

GRAY-DORT

UNIT by unit, and feature by feature, a comparison shows the Gray-Dort to be bigger or stronger or better than other light cars. The motor is bigger, with cooling system to match; 40-pound crankshaft; three-ring pistons; Westinghouse starting and lighting; big axles; long springs; deep upholstery; hand-tailored top; side curtains opening with the doors; Thermoid brake-linings. Any man who will take the trouble to measure and weigh and test the units of light cars will be able to see and feel the value which is in the Gray-Dort.

This value has made sales so rapid that you should see the Gray-Dort dealer at once to be sure of securing your car.

FARMS WANTED

We want from fifty to one hundred good farms in the counties of Carleton, Victoria and York. Last year we sold thirty-two farms and we expect to more than double that this year, we already have a long list of applications for our new 1920 Catalogue.

If you want to sell your farm it will be to your advantage to communicate with us. We charge you a small commission only and we pay all the expenses connected with the sale.

If you wish to take advantage of the advertising facilities of our new catalogue write us. It will not cost you anything for full particulars and terms.

Write to us now.

UPPER KENT.

(Intended for last week.)

The continuous rain has made the roads very bad. Large quantities of grain and potatoes, it is feared, will be injured unless it clears very quickly.

Several are in attendance at the Exhibition in Woodstock. Many more planned to be there but dark weather caused them to change their plans.

Mr. Andrew McCain has had several cars loaded with potatoes and shipped from this place.

Mr. Porter of Perth is buying here. Messrs Hatfield and Perry have not yet begun to load but will as soon as the weather clears.

Mr. William Hooser is now in charge of the station. His family, consisting of himself, wife and mother are living in the Ebbett house.

Mr. Hooser is very much liked and is a cultured Christian gentleman. His wife and mother are charming Christian ladies, helpful in church, Sunday School and Mission work. The people of Upper Kent are fortunate to have such a family added to their citizens.

Miss Carey Thompson of Maplehurst, assists Mr. Beecher Hillman in his store and post office. He finds it very convenient to have such efficient help at times when it is positively necessary for him to be away.

Ora Burley's family of St Andrews, are guests of Mrs. Burley's parents, Mr. and Mrs. Samuel Ritchie.

Mrs. W. A. Squires has been a recent guest of friends in Houlton, Me.

Mrs. Hazelton of Rothesay has been spending some time with her sister, Miss Hattie Hazelton at the home of Mr. William Gaunce.

Prized by Men of Action

THE hunter or trapper—the out-door worker—the business man who, in cold weather takes delight in a brisk, bracing walk to and from his place of business. To all men who love healthy exercise ATLANTIC UNDERWEAR makes a strong appeal.

The weighty, chill resisting fabric from which it is knitted, its correctness of cut ensuring absolute comfort to the wearer and its moderate price makes it unique among winter underweares.

Sold in five different weights and qualities. Each line is guaranteed to be the best value of its class.

Look for the trademark—It is your guarantee.
