CHANGES ON MAIL SERVICE HITS WOODSTOCK HARD

Via Valley Railway From
Fredericton?

The following change in train service has been announced. The charges will seriously affect the mail service at Woodstock.

On and after Jan. 21, train 101, now leaving St. John at 5.45 a.m., arriving at McAdam at 8.40 a.m., and Vanceboro at 9.25 a.m., making connections at Fredericton Junction for Fredericton, and at McAdam for all points north and south, will be cancelled.

On and after Jan. 21, train 102, now leaving Vanceboro at 7 p.m., McAdam at 7.40 p.m., arriving at St. John at 10.30 p.m. (11.30 Atlantic time) making connections at McAdam from all points north and south and at Fredericton Junction from Fredericton, will be cancelled.

It is said that the Woodstock mail will probably be sent by way of the C.P.R. to Fredericton transferring there to the valley road which will get it into Woodstock that evening. If this arrangement is carried out and the Valley railway makes its usual time the citizens can figure on receiving their mail the following morning.

ROYAL SCARLET CHAPTER IN ANNUAL MEETING

HON. MR. CARVELL SPEAKS IN NEW YORK

New York, Jan. 14.—Speaking as the guest of honor before the Canadian Club of New York tonight, Hon. Frank B. Carvell, Canadian minister of public works, said that Canada would remain in the war until the last gun was fired. "Our love of liberty, the love of liberty that we Canadians cherish in our hearts," the speaker said, "caused us to respond to the colors more than four hundred thousand strong. Seventy thousand of our sons have fallen in battle, but thousands more will fill the ranks until final victory comes."

The following telegram has been received by Mayor Burt: "The Construction Committee of Halifax require carpenters with toolkits, plumbers, with tools, and bricklayers. No common laborers or teams required at present. Notify all mills to let us know what one inch boards they have in stock plane one side and what price."

CITIZENS HEAR STORY OF TOWN'S FINANCIAL CONDITION

Reports All Quite Satisfactory—Ex-Coun. Noddin Makes Some Criticism—Bills Paid and Credit Balance in Bank—Coun. Leighton Says Business Can be Done With Two Per Cent Rate—Filtration Plant Under Construction. Pure Water Next Spring.

The number of citizens that attended the town meeting Monday night was not large but all were deeply interested in the statements made by the councillors as to the condition of each department at the close of the year. It was a most harmonious gathering and might have developed into a real love feast had it not been for ex-Coun. Noddin's propensity to criticize some of the councillors for their handling of certain features of the town's business. The meeting was called to order by Mayor Burt, who nominated Mr. Noddin as chairman, who on taking the chair explained the object for which the citizens were assembled and called on Mayor Burt, who spoke briefly, thanking the people for the support given him in electing him to office. He said that at the beginning of the year it looked blue but he felt the council had carried on the business economically and successfully. The pure water question was the most important and the people had decided that the filter process was the proper solution. The plant was now under construction. Before closing the Mayor announced that he would be a candidate for the next term. It afforded Coun. Leighton, chairman of the finance committee, great pleasure to announce a small surplus to the credit of the town. It would have been larger but for the appropriation made to Halifax which he felt was a worthy move on behalf of the board. He then read a carefully prepared and concise statement of the town's financial condition. (The report is on page 7.) Coun. Leighton elicited applause when he stated that \$50,000 could be raised on a 2 p.c. rate with a proper board of assessors. It is the object, he said, to keep the rate down. No council likes to increase it. We were able to get by last year by paring the departments down. The expenditures were kept down and we got through with better than an even break—we have a credit balance at the bank. Coun. Smith told what had been done in the water department. The work at the filtration plant was held (Continued on Page Seven.)

CARLETON CO. LEGISLATURE IN ANNUAL SESSION

Some New Faces at the Board—Coun. Ezra Flemming Elected Warden—Mr. E. W. Mair Thanked For His Efforts for Victory Bond Loan. Patriotic Appropriation \$38,652.49 Will be Paid in One Year.

