CARLETON LODGE WAS VISITED

Some 300 Members of Fraternity in Procession

One hundred and five members of Watt Lodge, No. 55, I. O. O. F., McAdam, came in by special train Monday night to visit Carleton Lodge, No. 41. The train was gaily decorated with flags and bunting, and stopped at Queen street where a procession was formed led by the McAdam Cornet band and a venerable goat in charge of Mr. Lawson, as a special feature. There were 300 members of the order in line—from St. Stephen, Fredericton and Woodstock. The visiting members were received by Charles Comben, of Carleton Lodge, who extended a cordial welcome.

Speeches were made by J. S. Lord, St. Stephen; W. Thurlow, N. G., McAdam; Ed. Merrill, V. G., McAdam; E. T. Langille, Fredericton, and others. The initiatory degree was worked on several candidates by a Watt Lodge team, and the work made a most favorable impression. A banquet at McLean's restaurant was one of the pleasing features.

E. Bowie, master mechanic, who had charge of the train arrangements, carried out his arduous duties in a most thorough manner. It was three o'clock when the visiting brethren left on the return trip.

Only the Author.

Concerning the rehearsals of her first play, "The Scarlet Pimpernel," the Baroness Grey, who has just celebrated her silver wedding, tells this amusing story:

A new call-boy was engaged at the theatre. Going up to the baroness one day, he said: "Excuse me, miss, but are you one of the company?" "No," she replied, with a smile, "not exactly; in fact, I am only the authoress."

"Oh, is that all?" replied the boy.

"Very well, then, you sit down over there out of the way," and he turned away with a sniff of contempt.

THIS WOMAN'S RECOVERY

Shows Remarkable Curative Power of Lydia E. Pinkham's Vegetable Compound.

Chesley, Ont.—"Before using Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had terrible pains in my sides and was not regular. Finally I got so weak I could not go up stairs without stopping to rest half way up the steps. I tried two doctors but they did me no good. I saw your medicine advertised in the newspapers and thought I would give it a trial. I took four bottles of the Vegetable Compound and was restored to health. I am married, am the mother of two children, and do all my housework, milk eight cows, and do a hired man's work and enjoy the best of health. I also found Vegetable Compound a great help for my weak back before my babies were born. I recommend it to all my friends who are in need of medicine, and you may print this letter if you wish."

Mrs. HENRY JANKE, R. R. No. 4, Chesley, Ontario.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

DELICATE GIRLS MADE STRONG

Rich, Red Blood Needed to Keep Up Their Vitality.

If growing girls are to become well developed, healthy women, their blood supply must be carefully watched. Mothers should not ignore their unsettled moods or the various troubles that tell of approaching womanhood. It should be constantly born in mind that pale bloodless girls need plenty of nourishment, plenty of sleep and regular open-air exercise. But a lack of appetite, and tired, aching limbs tend to hinder progress. To save the weak, thin blooded sufferer she must have new, rich, red blood and nothing meets a case of this kind so well as Dr. Williams' Pink Pills. These pills not only enrich and increase the blood supply, they help the appetite and aid digestion, relieve the weary back and limbs, thus promptly restoring health and strength and transforming anaemic girls and women into cheerful happy people. Among the thousands who have obtained new health and strength through the use of Dr. Williams' Pink Pills is Miss Violet Booth, Glenora, Ont., who says—

"For a long time I was in a badly run down condition. I was pale, breathless at the least exertion, and could hardly do any housework without stopping to rest. I often had severe headaches, and my appetite was poor and fickle, and I would get up in the morning without feeling the least bit rested. I had tried several medicines, but did not get better from anything until I began the use of Dr. Williams' Pink Pills. When I had taken two boxes I could see an improvement, after using six boxes I found my health fully restored. I feel altogether different since I used the pills that I strongly advise them for all weak, run down people."

If you are weak or ailing in any way, avail yourself at once of the splendid home treatment which Dr. Williams' Pink Pills so easily afford, and you will be among those who rejoice in regained health. These pills are sold by all dealers in medicine, or may be had for \$2.50 by sending a box or six boxes for \$2.50 by writing, The Dr. Williams' Medicine Co., Brockville.

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

Pointe St. Pierre, P. Q.

"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of 'Sootha-Salva' and two boxes of 'Fruit-a-tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salva' and 'Fruit-a-tives'.

'Fruit-a-tives' cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

WHY DID YOU FAVOR PROHIBITION?

For moral and economic reasons, you say, because alcohol is a crime breeder and a social and industrial waster.

Moral and economic reasons for discouraging the use of alcoholic flavoring extracts are just as sound, used as a beverage, lemon extract fills jails and madhouses, while millions of dollars are absolutely wasted in the kitchens of the land, from the fact that the 80 percent alcohol for which good money is paid, passes off in the heat of the oven and is absolutely lost as an economic factor.

A rural dandy in Georgia, of lit experience in traveling, presented himself to the ticket agent at the railway station and inquired the price of transportation to Macon. "Three dollars and forty cents," said the agent. "Oo!" exclaimed the dandy, "dat shore is high! I'd rather walk." And off he started. He had not proceeded very far when the train came along, whistling as it neared the station. "Yo' needn't whistle fo' me," muttered the dandy, as he trudged along. "I made yo' an offer once an' yo' wouldn't take it. So yo' kin go on, train. I ain't a-comin' wif yo'."

A Single Thought.

Mrs. High—Doesn't Mrs. Owens look radiant? She must be thinking of her new gown. Mr. High—Yes, and do you observe how wretched her husband looks? He is evidently thinking of it, too.

A Strange Word.

Tommy—Isn't 'wholesome' a funny word, father? Father—What's funny about it? Tommy—Why, take away the whole of it and you have some left.
