NADRUCO
Syrup of Tar
with Cod Liver Oil Compound

It's more than a Cough Syrup—because it breaks up colds as well as coughs—relieves congestion in the chest—heals the throat—loosens the phlegm—and quickly stops the cough. Excellent for Bronchitis and Whooping Cough. Children like it because of its pleasant taste.

All druggists have it.

ther, Cecil and two sisters, Ethel and Mary. The funeral service was held in his home conducted by Rev. Mr. Pringle, of Kincardine, assisted by Rev. Mr. Flemington.

The hymns "Sweetly Resting," "Only Remembered" and "In The Christian Home in Glory" were sung by a quartette composed of Rev. Mr. Flemington, Mrs. Street Miller, Mrs. James Smith, and Miss Margaret Miller, with Miss Alma Wharton at the organ.

Mr. Pringle spoke very fittingly from the 103rd Psalm.

There were several beautiful floral offerings, among which was a lovely wreath, from the Upper Kent Sabbath School.

The pall bearers were Olie Foren, Wilnot Hawthorn, Paul Miller, Olie Salmon, Raymond and Albert Smith. Interment took place at Kincardine where he was laid to rest beside his mother.

Mrs. George Maddox and children of Wicklow, spent the weekend here with her parents, Mr. and Mrs. Frank Grant.

tion, and in a few moments gone, motionless, silent and lifeless.

Some hold to life with such tenacity. Many families live to such a ripe old age. Others snuff right out and pass away before they reach mature man and womanhood.

In the early morning, March 15th, after a long illness, Ellery Stewart passed away. He was the second son of Mr. Thomas Stewart, of Linville. He was 17 years of age, and is survived by his father, (his mother passed away several years ago), one brother,

"Or over the silver cord he loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was, and the spirit shall return unto God who gave it."

The above verses from Ecclesiastes have been so much in my mind for the last few days.

What a wonderful thing is life. Here full of warmth, activity and mo-

EAST AND WEST AGREE

Lydia E. Pinkham's Vegetable Compound is Helping Sick Women to Health

The two letters which follow clearly show the broad field covered by this well-known medicine. Women from every section—you know some in your own neighborhood—praise Lydia E. Pinkham's Vegetable Compound as a wonderful medicine for troubles women often have.

From Prince Edward's Island—East

Miscouche, P. E. I.—"I had female troubles for two years. I always had a headache and a pain in my side and sometimes I felt so weak that I could not do my work. A friend advised me to take Lydia E. Pinkham's Vegetable Compound and I have taken six bottles of it. It has done me a lot of good and I am still taking it. I will tell my friends of your medicine and hope they will try it."—Mrs. CAMILLE DES ROCHES, Miscouche, P. E. I.

From Saskatchewan—West

Wadena, Saskatchewan.—"A friend in Rose Valley recommended Lydia E. Pinkham's Vegetable Compound to me and it has been a great help to me. I recommend it and you can use this letter as a testimonial if you wish."—Mrs. PETER NORDIN, Wadena, Saskatchewan.

SKIFF LAKE, CANTERBURY

Messrs Peter Donovan and son, Murray, broke camp at Shogomoc on Saturday, March 5th, just in good time before the big freshet on Tuesday of the following week.

On Thursday, March 9th, Mrs. John Vavender, Sr., made a trip on the crust to Carrol Ridge, to the home of her daughter, Mrs. Frank Carr, going by way of McMullin's hill, thru the winter woods road, and across Fox Den Hill, a distance of three miles. Mrs. Cavender remained all night returning next day to her home by the same route. For a woman, who is creeping up in years this was

considered by Mrs. Cavender's friends as quite a clever stroll.

Mrs. Bair, (nee Miss Emma Carr,) who spent the winter with her brother, James Carr, of Carroll Ridge, intends leaving the latter part of the month with her three little children, for their home in the west, where her husband is at present prospecting.

Mrs. S. A. Ryan, teacher at Skiff Lake and little niece, Beatrice Donovan spent Saturday calling on Mrs. John Cavender Sr. Mrs. John Cavender, Jr. and Mr. and Mrs. Andrew Cunningham.

Messrs W. Gibson and W. Skillen returned to Woodstock after spending a few days at the lake, putting in ice. Mr. George McElroy and several other summer cottagers have put in ice for the summer.

Mr. Wallace Smith of Woodstock, started his sawmill at Canterbury last week.