The Carleton County Council met in the Court House, Tuesday, 15th inst., at 11 o'clock. The Secretary-Treasurer stated that the councillors had filed their oaths and qualifications. Aberdeen—D. Lamont, Chalmers Derah. Brighton—Fred Smith, W. D. Keith. Northampton—H. A. Phillips, Arthur Gibson. Peel—E. W. McVie, Frank Tompkins. Richmond—Ezra Flemming, Wilnot Watson. Simonds—John Perry, Odour Shaw. Wilnot—Harry Carvell, Wilnot Anderson. Wiclow—Carey Estey, Ronnie Tracey. Kent—Stephen Kinney, Gladstone W. Perry. Woodstock Parish—Robert Moxon, Chas. Clark. Wakefield—Albert G. Bell, Robert Bell. Woodstock Town—H. D. Stevens, Jas. W. Gallagher, A. S. Benn. Warden Tracey—I wish to extend to you the greetings of the New Year. On behalf of the old councillors and also extend greetings to the new members. I thank each member of the board for the kindness and courtesy extended to me during my term of office. The world at large is not enjoying prosperity. We here are indeed a fortunate people. We are thankful that Canada is doing her share in the world war. We in Carleton county should be proud to know that our own boys are making a glorious name for themselves in France. The Halifax disaster was a home. In the formation of Union Government politics have been laid aside and it should be so at this time. Coun. Carvell, seconded by Coun. Jas. Gallagher, nominated Coun. Flemming, of Richmond, as Warden, and he was unanimously elected. He was escorted to the chair by Coun. Tompkins. The new Warden could scarcely find words to express his appreciation of the honor done him in placing him in this important office. He also felt it was an honor to the parish of Richmond. The personnel of the board has changed somewhat—we have several new faces. The old faces will be missed. All those who have left us have worthy successors. I feel that I can rely on your friendship and support when required. The great war cloud is still hanging over us. We have no enemy invading British soil, but we must realize that much hard fighting is yet to be done. I feel that with the bull dog determination we are going to win this war. Events of world wide importance are happening. In our own land we are fortunate. I regret the death of our Lieut.-Governor and I trust his successor will long enjoy the honor conferred upon him. Heavy demands will no doubt be made upon the county but I feel you will meet the demands nobly and cheerfully as you did last year. I will do the best I can to fill the position you have honored me with. Coun. H. D. Stevens, seconded by Coun. Carvell, moved the following resolution, which was carried unanimously:

Whereas by the recent campaign in the county in the interest of the Victory Bond Loan, whereby nearly one million dollars was subscribed by the residents, which involved a lot of hard work by the parties having the matter in hand. The splendid results were largely due to the business management of Mr. E. W. Mair, of Woodstock, and his staff of canvassers, Mr. Mair having organized the county at his own personal expense; Therefore, resolved that this Council place itself on record expressing our appreciation of Mr. Mair's services in such a patriotic and worthy cause; The new Warden could scarcely find (Continued on page four.)

WOODSTOCK BOY RECOVERING FROM WOUNDS

Hit by Shrapnel in Right Side—Picked Up on Road.

In a letter dated Nov. 21st, this young soldier states that he was hit by shrapnel in the right side. He lay in a shell hole for an hour and was carried two miles in a stretcher. He further writes: "I was bleeding quite freely, but I managed to get a dresser over the wound, and hold it there, not strength enough to tie it round. I would look up now and then

to see if any help was coming, but all I could see was the dead lying around. At last a stretcher bearer came along, but the poor fellow was also wounded, but he helped me out and together we got to the road, where we were picked up." He was later sent to Mill Road Infirmary, Liverpool, where he is making a good recovery.

PARLIAMENT LIKELY MARCH 6

Ottawa, Jan. 14.—In official circles Wednesday, March 6, is the earliest possible date on which parliament is likely to meet, and it may be a week later before the house assembles. The situation is peculiar because the result of the soldiers' vote is not likely to be known for some time. It is likely that the figures will not be received until towards the end of the present month. Final election results will probably be announced during the first week of February.

SEE MME. PETROVA IN "EX-LIE" AT THE VOGUE TONIGHT, FRIDAY. MUSIC BY THE NIGHT HAWK ORCHESTRA. The death of Mr. John J. Bradley, formerly of St. John, took place at Boston on Monday last, after a brief illness. The deceased was the only brother of Mr. Patrick Bradley, of this town.
