TWENTY-FIVE YEARS GO From the Sentinel Oct. 12th, 1895

Two dwelling houses were burned at Gratton, Tuesday evening, one owned and occupied by Wm. Bowles, the other owned by C. L. Smith and occupied by Mr. Wheeler. The former lost a large portion of his furniture. There was a small insurance on both buildings.

Miss Edith Porter, of Fredericton, and Dr. E. S. Kirkpatrick, this town, were married in the Methodist Church, Fredericton, on Wednesday afternoon last. Rev. W. Tippet, assisted by Rev. J. Sellar, officiated. The presents were elegant and costly, the groom's gift to the bride being a handsome gold watch. The happy couple are making a bridal tour in the United States.

The Welcome Soap Co. had an exhibit of their goods on exhibition in St. John. High up on the roof trestle was a sign and two crosses painted; the Company offered a prize for the nearest guess as to the distance between the crosses. The Globe says that Mrs. W. P. Jones of Woodstock, and Miss Diblee, of St. John, each guessed the exact distance, 7 feet 6 1/2 inches; the next nearest guess was by a gentleman 1-16 of an inch too much. The two ladies will have to draw for the prize.

Contrary to general expectations we are to have a contest; the card to the electors of Messrs. Hay and Flemming appears in this issue; they are both well and favorably known the former as being one of our most intelligent and enterprising farmers, the latter as a dealer in general merchandise. The opposition ticket is now composed of the two gentlemen named and Mr. George W. White who, it was stated at the Court House and not denied, was anxious at first to be placed on the government ticket.

The general impression appears to be, and is well founded the Sentinel thinks, that the government ticket in this county, Diblee, McCain and Smith will be returned by a handsome majority.

On Wednesday in Queens, Westmorland, St. John and Charlotte Counties, members were elected by acclamation—15 out of the total of 46 members. Of these 11 are government, 5 opposition.

There are few ailments that cause more genuine misery than nervous or sick headaches. Only those who have endured the suffering, sometimes for days at a stretch, can realize the agony of the victims. Noises increase the pain; food is unthought of, for it only adds to the distress. When the attack is on there is little to be done until it passes away. These headaches are nearly always a danger signal that too frequently pass unheeded. They are the symptoms of many maladies, such as anaemia, constipation, indigestion, etc., and when these are cured the headaches permanently disappear. Headaches are more often a sign of weak, watery blood than anything else, and the most successful treatment, therefore, is a remedy that will rebuild the blood and make it rich and red. This can best be done through a fair course of Dr. Williams' Pink Pills, which has a special action on the blood, and through the blood on the nerves. In this way Dr. Williams' Pink Pills have been found invaluable in a wide range of diseases due to poor watery blood such as anaemia, rheumatism, indigestion, after effects of influenza, neuralgia, etc. The effectiveness of this tonic treatment is illustrated in the following case: Mrs. Geo. Ann, R.R. N. 6, Simcoe, Ont., says:—"Some years ago my daughter, then a young girl of eleven, became very much run down and nervous. She was troubled greatly with sick headaches, and frequently with vomiting spells, and although we lived just across the road from the school, she was not able to attend. She was taking medicine all this time, but it did not seem to do her any good. I had often read of Dr. Williams' Pink Pills, and finally decided to give them to her. By the time she had taken two boxes she seemed much better, and before the fifth box was finished, she was again in the best of health and has always since enjoyed the best of health. I am satisfied it was Dr. Williams' Pink Pills that restored her and I have since seen equally good results in other cases."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
