Sir Thomas White's Appeal to Canadians

Points Out Great Need of the Victory Loan to Carry On the War.

On the opening of Canada's great Victory Loan drive the Minister of Finance issued the following message:—

To the People of Canada: The Victory Loan of 1918 is not being offered for public subscription as an undertaking of mass finance, nor too earnestly emphasize the duty and responsibility resting upon all citizens of Canada to co-operate to the extent of their available resources in making it an unqualified success.

SIR THOMAS WHITE

Minister of Finance under whose direction the great Victory Loan drive for \$500,000,000 is being made.

The money to be raised is urgently required to enable us to continue the prosecution of the war, now in its fifth and most crucial year, and for the maintenance of the prosperity of the Dominion in all departments of productive activity.

Apart from patriotic considerations which should alone suffice, it is the direct, immediate, personal interest of every individual Canadian citizen that the Loan should not fall of its objective. The bonds afford absolute security and yield a most attractive rate of interest. Undoubtedly, in the period succeeding the war, they will show a substantial appreciation in value.

All citizens are earnestly invited to subscribe. Remember, you are asked not to give but to lend your money to the state. Small subscriptions from those of slender means are as welcome as the large. In the last Victory Loan we received subscriptions of over four hundred million dollars from over eight hundred thousand subscribers. This year we expect five hundred million dollars from more than a million subscribers.

Let all subscribe to the extent of their means, be they great or small, and once more demonstrate to the world the strength, unity and determination of the Canadian people in this world struggle. Even if the war should end at an earlier date than has been anticipated, all the money asked for will be required for the purposes of demobilization, which will extend over many months, and for the continuation of credits for the purchase of Canadian products. The organization and publicity work in connection with the Loan has been completed after many weeks of effort. It now remains for the people of Canada to do their share. That they will do so to the fullest degree, I am entirely confident.

W. T. WHITE.

Ottawa, Oct. 28th, 1918.

CANADIAN ARMY AND THE VICTORY LOAN

War Costing Canada Over Million Dollars a Day — \$400,000,000 Will Be This Year's Bill.

Nearly 600,000 have been enrolled in the Canadian Expeditionary Force.

## DON'T COMPLAIN!

They give immediate relief from Backache, Mucous, Brick Dust, Dropsy and other troubles caused by congested kidneys. Sold for 50c, a box almost 10c.

About 425,000 have gone overseas. Canada's 1918 war bill will be \$400,000,000. Canada's 1917 war bill was \$320,000,000. Canada's war expenditure is now \$33,000,000 a month. It exceeds \$1,000,000 a day. The \$420,000,000 subscribed to the 1917 Victory Loan will not do much more than pay this year's war bill. \$500,000,000 are needed through the Victory Loan, even though peace should come to-morrow.

### BANKS WILL LEND.

In order to help out small subscribers to the Victory Loan, the banks will lend subscribers, on the probable certainty of repayment within a year, up to 90 per cent. of the amount of the investment in the Loan. The rate of interest charged by the banks is 5 per cent. Repayment is to be made monthly and quarterly. These are much better terms than were granted last year.

There are over 125,000 Canadians overseas who will have to be kept for at least a year, even if peace were to come this month.

No one who looks at the casualty lists can do otherwise than subscribe very dollar possible to the Victory Loan.

The Canadians in France have set high standards for those at home to such in the Victory Loan drive. Canada must put every cent of her money into the Victory Loan drive.

Over-subscribing to the Victory Loan would have a beneficial effect on the Canadian Empire. It would be the best thing that could possibly be done.

## YOU DON'T NEED TO GO

on suffering with that obstinate sore, if you will only use Zam-Buk—the great hermal skin cure. This balm, owing to its unique composition, is the very thing for sores and skin troubles that have resisted ordinary treatments.

Mrs. Herbert Cox, of Port McNicoll, Ontario, writes: "For nine years I suffered with an abscess on my face, which was both painful and disfiguring. I had the abscess lanced repeatedly, but it still remained. I also tried ordinary ointments, but without any permanent benefit. Finally the doctor told me I had a tumor on the bone, and would have to undergo an operation, which I did; but instead of improving, the wound only became worse. I was in despair when a friend got me to try Zam-Buk. I soon noticed a marked improvement. Zam-Buk seemed to get to the very root of the trouble, and in the end the abscess was entirely cured—not even leaving a scar. This was a year ago, and there has been no return of the trouble."

Zam-Buk is not a mere ointment, but a rich hermal balm. Unequaled for eczema, scaly sores, ringworm, boils, bad legs, blood-poisoning, piles, cuts, burns, sprains, scalds, and all skin injuries. Etc. box 3 for \$1.25, all druggists or Zam-Buk Co., Toronto. Send 1c. stamp for postage on free trial box.

### NOTICE TO SOLDIERS ON HARVEST LEAVE.

Attention is directed to a recent announcement published in the Press by the Military Service Branch, Department of Justice, regarding extensions to be granted to men EXEMPTED AS FARMERS.

It is pointed out that this DOES NOT IN ANY WAY AFFECT MEN WHO HAVE BEEN ORDERED BY THE REGISTRAR TO REPORT TO Depot Battalions and who have thereafter received leave of absence from the Military Authorities.

Once a man has been ordered to report for duty by the Registrar he leaves the jurisdiction of the Registrar and comes under that of the Department of Militia and Defence, and is to be considered as a soldier. This applies to men of the 20 to 22 Class who have been ordered to report by the Registrar in virtue of the cancellation of exemptions by Order-in-Council of the 20th April last, as well as to those ordered to report in the usual way on refusal of claim for exemption, or on expiration of exemption granted.

All men, accordingly, who have been ordered to report, and are therefore SOLDIERS, and who have subsequently been granted harvest leave by the military authorities, MUST, NOTWITHSTANDING THE NOTICE ABOVE REFERRED TO, REPORT ON THE EXPIRATION OF THAT LEAVE, unless they are notified to the contrary by their Commanding Officer or by general notice published by the Department of Militia and Defence.
