Use SMP Utensils and Save Work

Buy Diamond Ware or Pearl Ware kitchen utensils and save work. They are so clean, with a flint-hard, smooth surface that wipes clean like china. No scouring, no scraping or polishing. Just use soap and water.

Every conceivable pot and pan is made in either Pearl or Diamond Ware, the two splendid quality SMP Enamelled Wares. Diamond Ware is a three-coated enameled steel, sky blue and white outside, snowy white inside. Pearl Ware is enameled steel with two coats of grey and white enamel inside and out. Either ware will give long service. Ask for

GUARD THE BABY AGAINST COLDS

To guard the baby against colds, nothing can equal Baby's Own Tablets. The Tablets are a mild laxative that will keep the little one's stomach and bowels working regularly. It is a recognized fact that where the stomach and bowels are in good order that colds will not exist; that the health of the little one will be good and that he will thrive and be happy.

The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Prized Because it is Different

THE sheer magic of modern silverware! Deep in its dreaming depths it holds the shadowed lights; beautiful in its setting of snow-white linen.

Choose your gift today from among those gem-like Holmes & Edwards pieces. Those spoons of graceful design, those long-lived knives and forks that will make her table the very last word indeed, in good taste.

Whether it is SILVER INLAID, with blocks of sterling silver laid in at the rest points before plating, or SUPER-PLATE with its gleaming dress of extra silver at every place where wear comes, you may rest assured that Holmes & Edwards is the accepted standard in those Canadian homes that lead in all matters of gentle breeding—and is prized because it is different.

Your Jeweller will gladly show you his display of tableware—sumptuous flower baskets, pie plates, casseroles and bread trays—in exquisite designs.
