

Music a Real Necessity in Time of War

Music has justified itself as a factor of real service in this hour of trial. Not only to the man at the front do there come times of loneliness and discouragement. Those who remain at home have their share of the world's burden. They need the inspiration, the encouragement, the soul-satisfying comfort of music in the home.

The NEW EDISON

"The Phonograph with a Soul"

Re-creates the human voice and the music of human-played instruments with such fidelity that the actual voices and instruments cannot be distinguished from the New Edison's Re-Creation of them. But you will never fully believe what any dealer tells you when they make conflicting statements.

The wise way to choose your phonograph is to let all claims pass in one ear and out the other, then have the several makes of phonographs and talking machines in which you are interested sent to your home on trial, where you may make direct comparisons among them in the quiet of your own home and decide which one you would like to keep—which one you think you would enjoy hearing just as much five years from now as you do to-day.

We will gladly send a New Edison to your home, for purposes of comparison or to be heard alone, without the slightest obligation on your part.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

TWENTY YEARS AGO

From the Sentinel
December 19, 1898

While engaged in threshing one day last week, Ray, son of Mr. George Mallory of Jacksonville, had his left hand caught in the cogs of the machine, mangle the hand so that three fingers had to be amputated. Drs Kierstead, Sprague and Seacord performed the surgical operation.

A large congregation filled the Presbyterian Church to witness the interesting ceremonies attending the ordination of Rev George D Ireland to the ministry and his induction to the pastorate of St Paul's church this town. The clergymen taking part in the service were: Rev W W Rainnie of John, offered the ordination prayers; Rev W I Fowler of Kirkland delivered an effective sermon from Luke 19:28; the address to the Pastor was delivered by Rev L G McNeill of St John, and that to the congregation by Rev James McLean of Harvey. After the close Rev Mr Ireland pronounced the benediction and then proceeded to one of the main entrances to the church, where those who passed out were introduced to him. Large congregations were

SEND NAMES OF SOLDIERS

In order to have a complete record of those who enlisted, from Woodstock and Carleton County, it is requested that friends and relatives will fill out the following coupon and mail to the Sentinel. It is earnestly hoped that this will be done in order that an accurate list may be compiled and aid in proper recognition being given the brave soldier boys who fought for humanity's cause:

Name of Soldier.....No.....
Rank.....Battalion.....
Date of Enlistment.....
If Transferred, to What.....
If Wounded, Date and Place.....
When Discharged.....
Date and Place of Death.....

present at St Paul's on Sunday morning and evening, when the newly inducted pastor occupied the pulpit in a most acceptable manner.

UPPER WOODSTOCK

Miss Helen Alexander, Fred-erick Junction, came here last Saturday. She is visiting her uncle, Charles Alexander.

Albert Brewor came home from Edmundston, where he has had a government contract building

granite piers for a bridge. Charles True, who had charge of the work returned home on Tuesday of last week. He is now building himself a barn.

The C P R has shortened up the bridge crews for the winter. George Chapman's men were all discharged a short time ago, and Frank Currie's crew has been reduced to four men. Last season they made extension repairs on the R R bridge here, and built up

Concerning Motor Car Shortage for the Season of 1919

Although we have anticipated a heavy curtailment in the 1919 production of passenger Motor Cars for the past six months, until recently we entertained some hope of being able to obtain at least twenty-five per cent of our normal turnover. We have been advised by the McLaughlin Motor Car Co, under date of October 30th, last, that our allotment of their 1919 production will amount to one seventh of our past season's supply. As the McLaughlin Motor Car, is one of the oldest and strongest corporations in Canada manufacturing automobiles, it can be accepted as very good indication of conditions generally. The entire production of the McLaughlin Motor Car Co., for the season of 1919, is already sold to dealers and will be finished up and distributed within the next few months.

Our object in making this announcement is in order to give everybody an equal chance to secure a McLaughlin Car.

We will book orders for the various Models until our allotment is disposed of, at prices prevailing date goods are shipped. Prices will no doubt keep advancing until the last of the stock is disposed of.

We will have as full a stock as possible to secure, on hand at our show room, until the supply is exhausted.

Kindly call, inspect them and have a demonstration.
