COMPLETION OF VALLEY RAILWAY

\$33,000 Case Comes Up This Week.

(Frederick Gleaner.)

The St. John Valley Railway will be completed by the contractors so as to hand over to the Dominion Government for operation as part of the Canadian National Railways before Aug. 1st, the date which was some time ago named, according to a statement made by Hon. W. P. Jones.

Whether the Dominion Government will be ready to take the road over for operation before August 1st was something Hon. Mr. Jones did not know, but he said that late reports indicated the railway would be ready for operation over its entire length from Centerville to Westfield before the end of the month. This will give the Canadian National Railways entrance to St. John for their short line from the west via the Transcontinental Railway route.

President Jones has as yet received no information as to how long the St. John and Quebec Railway Company's organization will be kept intact, but he said it was expected that there would be a lot of cleaning up to be done before the company's work would be entirely finished, after the road from Gagetown to Westfield is actually ready for operation. Next week he is to appear on Tuesday as counsel for the St. John and Quebec Railway Company in an action by the Bank of British North America, absorbed some time ago by the Bank of Montreal.

The case, it was explained, results from a settlement which was effected by the old personnel of the St. John and Quebec Railway with the Hibbard Company, which were sub-contractors under the company headed by A. R. Gould, and which the Bank of B. N. A. claims should have been paid to them. They base their claim upon the assertion that the Hibbard Company's rights had been assigned, to them and now ask that payment be made to the bank. The amount involved is approximately \$33,000, and the case will be heard before Judge Chandler.

THE TOWN MANAGER PLAN

Mutual Agreement Between the Town Manager and the Town Council.

IT IS MUTUALLY UNDERSTOOD AND AGREED between the Town of Woodstock and the Town Manager that the following are the terms and conditions of this contract.

(a) The Town Manager to be responsible to the Town Council of the Town of Woodstock and to see that all laws and ordinances laid down by the said Town Council are enforced.

(b) The Town Manager to have charged under the said Town Council of all departments and officials of the Town except the Clerk, Board of School Trustees, Board of Assessors, Police Magistrate and any other officials who may by special ordinance come directly under the said Town Council. The Town Manager to have full authority to appoint and dismiss all employees and officials except those officials directly responsible to the said Town Council.

(c) The Town Manager to exercise may be created by the said Town Council unless by special ordinance the departments so created are to be directly responsible to the said Town Council.

(d) The Town Manager, when possible, to attend all meetings of the said Town Council, with the right to take part in the discussion but having no vote.

(e) The Town Manager to recommend to the said Town Council for adoption such measures as he may deem necessary or expedient.

(f) The Town Manager to keep the said Town Council fully advised as to the financial condition and needs of the Town.

(g) The Town Manager to submit to the said Town Council each month a report of work carried out during the month with a detail statement of costs and condition of finances in each department.

(h) The Town Manager may, with out notice, cause the affairs of any department or employee under his control to be investigated and shall have full access to all town books and records.

(i) The Town Manager shall act as purchasing agent for the town and shall call for quotations on all material and equipment required by the departments under his control. He will submit all quotations to the said Town Council with recommendation for award but shall have the privilege of buying any material or equipment for emergency work submitting report on same at the next meeting of the said Town Council after the purchase aforesaid.

(j) The Town Manager shall organize so as to combine the position of Treasurer and Town Accountant and Collector and Receiver of Town Taxes, Water and Sewer Rates and have this official in his office directly under his control.

(k) The Town Manager for purposes of keeping in touch with general matters will be a supernumerary member of the Board of Assessors of the said Town, shall be notified of the time and place of each meeting, and shall have the privilege of attending same with the right to take part in the discussion but shall have no vote.

(l) The Town Manager shall prepare a yearly report covering all the work and expenditures for the fiscal year with a budget of proposed expenditures for the coming year.

(m) If a dismissal of the Town Manager is contemplated a meeting of the said Town Council must be held, of which meeting the Town Manager must be advised by writing and must have the opportunity of attending. At this meeting an open vote shall be taken as to taking steps for the dismissal of the Town Manager and on a majority vote only of the entire Council a committee shall be appointed to investigate the cause for proposed dismissal. One member of this committee shall be appointed by the said Town Council, one member by the Town Manager and the third party to be chosen by the other two members of this committee. If this committee finds that the Town Manager has been guilty of dishonesty or mismanagement they can recommend and the said Town Council can confirm his dismissal but he cannot be dismissed until the term of his contract has expired on account of any popular agitation against the Town Manager form of government.

