# TWENTY-FIVE YEARS AGO

From the Sentinel, July 31st, 1897

A severe hailstorm passed over Kincardine, Saturday, cutting the crops off in some places as though it had been mown. Hail stones fell as large as marbles.

John Callaghan of Farmerston, and Miss Clara Bradley of Pioneer, were united in marriage by Rev. Father Bradley, at the R. C. church, Williamstown, on Wednesday morning of last week.

Some four or five weeks ago, Edward Underhill died at his residence, Middle Simonds, o ftyphoid fever. On Thursday last his widow died of the same disease. Two children, one deaf and dumb are left.

At a meeting of the local government on Tuesday, it was decided to make, at once, an importation of thoroughbred cattle and sheep from Ontario. Hon. L. P. Ferris, C. E. Smith, M. P. P., and the Deputy Commissioner, of Agriculture, soon to be appointed, were selected to make the purchase, who will start on their mission the last of August.

Mr. Thomas Armstrong, formerly master mechanic in the C P R works at McAdam, was on Saturday last, at McAdam, presented with an address, a gold headed cane, and a meerschaum pipe, on behalf of the C P R employees at McAdam.

# COMPLETELY FREE OF CONSTIPATION

**Tried for Years to Find Relief**

**"FRUIT-A-TIVES" GAVE IT**

*Chronic Constipation or insufficient action of the bowels,* is one of the great causes of disease. Some authorities even claim that Constipation cannot be permanently corrected. This is a great mistake, because here is the proof that constipation can be cured and the bowels made to act regularly and naturally.

YARMOUTH, N.S.

"For years, I was troubled with Constipation, and had to take laxatives and purgatives all the time. If I neglected to take these, the bowels would refuse to do their work.

About two years ago, *a friend advised me to try "Fruit-a-tives"*, which I did. The first box helped me so much that I obtained further supplies of the remedy and continued the treatment. After using about eight boxes, my bowels were able to perform their particular function without aid.

*The relief in my case has been lasting,* as up to date, I have never had any further trouble. I can recommend "Fruit-a-tives" to all suffering as I did and I am sure they will derive equal benefit".

A. W. FRANKLIN.

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for $2.50, trial size 25c., or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

OBITUARY

JOHNSTON G. EMERY

Johnston G. Emery, a life-long resident of Woodstock, and well known throughout Carleton and Victoria counties, died on Wednesday of last week, in his 81st year.

In his younger days he was one of the principal business men of the town, conducting a large hardware business, dealing in harness and sewing machiens. He was a literary man to some extent, being a great reader, and possessed as he was with a retentive memory he was an interesting man to listen to and took a prominent part in the activities of the town. He was a great admirer of the Liberal party nearly all his life but of late years he was a free lance as to politics. He had few enemies and many friends who mourn with the aged widow and family in their bereavement.

The deceased is survived by the widow, who was Miss Sarah Jackson, of Upper Woodstock; five daughters, Mrs. Clarence Davis of Providence, R. I., Mrs Austin Hartley of Missoula, Mont., Mrs. Lawrence Howard of Ottawa, Miss Grace, trained nurse, of Hartford, Conn., and Miss Inez of Boston; three sons, Allen of Cleveland, Ohio, Ray in the States and Willard of Upper Woodstock.

The funeral was on Friday, conducted by Rev. H. F. Rigby, with burial at Upper Woodstock. The pall bearers were six Masonic members: George Gabel, Raymond Gabel Jack Dibblee, W. B. Nicholson, B. Harry Smith and W. R. Wright.

MRS. FRED KENT

Mrs. Fred Kent died at the home of Edward Longstaff, Broadway, on Sunday night, aged 76 years. Mr. H. E. Grey of this town, is a nephew, who lived with her since a child. The funeral took place Tuesday afternoon conducted by Rev. Mr. Fenwick of Jacksonville. The burial was at Pem broke.

# MAINE PHYSICIAN IN MURDER CHARGE

**Dr. John T. Dilling Arrainged at Caribou Today for Murder of Mrs. Oak**

Houlton, Me., July 23—Dr. John T. Dilling, the Easton physician who is in jail here tonight, will be taken to Caribou tomorrow morning and arraigned before Judge Robertson on the specific charge of the murder of Mrs. Lyndon Oak, of Caribou, on July 9. He has engaged as counsel Herschel Shaw, son of the attorney general, Ransford Shaw, which will bring father and son in opposition if the case comes to trial. According to Dr. Billing's counsel, the hearing at Caribou will be brief, as Dr. Dilling will plead not guilty, and a continuance will be asked for two weeks.

There seem to be no new developments today and many wild rumors appear to have but little foundation. The result of the examination of the exhumed bodies of Mrs. Oak and Miss Ramona Conant, of Presque Isle, made yesterday by Dr. G. B. McGrath of Boston, and the medical examiner, S. W. Boone, of Aroostook county, will not be announced by County Attorney Roix who also declines to say whether any others will be exhumed. Dr. Dilling is sixty-five years old and has, up to this time, enjoyed an excellent reputation as a kindly and honorable family physician and the present prosecution comes as a great surprise.

More than to declare that he intends to go to the bottom of the case and find out the facts in the matter, County Attorney Roix had nothing to say today.

Dr. Dilling, after his arrest in Massachusetts, waived extradition and came home in his own car with a deputy sheriff. He appears under a heavy nervous strain and is closely guarded tonight.

Caribou, Me., July 24—Dr. John T. Dilling, of Easton, was brought here this morning from Houlton and arraigned before Judge J. B. Roberts on the charge of murder by causing the death of Mrs. Lyndon Oak, of Caribou. The hearing occupied but a few minutes. Dr. Dilling pleaded not guilty. The hearing was continued to August 2, and the respondent was taken back to Houlton jail.

The "telescope gown" is the latest. Does that mean the retirement of the microscopic—at the lower end?
