## YOUR CUP OF TEA

Your cup of Tea means much to you. It is more than an item in the daily fare. It is the one thing that "rounds off"—or spoils—an enjoyable repast. Tea is fortunately so cheap in this country that there are few who cannot afford *Choice Tea*. The cost per pound is only slightly higher than ordinary Tea, while the increased pleasure you get from every cup you make is worth many times the difference. It is true also, that a FLAVOR-FULL Tea like KING COLE'S Orange Pekoe will actually spend further—that is, make more cups to the pound. KING COLE'S Orange Pekoe is prepared particularly for lovers of *Choice Tea*.
