Dominant Value

The Gray Dort is the dominant value-car for 1919.

There are other cars bigger and heavier. There are cars lower in price. You do not need the costly weight and size and you will not sacrifice Gray Dort refinements to save a few dollars. What you want and need is the **balanced value** of the Gray Dort. Sufficient power and speed from a wonderful motor; ample room and supreme comfort in riding and driving; standard equipment; beauty of line and finish; a real car, sturdy and long-lasting; and all this at a low price.

The touring car is \$1245; the Gray Dort Special—the car with added refinements and extra equipment, is \$135 extra; there are also a coupe, and a sedan. All prices f.o.b. Chatham and are subject to change without notice.

The Symbol Of Kitchen Economy

In 200,000 Canadian homes 200,000 Canadian housewives have discovered the economy of using Imperial Royalite Coal Oil for fuel. They use the economical New Perfection Oil Cook Stove.

With this stove you too can save expense and at the same time save yourself. There is no drudgery with coal, ashes or kindling—no unnecessary wasted minutes waiting for the fire to draw—no high temperature kitchen resulting from unconfined heat.

The New Perfection cooks dependably, economically—means meals on time and gas stove comfort. Its long Blue Chimney Burner—an exclusive feature—turns the oil into clean intense heat instantly—concentrates it directly under the utensil. No smoke or odor.

All sizes—with or without oven. See your dealer to-day.

FORMER SHERIFF A. R. ANDERSON NOW ENDORSES TANLAC

Prominent Houston Man Says.
"Money Could Not Buy the Good It Has Done Me."

"Money couldn't buy the good Tanlac has done me, and I gladly recommend it for what it has done in my case," said Hon. Archie R. Anderson of Houston, Ex-Sheriff of Harris County, Texas, recently.

Mr. Anderson is unquestionably not only one of the best known but one of the most popular men that ever held public office, in the "Lone Star State." After serving as Deputy Sheriff of Harris County for twelve years, Mr. Anderson was elected Chief of Police in the city of Houston. He had occupied this office only a short time when the Sheriff of Harris County died. Mr. Anderson's friends persuaded him to make the race for the unexpired term of Sheriff to which he was easily elected. He was honoured with re-election several times and served the people in this important office for fifteen consecutive years. Four years ago, Mr. Anderson declined re-election and retired to private life. He cast his lot among the people of Houston and is a large property owner and foremost citizen of this interesting and prosperous city.

"I was in a run-down condition," continued Mr. Anderson, "and had no appetite at all. I could hardly sleep at night and never felt like getting up in the mornings. I was so tired. I had the worst form of indigestion, suffering all the time from gas on my stomach and was continually belching up undigested food. I had to take my coffee without sugar, as when I drank it with sugar I would just belch for hours. I would bloat and swell up like I was poisoned and suffered with neuralgic pains of the worst sort, and nothing seemed to help me only in a temporary way. I just can't tell you how I did suffer for the past four years and up to the time I began taking Tanlac a few weeks ago.

"When I read the testimonials of some who had been relieved of troubles like mine I just felt like I could not make a mistake by taking Tanlac, and it has done me even more good than I had expected. I began to feel better after taking my first bottle and have just now started 'on my third and I'm a different man already. I sleep like a log now and eat just anything and everything I want, without the slightest discomfort afterwards. I am glad to endorse Tanlac because it does the work and I'm telling all my friends just what I'm telling you. I never felt better in my life than I do since taking Tanlac. I am willing for you to publish my statement and let every suffering person who may wish, benefit by my experience with this great medicine."

Tanlac is sold in Woodstock by E. W. Mair, in Bristol by Dr. Summer-ville, in Centreville by Stevens Bros., and in Hartland by Estey & Curtis Co.

WILLIAMSTOWN.

July 5th—Geo Stoddart and family have left us and taken up their abode at Avondale, where he is employed in Wm. W. Wilson's woodworking factory.

Colter McEgan lost his best horse last week by getting its leg broken in the pasture.

Murray McAuley has charge of a crew making a new road through the Emery barren, when finished will be a great improvement.

Bert Emery has returned from the Halifax School for Blind, he was accompanied by his wife, that he has never seen. He lost his eyesight in an explosion in the West a few years ago, where he was working.

Mr. Thomas Emery, Sr., attended church here yesterday, an old resident here, but has been living with his daughter, Mrs. Ernest McFarly, East Centreville, lately.

Mr. and Mrs. Colter McEgan and his sister, Mrs. Vaughan, Michigan, and Mr. Allen McAuley went to Port Kent by auto last week.

The Misses May, of Millville, spent a week with Miss Chavilla Savage, recently.

It is reported that this place has now, what it never had before, a den of thieves. People are losing all estates from their cellars.
