SAYS LEMON JUICE WILL REMOVE FRECKLES

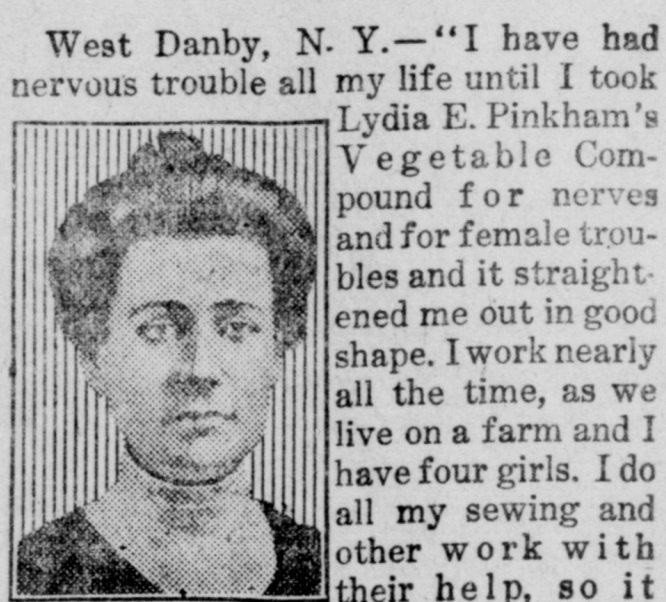

First! Make this cheap beauty lotion
to clear and whiten your skin.

Squeeze the juice of two lemons into
a bottle containing three ounces of
ardent white, shake well, and you have
a quarter pint of the best freckle and
tan lotion, and complexion beautifier, at
very, very small cost.

Your grocer has the lemons and any
drug store or toilet counter will supply
three ounces of ardent white for a few
cents. Massage this sweetly fragrant
lotion into the face, neck, arms and
hands each day and see how freckles and
blemishes disappear and how clear, soft
and white the skin becomes. Yes! It
is harmless.

WOMAN HAD NERVOUS TROUBLE

Lydia E. Pinkham's Vegeta-
ble Compound Helped Her.

West Danby, N. Y.—"I have had
nervous trouble all my life until I took
Lydia E. Pinkham's Vegetable Com-
pound for nerves and for female trou-
bles and it straight-
ened me out in good
shape. I work nearly
all the time, as we
live on a farm and I
have four girls. I do
all my sewing and
other work with
their help, so it
shows that I stand it real well. I took
the Compound when my ten year old
daughter came and it helped me a lot.
I have also had my oldest girl take it
and it did her lots of good. I keep it in
the house all the time and recommend
it."—Mrs. DAWITT SINGHAUGH, West
Danby, N. Y.

Sleeplessness, nervousness, irritabil-
ity, backache, headaches, dragging sen-
sations, all point to female derange-
ments which may be overcome by Lydia
E. Pinkham's Vegetable Compound.

This famous remedy, the medicinal
ingredients of which are derived from
native roots and herbs, has for forty
years proved to be a most valuable tonic
and invigorator of the female organism.
Women everywhere bear willing testi-
mony to the wonderful virtue of Lydia
E. Pinkham's Vegetable Compound.

A DISLIKE FOR FOOD

Victims of Indigestion Often Dis-
like the Sight and Smell
of Food.

Every healthy man and woman should
have a natural desire for food at meal
times. This means that the digestion is
in working order and that the blood is in
good condition. But if you feel a dislike
for food—if the sight and smell of whole-
some food repels you—then you may be
sure that all is not well. If after a night's
rest you have no appetite for breakfast,
your digestion requires attention. If you
feel that food is distasteful, or if you feel that it is
a trouble to eat, your stomach is rebel-
ling. You do not digest properly the
food you are taking and therefore not
hungry.

All these symptoms of a disordered
digestion mean that the blood is not ab-
sorbing proper nourishment from food
and import it to the system. The stom-
ach tries to refuse food the nutriment
from which the blood cannot absorb, and
this causes the lack of appetite. If you
force yourself to eat the undigested food
becomes a clog to the system. Nature is
warning you. Dr. Williams' Pink Pills
cure the most obstinate cases of indigestion
why they will cure any trouble due
to poor blood. Miss Lizzie Ashton,
Thamesville, Ont., says: "I suffered for
years with stomach trouble. At times
the distress was so great that vomiting
would follow, and there was severe pain
after eating. I tried several remedies
but they did not help me. On the con-
trary the trouble was growing worse, and
got so bad at last that I could not keep
anything on my stomach. Finally I be-
gan using Dr. Williams' Pink Pills, and
gradually the trouble began to leave me,
and I regained in all respects my cus-
tary good health and enjoyment of
food. I make this statement voluntarily
so that others may know the wonder-
ful result that follow the use of this
medicine."

You can get these pills through any
medicine dealer or by mail at 50 cents a
box or six boxes for \$2.50 from The Dr.
Williams' Medicine Co., Brockville, Ont.
