MAKE BREATHING EASY

TWENTY YEARS AGO

From the Sentinel
October 8, 1898

J. C. Gibson, J. T. Garden and J. N. W. Winslow have returned from their Tobique hunting trip. No game, but a good time.

John Vassio, a retired dry goods merchant, formerly of St. John, died at his home near Edinburgh, Scot., last Friday, aged 83.

Mr. and Mrs. J. A. Lindsay, with a company of friends, are enjoying a hunting outing at Camp Lowell, about five miles west of Houlton.

Rev. Fr. Tripple, for some time associated with St. Peter's church, St. John, died Sunday. He was 46 years old; was ordained a priest in 1877.

Thomas Chalmers and wife, of Boston, are visiting Mrs. Chalmers' sister, Mrs. F. B. Carvill. Mr. C. is a Woodstock boy and holds a lucrative position in the Hub.

Registers at the Wberdeen: W. J. Wilson, Ottawa; H. Dickinson, Hartland; A. Mack and wife, Beaufort; Geo. D. Baskin, McAdam; Jas. A. Swan, Sherbrooke.

J. T. A. Dibble, Mrs. Dibble and their daughter, Maud, left for Boston, last week, where Miss Dibble goes to take a course at the Emerson School of Oratory.

Mrs. Arch Davies and children left Pebl, Oct. 4th, for their home in Kamloops, B. C. Mrs. Davies has spent the last year in N. B., mainly for her health and to visit old friends as well.

H. T. Scholey, Centreville; John R. Tompkins, East Florenceville; N. H. Tompkins, Joseph Speer, A. Franklin, Florenceville; and John T. G. Carr, Hartland, were at the Carleton on Tuesday.

Registered at the Victoria: V. S. Tompkins, John Oldham, Mrs. Oldham, Master J. P. Oldham, Southampton; William Armstrong, Lakeville; Dr. J. R. Hagerman, A. D. Mc Cain, Florenceville.

Manager Sanderson of the Bank of Nova Scotia, is away spending his vacation in the woods and by the lakes, hunting and fishing. Mr. Rowley, of Fredericton, is in charge of the bank here during Mr. Sanderson's absence.

Gordon Townsend, a young man well known in this place, who has filled several positions as clerk in the same building as that occupied by business houses and at one time con-

ducted a grocery business, died last week at his residence, of typhoid fever, aged 21 years.

Mr. and Mrs. Lewis Dalton, of Houlton, passed through Woodstock, Wednesday, on their honeymoon trip through the province. The marriage ceremony took place Wednesday morning. Mrs. Dalton is a daughter of Robert Palmer, who is well known in this town.

At the N. B. University matriculation examination at Fredericton, the following were among the county scholarship winners: H. T. Drysdale, Woodstock, Carleton Co.; Harold Perley, Andover, Victoria Co. These two young gentlemen also entered the Freshman class, and Cyrus Acheson, Elmville, Carleton Co., was admitted to the second year.

The Ladies Auxiliary, D. O. E., in connection with the A. O. E., held a highly successful social and dance in their rooms, on Wednesday evening, Professor Robinson, Houlton, was the violinist and Harry Lee presided as the organ; Jas. Brown was prompter. A number of friends from Hartland were present. The efficient committee, who had the matter in hand, was Miss Nellie McAdams, Neillie McMillen, Mamie McClement and Daisy Hughes.

Dr. E. N. Case of Chicago, Ill., who visited Mrs. Case's parents, Mr. and Mrs. J. D. Brewer, for a week returned home last Saturday. The doctor is interested in a large iron and steel manufacturing company, and has made several trips here to inspect the Upper Woodstock iron works. The SENTINEL understands that the samples of ore sent away by the doctor, proved satisfactory for the use of the company, and there is every probability of the reopening of the iron works in the near future.

NEWBURY.

We can tell by the trees. By the sighing of the breeze, The robin's notes are still, On the trees in vale and hill, The swallow's gone, and Bee To its home beyond the sea, It is Autumn.

Mr. and Mrs. Barker, Houlton, spent Sunday here with their daughter, Mrs. Walter Sparrow. Mr. Barker is a native of this place, having left here when a boy, 52 years ago, since then he sees a great change; new roads have been made, homesteads won from the forests, churches erected, spacious school houses adorning each district and improvements in every way, physically, morally and mentally, but still the roads could be much improved on some of the rutted removed would not hurt in the least.

