At the Methodist church, Woodstock, on the 9th inst., by Rev. Dr. Chapman, Mr. Charles V. Wetmore and Miss Josephine Watts, second daughter of James Watts, Esq.

Young & Comben have moved their law office to pleasant quarters in Manzer's building, Main street, over Mooers' harness shop.

The Smith Bros. of Windsor, have been doing good work at hay pressing in Middle Simonds. With a Sweep press and a crew of four men, in eight days they pressed 201 ton, 13 cwt., working only 10 hours per day. During this time they moved and set up three times, losing about nine hours in so doing. Their best day's work was in the barn of W. Raymond and amounted to 15 ton, 12 cwt., and the next best

was 15 ton, 6 cwt. The crew average in weight about 145 pounds and can be justly termed the champion hay pressers. When their record is broken they will try again.

The members of Ivanhoe Lodge, K. of P., gave a farewell supper, at Williamson's restaurant, Tuesday evening, to two of their members, John Lee late of the firm of Burr & Lee, and Chas. Munro late traveller for the Baird Company, previous to their departure for the West.

The Chancellor Commander, W. P. Jones ably presided. During the supper, which was served in Host Williamson's usual satisfactory manner, little Miss Cynic charmed her hearers with a solo, and Fred Mooers acceptably rendered songs; Harry Lee presided at the piano.

When the cigars were lighted, speech making began, and the following toasts were proposed and responded to—

The Queen—God save th

Queen.

Departing Brethren—John Lee and Chas. Munro.

Past Chancellors—J. C. Hartley, W. B. Nicholson, H. V. Mooers, Frank Foster, Ernest Holyoke.

Press—John P. Malaney of SENTINEL.

Medical Profession—Drs. Sprague, Rankin and Kirkpatrick.

Commercial Interests—C. Taber, W. Snow, B. Craig, N. Brawn, S. Hull.

The company, at midnight, sang Auld Lang Syne, and dispersed.

Though not as largely attended as previous occasions of the kind, a fairly good crowd of spectators witnessed the carnival in the roller rink Wednesday evening. The numbers on the floor were comparatively small; some of the costumes were very creditable, while many were gotten up hurriedly for the occasion. The affair was well managed and the

prizes given proved satisfactory. The judges were—A. W. Phillips, Bristol; Thomas Fewer, Clarence Kirkpatrick; and the prize winners as follows:
Gent's original, Frank Gilman; ladies' original, Eliza Haulon; gent's handsomest, Currie Nason; ladies' handsomest, Kate McCann; boys' handsomest, Roy Vanwart; girls' handsomest, Beulah Kerr.

CONSTIPATED CHILDREN

Nothing will so quickly remove childhood constipation as will Baby's Own Tablets. They are a mild but thoroughly laxative; are pleasant to take; do not gripe and never fail to regulate the stomach and bowels. Concerning them Mrs. Adolphe Noel, Petite Lameque, Que., says: "Baby's Own Tablets are the best remedy for constipation I know of and I would strongly recommend them to all mothers of little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"Father," said the young seeker after knowledge. "Why do words have roots?"
"I suppose," answered the weary parent, "So that the language can grow."

THICK, GLOSSY HAIR
FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scourge robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots furnish, loosen and die; the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.
