ADDRESS AND PRESENTATION

On Wednesday, at a picnic of the N. B. Telephone staff, on Connell Park, District Supt. W. E. Stone, on behalf of the employees presented Miss Dossie Kennedy, who had just retired from the employ of the Company, with a Signet Ring, read the following address, to which Miss Kennedy made a feeling reply:

From the Employees of the N. B. Telephone Staff of Woodstock Exchange:
Dear Miss Kennedy:—
We regret very much your leaving us after over seven years of such genial association, and of such a pleasant business relationship. It is at such a time that words fail to express the feelings of our hearts. You know us all, however, and you must know how sorry we are to part with you. Your amiable disposition, your uniform courtesy and your interest in the work under all sorts of conditions and circumstances have not been unnoticed by us.

We would ask you to accept this gift as a slight token of our esteem and to assure you that you will always be pleasantly remembered by us. We can only add that we hope and pray that your future, wherever your lot be cast may be bright, happy and prosperous.

Yours very sincerely,
W. E. Stone, (District Supt.)

Normal Weight

Perhaps you are worried because your child does not pick up in weight? Better try

Scott's Emulsion and watch how it helps make a thin child grow and put on weight. There is nothing quite so strengthening as Scott's Emulsion for a child of any age.

HIGHEST DISTINCTION CONFERRED ON WOODSTOCK NURSE.

Among the long list of those, of whom Woodstock is justly proud stands prominently Nursing Sister Minnie McAfee, R. R. S. Sister McAfee went overseas in the early part of 1915 and saw four years' service in France and England. She was first decorated with the Royal Red Cross, second grade, and afterwards with the first grade, the highest distinction that may be won by a nursing sister. She is also entitled to wear the 1914-1915 medal and the General Service Medal. Sister McAfee was stationed at Ramsgate during the period that the Huns were bombing that hospital every night and it had to be abandoned. The people of Woodstock may well be proud of Sister McAfee.

SUMMER COMPLAINTS KILL LITTLE ONES

At the first sign of illness during the hot weather give the little one Baby's Own Tablets. A few hours he may be beyond aid. These Tablets will prevent summer complaints if given occasionally to the well child and will promptly relieve these troubles if they come on suddenly. Baby's Own Tablets should always be kept in every home where there are young children. There is no other medicine as good and the mother has the guarantee of a government analyst that they are absolutely safe. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Everybody is anxiously waiting for the annual picnic of St. Gertrude's Catholic church, which will be held on the church grounds Wednesday, August 6th.

A very handsome soda fountain has been installed in Garden's Drug Store. Mr. E. B. Fisher, the proprietor, will, in a few days, be in a position to serve sparkling, golden and ice-cold sodas and all other summer drinks.

I fell from a building and received what the doctor called a very bad sprained ankle, and told me I must not walk on it for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best Liniment made.