Mr. Wm. Gilbert, Madison, Me., who left here a young fellow, nine years ago, came last Friday to revisit his old home, the whole way here two hundred miles, on his wheel, he will spend a few weeks among his friends, and return home to his wife and children.

Michael Gallagher, Jr., intends going outside soon, we will miss him much as he is one of our most popular young men. A little visitor arrived at Mr. Patrick Montague's Friday, 7th inst, it is a girl, also.

Mr. Sparrow took a crew in the woods, back from Carr's mill, Monday. Mr. Sparrow is enlarging each year his lumber business.

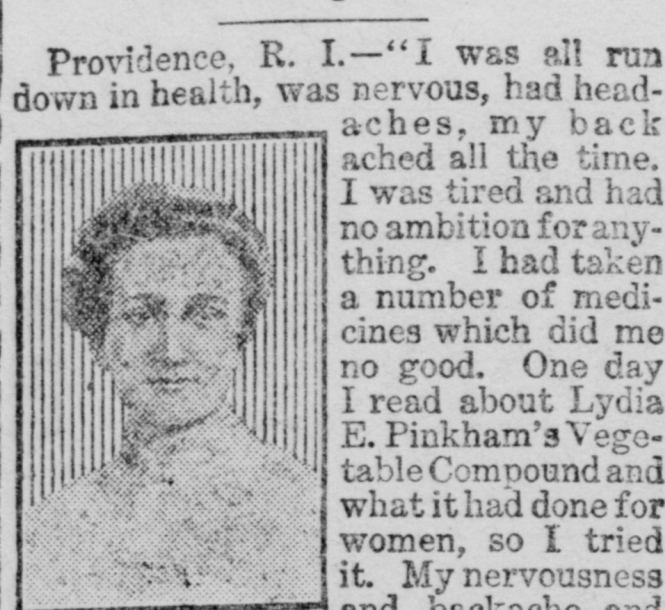

Messrs. Thos. and Frank Ryan have also a crew in the woods, in the same place, they are doing well, too. Mrs. Marcellus Ryan, Woodstock, and Mr. and Mrs. Mayer, Wollestone, Mass. spent a day among us last week.

HARTLAND.

Miss Bertie Sewell, of Rockland, has opened a dress-making store in the same building as that occupied by Miss Bertie McAdam, the mill-

HOW TO AVOID BACKACHE AND NERVOUSNESS

Told by Mrs. Lynch From Own Experience.

Providence, R. I.—"I was all run down in health, was nervous, had headaches, my back ached all the time. I was tired and had no ambition for anything. I had taken a number of medicines which did me no good. One day I read about Lydia E. Pinkham's Vegetable Compound and what it had done for women, so I tried it. My nervousness and backache and headaches disappeared. I gained in weight and feel fine, so I can honestly recommend Lydia E. Pinkham's Vegetable Compound to any woman who is suffering as I was."—Mrs. ADELINA B. LYNCH, 100 Plain St., Providence, R. I.

Backache and nervousness are symptoms of nature's warning, that the system is out of balance. It is an unhealthy condition which often develops into a more serious ailment. Women in this condition should not continue to drag along without help, but profit by Mrs. Lynch's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

Messrs. Keith & Pfumner are pushing forward the work on the foundation for their new store.

The annual school meeting passed off quietly; the old board of trustees was re-elected.

Gordon McAdam, who has been at work in Boston, has returned home. A seventh day Advent preacher has pitched his tent here, the same who was recently holding forth in Woodstock.

Considerable interest was manifested here in the Foster meeting in Woodstock, a good many going down.

We are to have another blacksmith, the fifth, to hang out his shingle?; there seems to be a share for all. Harry Plaskie, relieving C. P. R. agent, is home again; his last station was Keswick.

Farm produce is coming in at a good rate and is finding a ready market. Live stock is being shipped from here every week to the American and Canadian markets.

C. Humphrey Taylor is having a very showy sign painted upon the side of his brick building.

The stand of the Sentinel upon prohibition has made its old friends solid, and we trust, won many new ones.

It was a pleasing event which took place here today, when Judd Magee, youngest son of Deacon Wm. Magee, of the Free Baptist Church, was united in marriage, to Miss Pauline Chase, daughter of Deacon Chas. Chase, of the same church. The ceremony was performed by their pastor, Rev. J. B. Daggett, at the home of the bride's parents. Only the immediate friends of the contracting parties were present. Mr. and Mrs. Magee have a large circle of friends and all unite in wishing them a long and prosperous life.

