### HAD RHEUMATISM FOR FIVE YEARS

No Return of the Trouble Since Taking "FRUIT-A-TIVES"

MR. JOHN E. GUILDERSON

P. O. Box 123, Parrsboro, N. S.  
"I suffered with Rheumatism for five years, having it so badly at times I was unable to get up without assistance. I tried different medicines I saw advertised and was treated by doctors in Amherst, also in my home town, but the Rheumatism came back."

In 1916, I saw in an advertisement that 'Fruit-a-tives' would stop Rheumatism, and took one box and got relief; then I took them right along for about six months and the Rheumatism was all gone and I have never felt it since."

Anyone who would care to write me as regards 'Fruit-a-tives' I would be glad to tell them what 'Fruit-a-tives' did for me."

In Carleton County there are 800 boys and girls of High School age not in school. A great proportion of these are not in school, no doubt because the present Academic School Course, which leads to the professions, does not appeal to them. Surely for some of these the courses given and to be given at the Vocational School, Woodstock, supply the need. The school is there. The courses are free. The staff of instruction is prepared for you. Other additional buildings will be built if need be. The opportunity is offered you. Will you turn it down? Any information sought or applications made should be addressed to the Principal, Vocational School, Woodstock.
