NEWS FROM UPPER KENT.

An enjoyable picnic was held in the grounds of the United Baptist church, on Thursday afternoon, July 29th, by the members and friends of the Union Sabbath School. At six o'clock a sumptuous supper was partaken of by all present. The grown-ups were seated at a long table and the children ate off of table cloths stretched on the grass. A large swing was constantly used all the time and running races were participated in by children and larger children. Ice cream, confectionary and fruit were dispensed of in large quantities. The only thing to mar the pleasure of the afternoon was the sad accident that came to Mr Harold Tompkins. Mr. Tompkins was running in one of the races, when he accidentally fell, striking on his left shoulder. He hit with such force that he broke his collar bone. The bone was set by Dr. Commins of Bath, and Mr. Tompkins many friends pray for him a speedy recovery.

Councillor G. W. and Mrs. Perry have been on an extensive motor trip to the southern part of the province. They visited friends and relatives in Hamstead, St. John, Moncton, and Pet-icodiac and took a boat trip from St. John to visit friends on the Washa-demook Lake.

Misses Mabel and Marion and Master Frank Perry have been visiting their grand parents, Mr. and Mrs. Silas Grant in Kilburn.

Much sorrow is expressed in the village because of the fact that Mr. and Mrs. Harry Street and son, Roy, are going to leave here. It will be four years in January next since Mr. and Mrs. Street came to live in Upper Kent. They have both endeared themselves to everybody. Mr. Street has proved himself a very painstaking, efficient, obliging and courteous official. Mrs. Street has been very helpful in the church and Sabbath School also in collecting for the Bible Society. They have both been willing and ready to help financially and every other way in every good word and work. Upper Kent's loss will be Bristol's gain. All wish Mr. and Mrs. Street success and happiness.