OBITUARY

William Kidney, of Lindsay, N. B., died at the Presque Isle Hospital, at an early hour on Tuesday morning, Oct. 1st, from injuries received the previous evening in an auto and train accident at that place. He was 52 years of age, and leaves to mourn the loss of a kind and loving husband and father, a wife, two sons, Claude and Allen, and one daughter, Olla, an aged mother, Mrs. Charlotte Kidney, and three brothers, George and Howard, of Presque Isle, Me., and John of California.

Also at the same place and at the same date, Gladys, the nineteen year old daughter of the late William and Hannah Kidney, died from injuries and shock received, she being in the auto at the time of the accident, which caused the death of her father and two uncles. She leaves to mourn their loss, her mother, Mrs. Hannah Kidney, two brothers and one sister. Gladys was a general favorite, and her sad and sudden death came as a very great shock to her many friends.

The long procession of teams which followed the remains of the father and daughter to their last resting place, at the Bloomfield cemetery, testified to the esteem in which they were held in the community in which they resided.

The funeral service was conducted

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots perish, loosen and die; then the hair falls out fast. Surely get a small bottle of Kaowit's Danderine from any drug store and just try it.

NEWLY DISCOVERED USES FOR GLUE

NEW YORK, September 30, 1913.—With our government demanding, at possible conservation in American households, several newly discovered uses for glue present to the thoughtful woman opportunities to prolong the life of household articles.

As every family has, or should have on hand a bottle or tube of good glue, the following practical suggestions can be acted upon without delay or expense.

TO PUT NEW LIFE IN AN OLD BROOM. A tablespoonful of glue mixed in a basin of hot water poured over a broom and then allowed to thoroughly dry will greatly stiffen it, and prolong its usefulness and life.

WHEN SHOES BECOME BARKED OR SCARRED.

Very often a small piece of leather is lifted or loosened. Don't cut it off and try to cover the place with blacking. Flatten the piece in place with a little glue and allow to dry. Then apply blacking and the surface will be as good as new.

FOR TEARS OR RENTS IN SILK. Another piece of silk or fabric of the same color placed under the tear with a thin coat of glue will bring the edges more firmly together than can be done with a needle. Allow to dry thoroughly and rent

will be almost invisible.

A SPLNDID WAY TO KEEP RUBBERS FROM SLIPPING.

Rubber overshoes often become so loose that they slip off the heels, especially in the winter and spring when the ground is muddy or slushy. This annoying trouble can be entirely eliminated by gluing a felt band around the inside top of the rubber.

TO PROTECT FURS AND WOOL-ENS FROM MOTHS.

It is commonly known that moths very much dislike the color of ink in old newspapers. Several thicknesses of old newspapers firmly glued together may be made into the form of a bag and the garment placed inside. After the ends and all points are firmly sealed with glue, the bag is absolutely moth and dust proof, and your protection from moths has cost practically nothing.

GUARD THE CHILDREN FROM AUTUMN COLDS

The Fall weather is the most severe season of the year for colds—one day is warm, the next is wet and cold and unless the mother is on her guard the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers' best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose will prevent cold or if it does come on suddenly the prompt use of the Tablets will quickly cure it.

The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

A SONG FOR MARCHING MEN

O, who will give us a song for them—
The silent marching men?
A martial song with a swing in it,
With measured rhythm and ring in it,
A song for marching men.

O, who will give us a song for them—
The silent marching men?
A gallant song with a cheer in it,
A tender song with a tear in it,
And never a taint of fear in it,
A song for marching men.

O, who will give us a song for them—
The silent marching men?
Trumpet and bugle and fife in it,
The passion and pride of life in it,
And the old mad jig of strife in it,
A song for marching men.

O, who will give us a song for them—
The silent marching men?
With iron and blood and truth in it,
Vision and beauty and ruth in it,
Terrible pathos of youth in it,
A song for marching men.

O, who will give us a song for them—
The silent marching men?
With a sacred wordless space in it,
With a clinging last embrace in it,
A song with a woman's face in it,
A song for marching men.

O, who will give us a song for them—
The silent marching men?
A scorn for the tyrant's rod in it,
A thought of the crimsoned sod in it,
A faith in the Living God in it,
A song for marching men.

Helping Nature, the Key to Good Health

Watch for these Symptoms

Kidney or Bladder affections don't develop seriously until Nature has given you plenty of warning that the trouble has commenced.

