

### THE ECONOMY OF A LIGHT WEIGHT CAR

"Light weight in an automobile means more than it ever did before.

"Less weight in a car means less expense for gasoline—less expense for oil—and less expense for tires. It means longer service for less cost—the very thing that is eagerly sought by every motorist. The man who drives a light car isn't carrying around a lot of excess weight which he cannot utilize but must pay for dearly in extra fuel and tire wear.

"The light car not only costs much less to operate but it is easier to drive, especially in congested traffic. For long distance driving it is far more dependable. It can travel with ease over rough roads and get in and out of places where the heavy car handicapped with its own weight could never negotiate.

"But in spite of the many advantages of the lightweight car, which anyone can easily understand, if they give the subject a moment's thought, there are many laboring under the delusion that a light car lacks strength. That is not so. If built right, the lightweight car is just as staunch and sturdy as the heavy weight car. As a rule it also possesses longer life and depreciates less in value from year to year all because there is less weight which means less strain, less wear and tear.

"Anyone skeptical on this point should inspect the Chevrolet 'Four-Ninety' touring car. Here is a car weighing less than two thousand pounds yet possessing ample strength for all uses to which it could possibly be put to and power enough for all occasions. Because of its lightweight and famous valve-in-head motor, twenty-five miles on a gallon of gasoline is a common performance for this car. And a set of tires on a 'Four-Ninety' will give exceptionally high mileage."

The Chevrolet, Model "Four-Ninety" is sold in Carleton County by G. W. Jackson, Manager J. Clark & Son, Ltd., Woodstock; H. N. Dickinson, Hartland; F. L. Tompkins, East Florenceville; W. J. Gallagher, Bath, and E. E. Cliff, Centerville.

### U. S. SOLDIER IS CRUCIFIED

Brother Finds Sergeant Spiked Against Farm Building

NEW YORK, Aug. 31.—The crucifixion of an American sergeant by Germans and the finding of the mutilated body by the sergeant's own brother is recounted in a statement issued by the Salvation Army. The authority given is Dr. P. H. Howard, a member of the St. Louis Chamber of Commerce, who visited France to gain first hand information. Dr. Howard wore the Salvation Army uniform.

**FINDS OWN BROTHER.**  
"Cole saw that it was his own brother. He took down the crucified man, asked only that the body be laid aside to get Christian burial, which was later attended to, then plunged forward. And before that day was over he had evened up the score. I cannot give the details, but the American boys were satisfied with the penalty Fritz paid for that piece of fiendishness."

Dr. Howard related another story of German barbarity. Joseph Chicano, a machine gunner, had an eye shot out and was captured. Instead of giving him first aid, his captors stood him against a wall and questioned him in German, a language he did not understand. When he failed to answer an officer shot him in the hip.

**BEGS MEDICAL AID.**  
After lying four days, suffering agonies from his untended wounds, Chicano, with his one good eye, saw the Germans being swept back by the Americans. He begged for medical assistance. A German officer paused listened to his pleadings, then, taking careful aim with his revolver, shot at his heart, barely missing it, but inflicting a third wound.

With the victorious advance of the American troops came the Red Cross and Chicano was saved. "When I left France," said Dr. Howard, "he was alive and doing nicely."

Dr. Howard concluded: "I say to the people of America, get that German or he will get you. And if he ever gets you, all your ideas of an exquisite hell will fade into nothing."

### FREQUENT HEADACHES

People with thin blood are much more subject to the ditches than full-blooded persons, and the form of anaemia that afflicts growing girls is almost always accompanied by headaches, together with disturbance of the digestive organs.

Whenever you have constant or recurring headaches and pallor of the face, they show that the blood is thin and your efforts should be directed toward building up your blood. A fair treatment with Dr. Williams' Pink Pills will do this effectively, and the rich, red blood made by these pills will remove the headache.

More disturbances to the health are caused by their blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders, try building up the blood with Dr. Williams' Pink Pills, and as the blood is restored to its normal condition every symptom of the trouble will disappear. There are more people who owe their present state of good health to Dr. Williams' Pink Pills than to any other medicine, and most of them do not hesitate to say so.

Dr. Williams' Pink Pills are sold by all dealers in medicine, or may be had by mail at 50c a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

## Order Your Phonograph Records by Mail

OUR Mail Order Department is giving hundreds of out of town Phonograph owners a complete record service. We carry 25,000 Victor and Edison Records. Every Victor Record in the catalogue and every Edison Record made. You can choose from the complete lists.