(n) The Town Manager shall have the privilege of resigning upon a month's written notice to the said Town Council providing all the terms of the contract have not been

TOWN FATHERS HOLD SHORT SESSION

Bills Ordered Paid. Assessors Seek Information--Some Ratepayers File Affidavits--Refused to do so Before Assessment Was Made--Council Probably Stand Behind Assessors.

The town council met in regular session Friday night. Couns. Gallagher, Bell and Smith were absent. The bills as audited were passed and a motion passed that the salaries of the assessors be paid.

Mr. J. S. Leighton, the principal assessor, addressed the board and explained that the citizens were asked to furnish a statement by which the assessment could be made along lines that would be satisfactory to all persons. Out of some 700 requests, only three hundred and fifty responded and the assessors were obliged to assess at the best information obtainable. As a result many of those assessed have filed affidavits that they are taxed too much. The assessors now want to know what action to take regarding these affidavits.

Mayor Nodder at once dipped into the matter and gave his views as to what should not be done, but not imparting the information the assessors were seeking.

The Town Clerk felt that affidavits should have been filed before the assessment was made and not after. The assessors were not obliged to accept the affidavits. The aggrieved parties could appeal to the Council.

Some of the councillors felt that every opportunity was given the ratepayers to file statements, having refused to do so, the council would hardly comply with requests for abatement.

carried out or if his resignation meets with the approval of a majority of the said Town Council; such approval to be signified by an 'open vote' at a regularly called meeting of the said Town Council.

(p) No member of the said Town Council shall interfere in any way with the department of the Town Manager except at a meeting of the said Town Council when the matter can be taken up with the Town Manager.

(q) All applications for employment, privileges from the town of any matters dealing with the departments under the Town Manager, if received by the Town Clerk, will be at once submitted to the Town Manager for action.

(r) The Town Manager shall have the privilege of having called a special meeting of the said Town Council by submitting a written request to the Town Clerk who will take the necessary steps to call the meeting.

(s) All supplies purchased for the departments under the control of the Town Manager must be approved by the Town Manager.

(t) Before the Town Manager assumes responsibility for the accounts and finances an audit of same must be made by an accountant satisfactory to both the Town Manager and the said Town Council.

(u) The said Town Council has the privilege at any time of having an audit made of the departments under the Town Manager's control and will have an audit made at least once a year by a chartered accountant.

IN WITNESS WHEREOF the said Town of Woodstock hath caused these presents to be executed at the Town of Woodstock by its Mayor and its Town Clerk, and its Corporate Seal to be hereunto affixed, and the said R. Fraser Armstrong hath hereunto set his hand and seal, the day and year first above hereinafter written.

With one or two exceptions the same committees will be in charge of St. Gertrude's picnic this year, who made such a success of it last summer. To use the phrase of a local merchant, "Nuf Sed."

Word has been received of the death on Tuesday, at Lewiston, of Mrs. Annie Walton, (who was Miss Plummer,) formerly of this town. Her age was seventy-four years and eight months. She is survived by two brothers, William of Lakeville, and Albert of Woodstock, and one sister Mrs. Horace Jones of Woodstock.

FRED SUTTON.

son of George Sutton, and his wife, who was a Glasgow girl, arrived in Woodstock on Tuesday night. Mr. Sutton had a creditable record overseas. He enlisted with the Kilties and was transferred to the 5th Mounted Rifles. He was severely wounded but made a good recovery.

PEACE DAY WILL BE CELEBRATED

Citizens Meet and Appoint Committees. Program Being Arranged.

At a public meeting of citizens held Tuesday night, the reports of committees, appointed at a previous meeting, were heard and other business transacted by way of preparation for the observance of Peace Day. It was resolved that the merchants be requested to close their places of business on Saturday. The band committee reported that they would do the best they could--this announcement was received with applause. It was also stated that the Veterans would take a hand in the affairs and help to make it a success. The firemen will assist and the indications are that Peace Day will be a good old-fashioned celebration.

The public will be informed by dodgers of the order of the day. Citizens are requested to assist in the celebration. There will be ringing of bells, blowing of the whistles and a general demonstration such as benefits the most auspicious event in the history of the world.

Decorate your homes and put on your smiling countenance and DON'T FORGET TO REMEMBER THAT YOU GO TO REST IN PEACE AT NIGHT BECAUSE OF THE NOBLE EFFORTS OF THE LADS IN KHAKI.