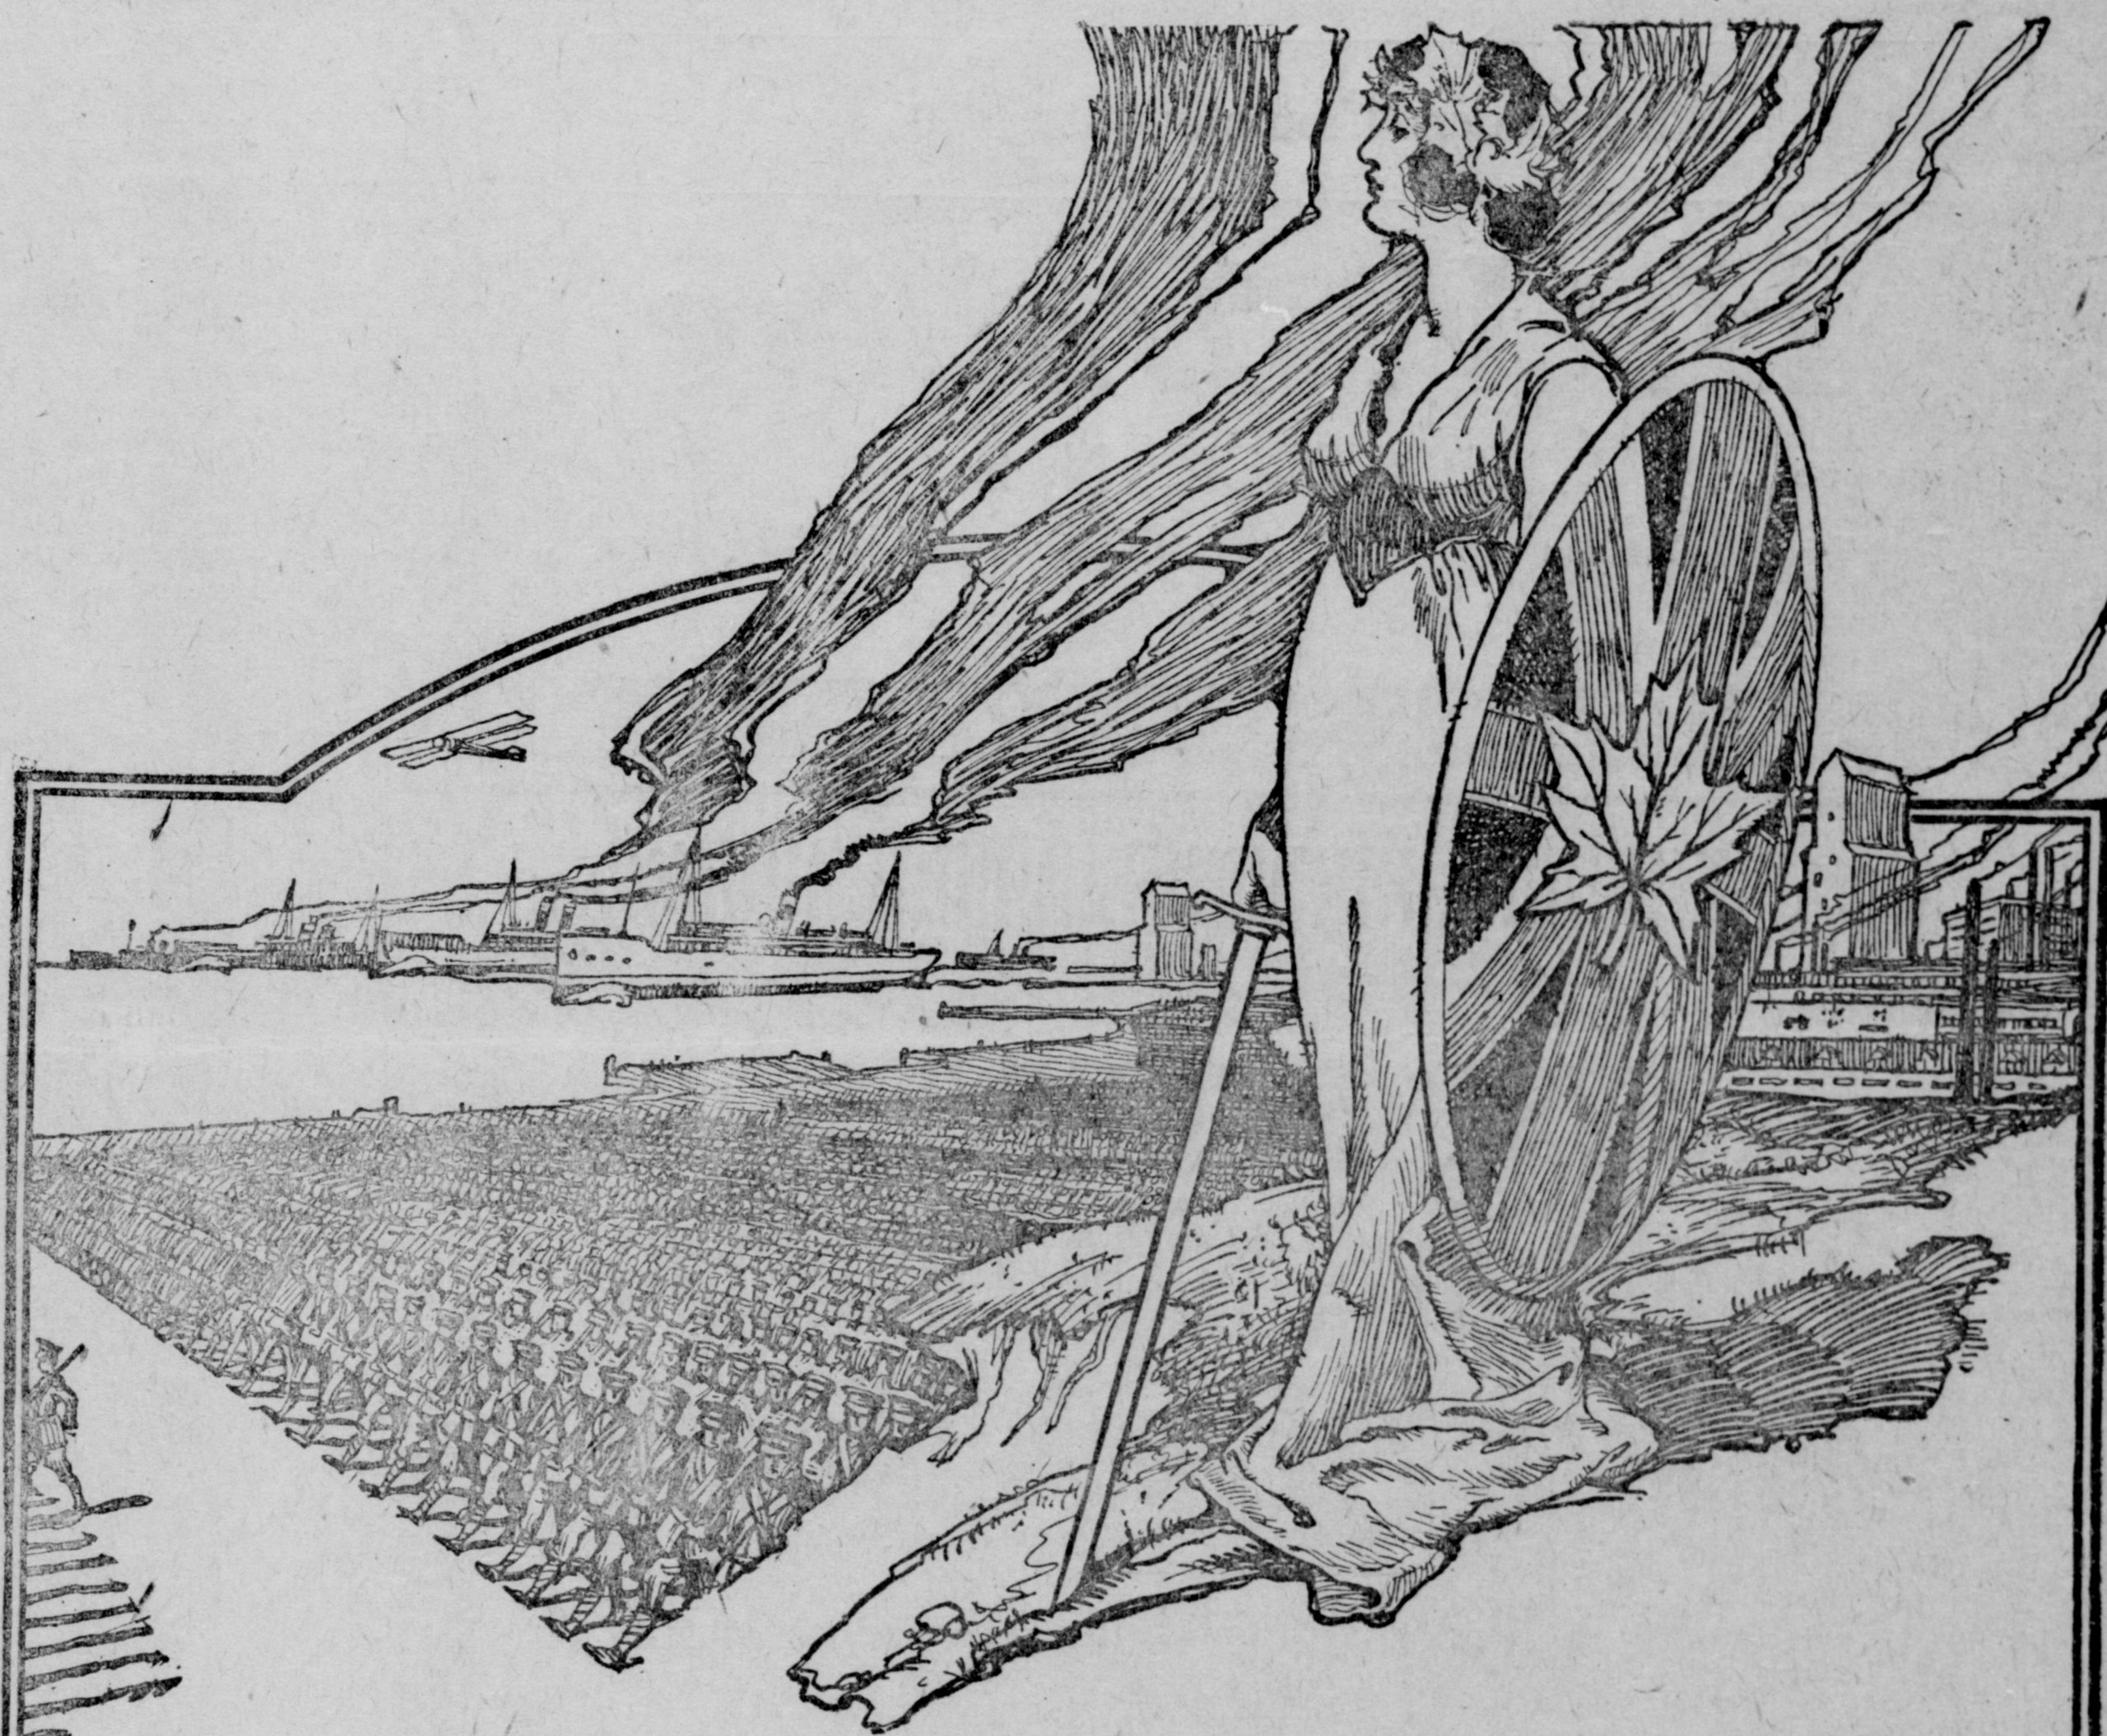

Constant headaches, dizziness, pains in the back or sides, swollen joints and ankles, brick dust deposits, or painful urination should make you realize positively and beyond doubt that your kidneys are out of order and need assistance.

Nature is wise and never sends out unnecessary or foolish warnings. Her call is for help, and you must do your part by bringing relief to those overburdened kidneys, or suffer the consequences.

Rheumatism, Lumbago, Sciatica, Gravel, Stone in the Bladder, Neuralgia, etc., are all caused by inflamed or congested kidneys and the consequent deranged kidney action. Don't suffer the agonies produced by these diseases. Help Nature to relieve the congestion—to heal those inflamed kidneys and to make them strong once more—by taking Gin Pills.

Gin Pills are the best remedy for Kidney and Bladder troubles on the market to-day. This is a fact proven by hundreds of testimonials. Try them and be sure of instant relief. For sale everywhere at 50c a box. A sample box free if you write to—

Why Canada must borrow money to carry on

Because Canada has put her hand to the plow and will not turn back:—

—our country is in the war on the side of liberty and justice and will stay in it till complete victory is won and the unspeakable Hun is smashed and beaten to the ground;

—a nation at war must make tremendous expenditures in cash to keep up her armies and supply them with munitions, food and clothing;

—Canada must finance many millions of dollars of export trade in food, munitions and supplies which Britain and our allies must have on credit;

—for these purposes Canada must

borrow hundreds of millions of dollars—

And, this money must be borrowed from the people of Canada:—

Therefore, Canada will presently come to her people for a new Victory Loan to carry on.

★ ★ ★

Canadians will loan the money by again buying Victory Bonds.

The national safety, the national honor and the national well-being require that each and every Canadian shall do his duty by lending to the nation every cent he can spare for this purpose.

Be ready when the call comes to see your country through in its great war work
