

COPENHAGEN CHEWING TOBACCO

The new box is handier to use and to carry.

The price is the same—so is the tobacco.

Same quality and quantity same flavor and satisfaction.

But in this new flat box.

HE'LL NEVER SAY STOP. when you are pouring out a drink of our cream soda, sarsaparilla or other beverages. No matter how large the glass, it will not be too large for him. Some very wise mothers reward their boys and girls for being good with a glass of our bottled beverages. It is an example well worth following.

Got a Cold?

Peps will give you relief. Simply dissolve a Peps tablet in your mouth. Your breath carries the medicinal Pine vapor, which is released, to all parts of the throat, nasal and air passages, where a liquid medicine could not possibly reach. This vapor destroys all germs with which it comes in contact, soothes and heals the inflamed membranes and fortifies you against coughs, colds, sore throat, bronchitis and grippe. Peps contains absolutely no harmful drugs and are therefore the safest remedy for children.

FREE TRIAL. Cut out this across it the name and date of this paper, and mail it (with 1c. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All drug-gists and stores sell Peps, 50c. box.

For the Roof of Your Barn

We can furnish you with a roofing that will resist fire, decay and weather—a wear-proof roofing that will put an end to patching and repair bills. Stop in and we will show you

RU-BER-OID
ROOFING
COSTS MORE - WEARS LONGER

We recommend RU-BER-OID because we know it is the most satisfactory roofing that we can offer. RU-BER-OID roofs laid 20 years ago are still giving perfect service. Cheaper roofings will be water-proof for a while, but RU-BER-OID is permanently waterproofed with a compound containing high-grade animal and vegetable substances which cannot crack or run. RU-BER-OID is solid through and through. It contains no coal tar, sand, mineral fillers or asphaltic oils.

The attractive colors are built into the roofing. The Colored RU-BER-OID (Koloroid) is made in The Red and Copper Green. The U. S. Appellate Court has enjoined imitations from using the word "Rubberoid" or any similar name as the trade name or brand of their roofing. We sell the genuine RU-BER-OID, which has the "Ru-ber-old Man," shown above, on every roll. Imitations will not last like the real RU-BER-OID.
