A CRIPPLE FOR THREE YEARS

Helpless In Bed With Rheumatism Until He Took "FRUIT-A-TIVES".

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.
"For over three years, I was confined to bed with Rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit."

Finally, I decided to try "Fruit-a-tives". Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

OBITUARY

G. GERTRUDE TEMPLE.

On Wednesday night, after undergoing an operation for appendicitis at the Fisher Memorial Hospital, G. Gertrude Temple, aged 16 years and 10 months, only daughter of Mrs. Howard Dow, of Lower Woodstock, passed away "in sure and certain hope of a glorious immortality." Miss Temple was a young woman of more than ordinary seriousness. She endured her painful illness with great fortitude and resignation "to the Divine Will, and frequently expressed her readiness to obey the Master's Call to leave the earthly home for the heavenly."

She was an active member of the "Girl's Club" of Lower Woodstock. This club showed their appreciation of her fellowship and service by sending a beautiful triangle of roses and carnations to be laid on her casket. The Union Sunday School of Lower Woodstock also sent a crescent of flowers and Mr. Frank Slipp and family a shower bouquet.

On Thursday night, Rev. S. Howard, who had visited her at the Hospital, conducted a brief service at the home of Mr. Carr, Main St. On Friday her remains were conveyed to Benton where the burial service was performed by Rev. Meson Linton.

The pall bearers, selected by herself, were M. Jones, C. Jones, H. Slipp and L. Slipp.

"Blessed are the dead which die in the Lord."

RHEUMATISM CAN BE CURED

The Trouble is Rooted in the Blood and Can Only be Cured Through the Blood.

In the days of our grandfather rheumatism was thought to be the unavoidable penalty of middle life and old age. Almost every elderly person had rheumatism as well as many young people. Medical science did not understand the trouble--did not know that it was rooted in the blood. It was thought that rheumatism was the effect of exposure to cold and damp, and it was treated with liniments and hot applications, which sometimes gave temporary relief, but did not cure the trouble. In those days there were thousands of rheumatic cripples. Now medical science understands that rheumatism is a disease of the blood and that with good, rich, red blood any man or woman of any age can defy the trouble. Rheumatism can be cured by killing the poison in the blood which causes it. For this purpose the blood making, blood enriching qualities of Dr. Williams' Pink Pills is becoming every year more widely known, and it is the more general use of these pills that has robbed rheumatism of its terrors. In proof of Dr. Williams' Pink Pills to cure this trouble, Miss Jennie Stockdale, Hall's Bridge, Ont. says: "Two winters ago I was taken with a bad attack of rheumatism, and was in bed for over two months most of which time I could not sleep or enjoy rest day or night. The trouble also affected my nerves, which were very bad. I tried several remedies but did not get any help from them and then, acting on the advice of a friend, I decided to try Dr. Williams' Pink Pills. I soon felt that the pills were helping me, and after taking eight boxes I am glad to say I was able to go about again as usual, and am now enjoying the best of health with plenty of good, rich blood which makes me feel like an altogether different person. I earnestly advise those suffering from rheumatism, nervousness and kindred troubles not to delay using Dr. Williams' Pink Pills as, like myself, I am sure they will find a cure through their use." You can get Dr. Williams' Pink Pills through any medicine dealer, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

An Ideal Farm Paint

CENTREVILLE

C. A. McBRIDE, Correspondent

On Thursday evening, April 11, the Basket Ball team recently organized had their first opportunity to demonstrate their abilities against real opponents by playing against the Florenceville team. The game ended with a score of 33 to 9 in favor of Centreville. Fred C. Cronk-hite and James B. Lee acted as official referee and score keeper respectively. The home town girls served a dainty lunch after the game.

The United Farmers held a representative and well attended meeting in the Opera House on Saturday, March 12. A large number of applications have been received for manager of their new store.

Extensive repairs are being made on the Centreville Hotel. The new board of management evidently mean business. The opening of the hotel will be at great benefit to the travelling public.

John Barter, of Vancouver, B. C., one of a fighting family of five brothers all seeing service overseas, has been visiting at the home of his wife's parents, Mr. and Mrs. H. T. Scholey. Mr. Barter is convalescing after injuries received at the front.

Harry Weade has purchased the farm of G. G. London.

His many friends were glad to see Walter Hands back from overseas, after seeing service with the 257th Batt. C. E. F.

We notice in the last issue of The Sentinel an article in which the statement is made that "our moral reformers are advocating prohibition and laws to keep our returning soldiers pure, clean and decent, and these moral reformers (slackers) insult the heroic defenders of christian civilization." We would like to ask: What kind of christianity does the writer of this article represent? If moral reformers are "slackers" and it is an "insult" to be solicitous about the physical, moral and spiritual well-being of our returning soldiers, then what kind of a civilization should we advocate? If the writer of this article will kindly answer these questions satisfactorily, then we will think there is another remedy for preventing the soldier from "slipping down the primrose path." Perhaps a little discussion on this subject would clear up some of the misunderstanding that exists as to christian duties and the welfare of our country.

A Quick Relief for Headache

A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of Mother Seigel's Syrup will correct faulty digestion and afford relief.

A WONDERFUL DISCOVERY

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a thin layer of Zam-Buk is applied to a wound or a sore, such injury is insured against blood poisoning. Not one species of microbe has been found that Zam-Buk does not kill!

Then again, as soon as Zam-Buk is applied to a sore, or a cut, or to skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the selection of the thing. All they know is that Zam-Buk stops their pain. Mothers should never forget this.

Again, as soon as Zam-Buk is applied to a wound or to a diseased part, the cells beneath the skin's surface are so stimulated that new healthy tissue is quickly formed. This forming of fresh tissue from below is Zam-Buk's secret of healing. The tissue thus formed is worked up to the surface and literally casts off the diseased tissue above it. This is why Zam-Buk cures are permanent.

Only the other day Mrs. Hector McDonald, of Oyster Ponds, N.S., wrote to the Zam-Buk Company and told them what Zam-Buk had done for her. She said that for over a year her hands were covered with eczema. Doctor's treatment did her no good and the numerous salves and blood purifiers she tried also proved useless. Then Zam-Buk was recommended. Treatment with this wonderful balm soon brought a decided improvement and perseverance resulted in a complete cure. To-day, after several months, there has been no return of the disease.

All druggists sell Zam-Buk at 50c. box, or send this advertisement and 1c. stamp (for return postage) to Zam-Buk Co., Toronto, for free trial.

GAVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally or is feverish, stomach sour, has a bad cold, sore throat, diarrhoea, or a bad cold, give a teaspoonful of "Syrup of Figs" and in a few days the foul, constipated waste, unappetizing food and sour bile gently moves out of his little bowels without griping, and you have a happy, playful child again. Ask your druggist for a bottle of that "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.
