484 last year. Can you see evidence of any great improvement in the public service? No. Can you find the good roads that were promised in 1909? No. Then what did they do with the money? Ask the grafters and camp followers who are urging you to give the government a new lease of power.
