TWENTY-FIVE YEARS AGO

From the Sentinel, June 26th, 1907. The largest crowd seen in the Woodstock Driving Park, for years, enjoyed the sports gotten up by the Celebration committee, and the trot managed by the lessee of the Park, H. E. Gallagher. Two classes were called—2.30 and 2.50. The judges were J. E. Burnham, George McNally and Daniel Hemore, the former starter; the others, Dr. Colter and Thomas Boyer.

Among those who marched with the Black Knights, L. O. A., in the grand procession in St. John Tuesday, were Dr. Kierstead, John Farley, G. Sec. Rev. J. C. Blakney, G. Chap. David Hipwell, P. C. M. A. F. Lockhart, G. D. C. G. S. Wiggins, C. M. Carleton.

At the annual closing exercises of the Fredericton Deaf and Dumb Institution on the 18th, among the prize winners were: 1st class, Jennie Statton, Foreston, third; 2nd class, Israel Craig, Weston, C. C. first; 5th class, Achilles Stonge, Edmundston, second. Miles Mooers had his foot quite badly crushed on Saturday, by having it caught between a revolving wheel and pulley attached to the circular in his mill. Dr. Hand attended him. Fortunately no bones were broken.

EXPORTING LIQUOR HOUSES ARE SOON TO BE CLOSED UP

Smuggling and Bootlegging Along Border Must End

Ottawa, June 16—The principal item before the House yesterday was the discussion on the bill introduced by the Solicitor General amending the Canada Temperance Act, and it centered around the question of how long

the "exporting houses," which have sprung up in the west like mushrooms and are mainly the source of supply for rum runners across the border to the United States, should be given to dispose of their stocks.

Saskatchewan is a great centre of this industry, and fleets of high-powered automobiles laden with the precious fluid set out nightly for Montana and North Dakota boundaries, to meet their consorts from those States. They also do a general bootlegging supply trade. The business, it appears, has become a very highly organized one and has reaped fabulous profits to those engaged in it still out of jail.

Some of the members were of the opinion that no mercy should be extended to those engaged in the business, but that the provinces should be allowed to put in force at once the clause forbidding further exports from warehouses. The respect which parliament always has for vested interests, even in the booze business, prevailed however, and on motion of Sam Jacobs, the bill was amended, providing that provincial action should not become effective until January 1st, 1923. The House got a good deal of interesting information as to the conduct of this export business during the discussion.

HOW TO BEST TREAT STOMACH TROUBLE

A Tonic Medicine is Needed to Strengthen the Stomach

The old-fashioned methods of treating stomach diseases are being discarded. The trouble with the old-fashioned methods was that when the treatment was stopped the trouble returned, often in an aggravated form. The modern method of treating indigestion and other forms of stomach trouble is to tone up the stomach and glands to their normal work. The recovery of the appetite, the disappearance of pain after eating, the absence of gas, are steps on the road to health that those who have tried the tonic treatment remember distinctly. Dr. Williams' Pink Pills are a tonic which through their action on the blood are helpful in building up the digestive organs, and therefore the best remedy for simple or chronic cases of stomach trouble. The success of the treatment is shown by cases like that of Mrs. Joseph Leclerc, Wellington, P. E. I., who says:—"I have been a great sufferer from indigestion and stomach trouble, and nothing that I took for it did me any good until I began Dr. Williams' Pink Pills. I was so bad that I did not want to eat, and when I did take food it lay like a weight on my stomach, often causing me much pain and misery. I saw in an advertisement what Dr. Williams' Pink Pills had done in a similar case and began taking them, with the result that after taking the pills for five or six weeks, I am feeling better than I have done for years. I hope my experience will help other similar sufferers."

You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from the Dr. Williams Medicine Co., Brockville, Ont.

GIVING PRESENTS TO BRIDESMAIDS

How the Custom is Said to Have Originated

Many Chinese women have distinguished themselves as poets. Missouri women will vote in their first State-wide primary August 1.

With more than one million members, the Order of the Eastern Star, is believed to be the largest women's organization in existence.

June brides should remember that, according to ancient superstition, it is unlucky for a bride to choose bridesmaids who are not younger than herself.

The dress of Japanese women is regulated by their age and condition. One can tell at a glance, if one knows the rules, whether any woman is married or single, and how old she is.

The manager of one large exchange claims to have discovered that girls with red hair are more alert than their blonde or brunette sisters, and consequently make the best telephone operators.

The wedding cake, still cut by the bride, is one of the oldest marriage customs. The taking of food or drink together by the bridegroom and bride was always the principal and sometimes the only ceremony among primitive people, and this is still the case in many parts of the world.

The custom of giving presents to bridesmaids originated in the form of toll. The bride's girl friends went through the form of preventing the bridegroom and his friends from taking her from her home, a mock battle ensued, each party pelting the other with sweetmeats, and this was finally settled by the bridegroom, making presents to all the girls.

DUNLOP

CORD TIRES FABRIC

Making "Mile-ionaires"

These are great days for the motor car user—in a tire sense. Your dollar never before bought as much. Your speedometer never before registered as much. Your repair kit never was as idle. All because Dunlop Cord Tires came and ushered in a new era. Five years ago you paid half as much again for the same size tire; ten years ago you paid twice as much. Prices have been tumbling. Quality has been mounting. One time we thought 3,500 was mileage to boast of; to-day we may run into half a dozen "25,000 Miles" in a forenoon. "Dunlop did it," says one enthusiast. The "Two Hands" are making us Mile-ionaires," says another, and so on.

The Sign "Mileage Wanted" is now changed to "Mileage Supplied"—use Dunlop Cords.
