## THIS WEEK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's  
Vegetable Compound  
Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition. I was worried most of the time—and he said if I could not stop that, I could not get well. I heard somewhere about Lydia E. Pinkham's Vegetable Compound. My husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

## TWENTY YEARS AGO

From the Sentinel  
June 4, 1898

Telegraph—Mrs. Little returned today to her home at Apohaqui after a visit to her sister, Mrs. McLean, of Woodstock.

## "CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach,  
Sluggish Liver and Bowels—  
Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause you to feel as though you were filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

## BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again  
"FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

8 Ottawa St., Hull, P. Q.  
"Fruit-a-tives" is certainly a wonder. For a year, I suffered with Rheumatism; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.

The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

LORENZO LEDUC.

## LAKEVILLE.

Wilson and White have purchased a building lot north of Colin King's shop and are at work blasting out the rock to build this summer. The main building will be next Mr. King and an ell run to the north for freight, also a large ice house can be attached for summer use. This firm means business; such a store would be a great addition to our village. As it is we can get anything we need mostly without driving half a day. There will be a grand chance for a millinery and dress making store at the old stand. It is a good opening for the right ones.

Mr. William Emery's son Tom, is very ill with pneumonia.

Rev. Mr. Distant will preach in Williamstown on Saturday morning, in exchange with Bro. Layard.

Mr. Thomas Baker spent Sunday in Lakeville.

We are glad to have Mr. and Mrs. Merrithew with us again. We were equally sorry to part with Mr. and Mrs. Plummer; Mrs. Plummer made many friends during her short stay with us.

Now boys and girls when you get your new school house get your heads together and devise some scheme by which you can obtain a handsome ensign. The school houses of Carleton Co. lack in this method of displaying our "Love of Country."

## BLOODLESS WOMEN

Feel Weak, Depressed and Worn  
Out All the Time—Do Not  
Eat Well or Sleep Well.

It is an unfortunate fact that nine women out of ten are victims of bloodlessness in one form or another. The girl in her teens, the wife and mother, the matron of middle age, all know its miseries. To be anemic means that you are breathless after any slight exertion—you feel depressed and worn out all day. You turn against food and cannot digest what little you do eat. At night you do not sleep well and in the morning you wake up tired and unfit for the day's duties. Perhaps there are spitting headaches, or pains in the back or side. Often a feeling of dizziness and despondency. These are the signs of anaemia, or bloodlessness. There may be only one or two of these signs noticeable, but the more there are the greater are the ravages of the trouble. There is only one way to cure anaemia, and that is by increasing and enriching the blood supply, and there is only one medicine can do this speedily and effectively—Dr. Williams' Pink Pills. These pills purify the blood. It is in this way that thousands and thousands of weak, ailing girls and women have been restored to the joy of energy and good health through their use. Give these pills a fair trial and you will enjoy that health and strength that is the birthright of every woman. Mrs. W. H. Neff, Hughes avenue, Toronto, says:—"For several years I suffered from a weak and watery condition of the blood. At times I would be so bad that when I walked up stairs I would have to sit on the top step and rest. Sometimes my face would swell to about twice its natural size, and at other times my feet would swell so that I could not put my shoes on. Frequently I would take fainting spells, and was wholly unfitted for any work. I was under a doctor's care most of the time, and if I felt better for a time it was only to have the trouble worse than before. While in this condition I was visiting a friend who had great faith in Dr. Williams' Pink Pills and she got me three boxes. By the time I had taken these I felt so much better that I got six more boxes, and before I had taken them all I was again enjoying the best of health. My increased weight, my appetite improved, and I have not had a symptom of a relapse to the old pitiable condition."

You can get Dr. Williams' Pink Pills from any dealer in medicines, or by mail at 50 cents a box or six boxes for \$2.00 from The Dr. Williams' Medicine Co., Brockville, Ont.