### You Receive Them On Approval.

This is the way we do it. Select from the catalogue the records you want to hear. Order by letter. Records go to you by return mail. Play them over in your home. All we ask is that you keep at least half of those sent you. Return the rest within three days from the time you receive them. If you keep three or more we pay postage both ways. We make good breakages in transit. Money must accompany the order and we refund immediately for all returns. A few music houses sell records by mail, but this is the only music house that sends records out on approval. A trial order will convince you.

Catalogues and monthly supplements sent free upon receipt of the attached coupon.

## Sheep on Every Hill Side in New Brunswick.

The New Brunswick Government through the Department of Agriculture has arranged with the Chartered Banks to help the Farmers—where assistance is needed—to buy Sheep. The Department will not only arrange to buy Sheep FOR the Farmers, but will also buy good breeders FROM the Farmers—in other words this branch of the Agricultural Department WILL SUPERVISE ALL PURCHASES AND SALES OF SHEEP.

### CREDIT FOR THE PURCHASE OF SHEEP

Every bona fide farmer who wishes to purchase sheep for breeding purposes and cannot pay cash may secure twelve months credit for two-thirds of the purchase price. GO TO THE MANAGER OF THE CHARTERED BANK IN YOUR COMMUNITY AND PLACE YOUR ORDER FOR THE NUMBER OF SHEEP REQUIRED, ACCOMPANIED WITH A CASH PAYMENT OF \$5.00 PER HEAD ON GRADES AND 1.00 PER HEAD ON PURE-BREDS. The manager will forward the order to the Department of Agriculture; the Department will purchase the sheep and deliver them to your nearest railway station. The balance of the purchase price can be paid as follows: Two-thirds, or about \$10.00 per head, by a twelve months' note, and a cash payment of about \$2.00 per head on grade sheep.

Under the credit system not more than 21 sheep can be secured by any one farmer.

Any farmer who wishes to secure a greater number and cannot purchase locally can be supplied by the Department of Agriculture for cash.

### PRICES

FIRST QUALITY stock only will be secured. All sheep will be carefully inspected before purchasing. Mature sheep are hard to obtain, therefore ewe lambs will form the major portion of the stock distributed. Prices will range from \$13.00 to \$15.00, according to size and quality, delivered at the nearest railway station. The Department has not entered upon this as a commercial transaction—THE SHEEP WILL BE PURCHASED AS CAREFULLY AS POSSIBLE AND RESOLD FOR CASH PRICE PLUS TRANSPORTATION AND HANDLING CHARGES.

### PURE BRED RAMS

The Department is now purchasing pure bred lamb and shearing rams. The lamb rams will cost from \$30.00 to \$40.00 and the shearing rams \$35.00 to \$50.00 each. Exceptional individuals will cost from \$50.00 to \$60.00 each. THE RAMS HAVE BEEN SELECTED FROM RELIABLE BREEDERS IN THE MARITIME PROVINCES, QUEBEC AND ONTARIO.

### SUITABILITY OF NEW BRUNSWICK FARMS FOR SHEEP PRODUCTION

The hilly country makes ideal conditions for sheep pasturage. Hay, roots and oats are the staple crops—they are likewise the staple sheep foods also. THE WOOL PRODUCED IN THE MARITIME PROVINCES IS THE FINEST QUALITY IN CANADA AND BRINGS THE HIGHEST PRICES. MARITIME LAMB AND MUTTON CANNOT BE SURPASSED. The system of farming followed in New Brunswick makes the keeping of a flock of sheep easy and very profitable.

### THE FUTURE

H. S. Arkell, Dominion Live Stock Commissioner, states: "That sheep products have no doubt reached their maximum price, but that he cannot see any reason for a material decline in the price for at least ten years.

Unwashed wool is worth from 70c to 80c per pound, according to grade. Good lambs from \$10.00 to \$13.00 each. Under careful management the first clip of wool and the first crop of lambs will pay for the foundation stock.

If possible, purchase locally. Secure foundation stock from your neighbors immediately if available—NOT ONE EWE LAMB SUITABLE FOR BREEDING SHOULD BE SLAUGHTERED THIS YEAR.

### PROCEDURE TO PROCURE SHEEP

IF YOU CANNOT PURCHASE LOCALLY, PLACE YOUR ORDER IMMEDIATELY WITH YOUR LOCAL BANK MANAGER. HE WILL FORWARD IT TO THE DEPARTMENT OF AGRICULTURE, FREDERICTON. Unless orders are given it will be impossible to secure in time to make delivery before winter sets in.

This is a business proposition—think it over—decide and see your banker. For further information apply to THOS. HETHERINGTON, Livestock Superintendent, Department of Agriculture, Fredericton.
