

We Are Selling Cheaper Mileage

You may get extraordinary mileage out of any one tire—but that's not the way to figure mileage.

Get the average of mileage given by a pair of tires or a set—and you will get nearer to the actual cost of mileage to be charged to the upkeep of your car.

It's just because we've taken the trouble to figure values that way, that we recommend Ames Holden "Auto-Shoes."

We know they are giving real mileage over the worst roads in the country and their "average" performance leaves no doubt in our minds that Ames Holden "Auto-Shoes" will give you the cheapest mileage you can buy. And they are guaranteed without time or mileage limits. Drop in and let us show you and tell you about

THE HEAVYWEIGHT CHAMPIONSHIP

Previous Contests of This Character

NEW YORK, June 11.—The third bout for the world's heavyweight championship under no decision rules at a limited number of rounds will be under way when Jack Dempsey and Georges Carpentier square off in the Jersey City ring, July 2. The only previous title contests held under similar conditions were the Willard-Moran 16-round battle at New York, March 25, 1916, and the Willard-Dempsey contest at Toledo, O., July 4, 1919. At Toledo, Dempsey knocked out his ponderous opponent in the third of the scheduled 12-round bout.

Modern ring history in the heavyweight division is considered to have begun when John L. Sullivan knocked out Paddy Ryan in nine rounds at Mississippi City, Miss., Feb. 7, 1882. Including that contest and the one in which Marvin Hart defeated Jack Root to gain the title relinquished by Jim Jeffries, there have been 24 championship bouts. The longest was that in which John L. Sullivan knocked out Jake Kilrain in 75 rounds at Richburg, Miss.; the shortest that in which Tommy Burns stopped Bill Squires in one round at Colma, Cal., July 4, 1907.

By the average duration of these championship contests, which is a trifle under 15 rounds, Dempsey and Carpentier, scheduled for only 12 sessions, would seem likely to go the prescribed route. The length of the Sullivan-Kilrain duel however, stretches this average an examination of the records shows that 11 of the 23 battles have stopped short of the 12-round mark, while the most recent championship fight, in New York last December ended with the knockout of Bill Brennan by Dempsey in the twelfth round.

Persons who wager on an official result in the Jersey City bout, can win or lose only in two events, a knockout or a disqualification, on a foul. To make possible a clean-cut decision, it has been suggested that Promoter Tex Rickard appoint three judges who shall sit at the ringside and announce a verdict after returning to New York following the bout.

A list of the heavyweight champions bout beginning with Sullivan's defeat of Ryan in 1882 is appended:

1882, February 7.—John L. Sullivan knocked out Paddy Ryan in nine rounds at Mississippi City, Miss.

1889, July 8.—John L. Sullivan knocked out Jake Kilrain in 75 rounds at Richburg, Miss., in last championship bout with bare knuckles.

1892, September 7.—James L. Corbett knocked out John L. Sullivan in 21 rounds with big gloves at New Orleans, La.

rounds at Jacksonville, Fla.
