THE KAISER AND LINCOLN CONTRASTED IN LETTERS TO SORROWING MOTHERS

PARIS, July 29—A letter written by the Kaiser to a German woman who has lost nine sons in the war is now going the rounds of the European press. It is particularly interesting to Americans because of its sharp contrast to the famous letter of President Lincoln to Mrs. Bixby during the American civil war. The Kaiser is "gratified," and sends his photograph. Lincoln was grieved, and, as I recall Lincoln's letter, it did not occur to him that his picture would relieve the desolation of Mrs. Bixby.

I send you the text of the Kaiser's letter:

THE KAISER'S LETTER

"His Majesty the Kaiser hears that you have sacrificed nine sons in defense of the Fatherland in the present war. His Majesty is immensely gratified at the fact, and in recognition is pleased to send you his photograph, with frame and autograph signature."

Frau Meter, who received the letter, has now joined the street beggars in Denenhors-Oldenburg, to get a living.

LINCOLN'S LETTER.

Dear Madam—I have been shown in the files of the War Department a statement of the Adjutant General of Massachusetts that you are the mother of five sons who have died gloriously on the field of battle. I feel how weak and fruitless must be any words of mine which should attempt to beguile you from the grief of a loss so overwhelming. But I cannot refrain from tendering to you the consolation that may be found in the thanks of the Republic they died to save. I pray that our Heavenly Father may assuage the anguish of your bereavement and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours to have laid so costly a sacrifice upon the altar of freedom.

BABY'S GREAT DANGER DURING HOT WEATHER

More little ones die during hot weather than at any other time of the year. Diarrhoea, dysentery, cholera, infantum and stomach troubles come without warning, and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in homes where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if these troubles come suddenly the prompt use of the Tablets will cure the baby. The Tablets are sold by medicine dealers or by mail at 25¢ a box from the Dr. Williams' Medicine Co., Brockville, Ont.

UNITED FARMERS ORGANIZE

C. L. Smith, president of the United Farmers of New Brunswick, visited Albert Co. last week and organized a branch of the United Farmers at Weldon. This is the second branch which has been formed in Albert Co. There are now about 1,500 members of the order in Carleton county, which is well organized and there are branches in Victoria, York, Kings, Westmorland, Albert and other counties.

The formation of branches is going on steadily, and in the autumn the organization will be extended more generally throughout the province.—Sackville Tribune.
