

GOT THE BLUES?

It does it every time. Wholehearted amusement—a big help. Cheerful entertainment—just the thing. Mingling with your friends—their laughter and jokes—and the worst case of blues on earth is cured. All these good things are regular features of our Carnival. Just make up your mind—right now—that when Carnival time is here you'll see if this isn't true. If you don't have 'em maybe the other fellow will, but you'll have

to look sharp—they're soon gone. WOODSTOCK MID-SUMMER CARNIVAL AND RACES, JULY 12-13-14.

FOR INK STAINS

By immersing an ink-stained handkerchief in milk immediately after it has been stained, and allowing it to soak, the ink will invariably disappear.

THE 89th C. F. A. (WOODSTOCK BATTERY)

The 89th Battery struck camp on Saturday, June 25th, after spending a very enjoyable six days in camp on Smith's Land. The horses were in splendid condition and worked well with the men. The 89th was visited by the Lieutenant Colonel and the Adjutant in charge of the Brigade, who was very well pleased with the work and smartness of all on parade.

He also stated he would like the 89th Battery to be called the Woodstock Battery, as there was always good shooting and drill work done by the Woodstock men. On Friday they were visited by Brigadier General MacDonald and the officers, N. C. O's, men and horses. He said he hoped the men would win back the cup when they shoot at Petawawa next month. The Battery was commanded by Major McKee, with Capt. R. Jones, (second in

command), Lieut. R. K. Jones, Sergt. A. Dixon, and Sergt. S. Munn, in charge of Right Section; and Lieut. McCluskey, Sergt. Greer and Sergt. F. Baker in charge of Left Section.

The men spoke very highly of the Major, officers and sergeants of numbers 1, 2, and 4 sections.

Save The Children

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera infantum and diarrhoea carry off thousands of little ones every summer. In most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets

relieve these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure.

The Tablets are sold by medicine dealers or by mail at 25c a box from the Dr. Williams' Medicine Co., Brockville, Ont.
