The trial in connection with the theft of liquor from the agency, is going on today before P. M. Holyoke.

The Lindsay Red Cross Society sent 20 pairs of socks to the Soldiers Comforts on Oct. 10th.

The sympathy of the whole community goes out to Mr. and Mrs. Walter Cogger in the death of their baby, which occurred quite suddenly Sunday morning.

The many friends of Dr. and Mrs. H. J. Pugsley, Brunswick street, are sorry to learn they have met with another loss. Mrs. Pugsley's brother, Mr. Mayes McCrea of McDonald's Point, Queens county, died of pneumonia on Nov. 28th.—Gleaner.

For infraction of the Child Labor Law the Smith Lumber Company was fined before Police Magistrate Holyoke, on Wednesday. The information was laid by factory inspector Kinney who was present at the trial. Children under 14 years of age cannot be employed in mills or factories, and the law is being rigidly enforced.

Ernest Clark, a young man well known in Jacksonville and vicinity, has been awarded the Military Medal and Bar for bravery in the recent heavy fighting (Aug 8th and 26th) when he was also promoted to Lance Corporal. He went overseas in Sept. 1916, with the 140th Battalion, and was later transferred to the 26th Batt. He was wounded twice, once in August, 1917, when he was out of the line for a few weeks, and in the recent fight, but not seriously enough to leave the line.

It is not stated that anyone is running a liquor agency in a spot near the railway track, but by the number of bottles picked up in this vicinity somebody must be doing a land office business. A resident last week gathered one bottle Scotch whiskey, one bottle S. O. S., and one bottle Canadian rye—all empty. Dozens have been found before this. It hardly seems right to furnish the grounds for the distribution of liquors, and only be allowed the empty bottles and the smell of the cork for rental. So, unless this underground agency leaves a sealed bottle now and then a high fence, with a roof, may be built at this particular spot.

The ladies of the Canterbury Red Cross Society met for the first time since the ban was lifted at the home of Mrs. Herbert L. Carr. The members of this branch have done excellent work during the past months and wish to thank those outside the society who have helped so generously. Boxes have been shipped to the Local Red Cross Rooms consisting of 304 pairs socks. Several pairs socks and 2 sweaters were sent to Canterbury boys now overseas. Frances Day was observed, and the sum of \$43.60 was realized. Christmas stockings, to the amount of \$40.00 was raised for our sick and wounded men in hospitals and homes overseas. The ladies of this branch are willing to help along the good work, as long as the appeal comes.

Helpless in Bed With Rheumatism Until He Took "FRUIT-A-TIVES".

MR. ALEXANDER MUNRO

R. No. 1, Lorne, Ont.

"For over three years, I was confined to bed with Rheumatism. During that time I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit.

Finally, I decided to try "Fruit-a-tives". Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place".

## "VETERAN" MAKES TIMELY SUGGESTION

Soldiers' Monument In Public Place.

The Sentinel:—

It is pleasing to note that there is an agitation for a suitable memorial for our fallen soldiers. While all the suggestions made are worthy of consideration, it would seem appropriate that a heroic monument should be erected in the most public and conspicuous place in town.

I have been struck in my travels with the sites chosen for memorials of this nature. In nearly every case they are in public squares, parks or busy

thoroughfares. What better location than in the square at the foot of Main Street? The record of the brave lads cannot be made too public.

Prepare a spot, nicely terraced and enclosed with a neat bronze fence, and erect a commanding monument that will remind every passerby of the tragic story of Flanders Field, and the sacrifice made for humanity.
